## Principal Newsletter

Dear Parents and Guardians,

Just last week, I sent the students all the final exam and Positive Addiction information, as well as adjusted schedules for the month of May. There is a lot going on as we enter the home stretch! I want to take this opportunity to thank Mrs. Reynolds for all her hard work to organize and execute a successful prom. Thank you also to those parents and staff members who helped organize and chaperone post-prom. Going back to the 90's was certainly a nostalgic feeling for many of us!

This week we will wrap up the end-of-course exams and look ahead to next week which includes our May Crowning and Positive Addiction, two traditions here at LCC. While I am looking forward to celebrating all of these events with our school community, I am extremely thrilled and proud to celebrate news I was recently made aware of by our Senior Director at the Diocese, Matt Daniels.

Earlier this year, all young people throughout the Diocese were asked to participate in the Eucharistic Revival Youth Contest answering the question via an essay or other multimedia project, "What does the Eucharist mean to me?" There were over 500 young people who participated either individually or as part of a group. Bishop Daniel Thomas, Mrs. Patricia Odey-Murray, and the Department of Catholic Education reviewed every entry and worked to identify the most inspiring of all of the students' work based on four divisions: primary (grades K-2), intermediate (grades 3-5), middle (grades 6-8) and high school (grades 9-12). LCC had two finalists!

### High School (Grades 9-12)

Essay Finalists:

Emma Hunley, Grade 10, Lima Central Catholic  
Megan Evans, Grade 11, Sandusky Central Catholic  
Zac Campbell, Grade 12, Lima Central Catholic

Emma and Zac have been invited to attend a reception next week with Bishop Thomas where an overall winner will be announced. If you see either of these students, please be sure to congratulate them alongside Ms. Brunelle for her part in encouraging our students to participate.

Although the end of the year is particularly busy, it is important to celebrate our students' successes. Definitely proud to be a T-Bird!

Blessings,  
Ms. Williams
