

**ATTENTION STUDENTS ENTERING 7th GRADE for the
2019-20 SCHOOL YEAR**
Tdap Vaccine is required prior to the start of the school year

Parents and Guardians of students who will be entering 7th grade for the 2019-20 School Year are to have the dosage of Tdap vaccine prior to the August 21 start date to enter Alliance City Schools

If a student does not have the required immunizations upon entry or at the beginning of the school year **he/she will be permitted to remain in school for no more than 14 school days**. Unless the student can provide written documentation that an appointment has been made with a physician or local health department and is "in the process of being immunized."

Any student previously admitted with an appointment card from their physician or health department who has not received the required immunizations **will be excluded from school on the 15th day for the school year**. The student can re- enter school once the updated immunizations have been provided to the principal or school health aide who monitors student health records.

Please make an appointment with your child's physician or visit the Alliance Health Department, please see below:

The Alliance City Health Department (ACHD) participates in the Vaccines for Children (VFC) Program that offers vaccines at no cost for VFC eligible children. Your child is eligible for the VFC Program from birth to 18 years of age, if he or she is one of the following:

- Medicaid eligible or
- Underinsured, or
- Underinsured (parent must provide documentation)
- American Indian, Alaskan Native or Pacific Islander

There is an administration fee of **\$20 for each vaccine given**, but no VFC eligible child will be denied VFC supplied vaccine due to inability to pay. Sliding fee scale is available. Free with an eligible Medicaid card, Medicaid insurances accepted include: CareSource, Buckeye, United HealthCare Community, Molina, and Paramount.

The ACHD has partnered with VaxCare and is able to bill most private insurances through the VaxCare system. It is the responsibility of the parent to know their insurance plan benefits and coverage for their child's vaccines.

Parents may know a co-pay or have to meet a deductible, therefore credit card information will be collected at the time of the appointment.

VaxCare is a provider for the following private insurances: Aetna, Anthem, Blue Cross/Blue Shield, Cigna, Medical Mutual and others. Please call 330-821-7373 for more details or to see if VaxCare is a provider for your child's insurance.
