## **Kindergarten Car Riders Drop off and Pick Up Procedures on Oxford**

### Car Drop Off Line in the Morning

- The car drop off line is working great in the mornings. Many of you use it everyday.
- With cold weather, more parents will be using the drop off line. That will make the line even longer.
- Please know that you do not have to get in line early. We start unloading cars at 9:05 am. We keep unloading cars until 9:15 am. We usually get the line completely unloaded by about 9:10 am.
- If you don't want to sit in line, just time your arrival to school a little later and you can pull up from 9:10-9:15 am and there is usually no line.
- Nobody that gets in the door by 9:15 is late.

### Kindergarten Car Pick up after school

- If you park on Oxford to pick up your child after school, please remember that you need to pull to the curb.
- We do not want any cars double parking on Oxford when you are picking up kids after school. It is unsafe for parents and children to walk between the row of parked cars.

Also, if you want to avoid the traffic jam completely, you can always park away from Oxford and just walk up to the door. In the morning and after school there are several parking spaces on Oxford east of Haines and on Lincoln south of Oxford.

Thank you for your cooperation with our safety procedures around school. We want to keep everyone safe, everyday. Thanks.
