

USE OF MEDICATIONS

Before any medication or treatment may be administered to any student during school hours, the following applies: **The Board of Education will require the written prescription from the child's physician accompanied by the written authorization of the parent.** This document shall be kept on file in the school office.

Only medication in its original prescription bottle, labeled with the date of the prescription, student's name, and the exact dosage will be administered.

If your child requires over the counter medications including Aspirin, Tylenol, Cold Medications (Cough Syrup, Cough Drops, etc.) you must complete a Parent Authorization Form and medications must be kept in the school office.

Your child may not transport medication to and from school. Parents must bring medication directly to the school office.

Thank you for your cooperation,
Columbia School District

Mission Statement:
Nurture Dreams, Empower All, Create a Better World.
