"The mission of Weeping Water Public Schools, Every Student, Every Day, Life Long Learning Is The Weeping Water Way"

WEeping WATER TRANSPORTATION ACTIVITY WAIVER

Students involved in an activity away from Weeping Water Public Schools (athletic contests, field trips, music events, etc.) are required to ride to and from the activity on school-provided transportation when offered. This requirement may be waived however, under various and extreme circumstances. My signature (parent, guardian, grandparent, sibling 18 over) below states that I am taking full responsibility for this child to leave from this Weeping Water event. **Signature must be legible.**
