

NOTICE TO PARENTS OF ATHLETES

SCHOOL YEAR 1985-86

Dear Parent;

It is required by the Oklahoma Activities Association that all boys who participate in football are to have accident and health insurance of some type. The Commerce Board of Education has made it possible for your boy to have insurance through the school.

If you have adequate insurance and do not want your boy to have the school football insurance, please mark the space provided below.

If you do wish the school football insurance, the cost will be \$19.50. An envelope will be provided at a later date for your son to return to the Coach with the money.

If you have any questions now or later regarding this letter, please feel free to call

Respectfully,

, Assistant Football Coach

675-4343

Please indicate your wishes regarding the insurance on your son so we will have this record for our files.

\_\_\_\_\_ I already have adequate insurance for my son and do not wish the school to assume any responsibility by purchasing any additional insurance.

\_\_\_\_\_ I want the school to take out the football insurance for my son. The school will pay \$19.50 in addition to what the parent pays for the high school coverage.
