

**RECORDS INVESTIGATION**

The Commerce Board of Education believes that it has a responsibility to employ only those persons who are qualified in every respect. The board further believes that it should avail itself of means and methods provided by the legislature to assist in the selection of employees. Therefore, it is the policy of this board of education that a felony records check shall be conducted of all prospective employees. A written consent will be required from the prospective employee consenting to a felony records check to be conducted as authorized by Oklahoma law. The records check shall be initiated by the school district's written request, through the superintendent, to the State Department of Education.

Any person applying for employment as a substitute teacher shall only be required to have one such felony records search for the school year. Upon request of the substitute teacher, that felony records search results may be sent to any other school district in which the substitute teacher is applying to teach. The board of education may choose whether to require a national criminal history record check from a prospective substitute teacher who has been employed by the school district in the last year.

Any person employed as a full-time teacher by a school district in Oklahoma in the five (5) years immediately preceding an application for employment as a substitute teacher may not be required to have a national criminal history record check, if the teacher produces a copy of a national criminal history record check completed within the preceding five (5) years and a letter from the school district in which the teacher was last employed stating the teacher left in good standing.

If the applicant for employment meets all other criteria for employment in this school district, the applicant may be employed on a temporary basis for a maximum of sixty (60) days pending receipt of the felony records search results. The temporary employment of the prospective employee shall terminate after sixty (60) days unless the school district receives the results of the national criminal history records check. The sixty (60) day temporary employment period shall begin on the first day the prospective employee reports for duty at the employing school district. If the applicant is offered permanent employment following the review of the records search, the search fee will be reimbursed in full.
