Taylor: "In a  
world full of  
duplicates, be  
an original."

Life is a ruby,  
friends are  
gold, but this  
family (C.M.S.)  
is a diamond.  
By: Ryan  
Osborn

Gabby:  
Your future doesn't lie ahead of you,  
waiting to happen.  
It lies deep inside you, waiting to be  
discovered.

C.M.S. has created many great memories, and has brought me many lifelong friendships. While school is complicated sometimes, I still really enjoy being in this environment with all of my really close friends. Middle school is a teenager's hardest time to go through, but the students and teachers at this school have made me feel more than welcome, from the coaches to the cafeteria staff. I've had a lot of fun, and I'm sad to think that it is coming to an end. Julian
