More Testing to come

Juniors will take the ASVAB

The Junior class will be taking the Armed Services Vocational Aptitude Batter or ASVAB test on Tuesday, January 13, 2004 beginning at 8:20 am. This test will be administered by the military. All juniors are required to take this test. They receive information in the test results to help them make career decisions.

The ASVAB is a multi-aptitude test battery. It helps identify the different skills and competencies of each student. It consists of eight short individual tests covering General Science, Arithmetic Reasoning, Word Knowledge, Paragraph Comprehension, Mathematics Knowledge, Electronics Information, Auto and Shop information, and Mechanical Comprehension.

Students will get results in three career exploration areas: Verbal Skills, Math Skills, and Science and Technology Skills. They may not be interested in a career with the military, but this information may lead them to the perfect career choice for them.

Commerce students are encouraged to look at their career options seriously and to make a choice.

Miss Merry Christmas

Bethany Bunch was chosen as Miss Merry Christmas this year. She was crowned at an assembly held before the Christmas break. She was escorted by Derek Boman. Her court consisted of Amanda Gleaves, Jessica Means, Jessica DePoe, Marcy Wade, Missy Murphy, and Amber Cody.

In his spare time he enjoys sports, hunting, fishing, TSA and church activities at First Freewheel Baptist in Joplin, Mo.

Freshman will begin ACT pretest

The freshman class will begin doing their ACT pretests this month. This will conclude the beginning preparation of all CHS students. We are encouraging all of our students to take the test and to prepare for college and meaningful careers.

The testing will be done during the day and will not be timed. All students may see Mr. White to checkout a copy of the ACT pretest that we have made available at the school.
