Tiger B-Ball By: Damyon Dooley

The Tigers have had an improved season so far since last year. The guys came out fighting hard in conference, defeating everybody in the lucky seven, despite a few non-conference losses to some 3A & 4A schools. As every basketball season goes, you must play everyone in your conference twice. The Tigers hoped to repeat what was done in the first half of the season, but they knew it wouldn't be easy because they had a few games in the first of the season were settled by only a few points. They started back strong by beating Picher, Welch, and Bluejacket for the second time. The streak didn't last for much longer though, thanks to Afton and Wyandotte upsetting the Tigers to make Commerce and Wyandotte even in conference play. The Tigers wouldn't stay down for long coming back to walk over Fairland. The boys had one more challenge against Quapaw Monday night. It was a tough night for the boys. They failed to defeat the Wildcats by a small margin. The next challenge for the Tigers would be to play Foyil for the district championship. Even though our boys played hard, their heads just weren't in the game, and they fell short of a victory. The Tigers wouldn't stay down for long. On February 26, the boys traveled to Foyil to face the Afton Eagles for the opening game of Regionals, taking the win to advance to game two on February 27 at Sperry.

ASK BUB

(Q.) I like #77 on the football team, but how do I get him back after the 3rd time of breaking up?

Stalker #77

(A.) Get over him, because the Coop-Meister is a hound dog, and he changes girls like he changes socks. So girl, you're in the laundry basket, and you're not being washed or dried.

Mauricio

(Q.) There's a group at school called the "Hooks", and I want to be part of it. How do I become a member?

Desperate Outcast

(A.) Well, for one, we're not accepting members, but if you apply and we like you, we will get to you A.S.A.P. Call 533-0749, and leave your name, address, and whether you prefer a Hook (boy) or a Line (girl) and preferred time to get branded.

Fellow Hook's/Line members

(Q.) I'm a hefty boy, and I have a heavy appetite. Why would they torture me with only one piece of pizza, and not allowing me to buy a second or a third, or even a full one. Please notify Student Council and try changing that.

Hungry boy

(A.) Well, it's benefiting you not to eat so much. It's not a buffet that they offer here. It's a "give you food till you get home" sorta deal, and STUCO can't really do much about it. It's up to the school.

Rex

(Q.) What is a good thing to do for a girl on Valentine's day?

Amateur

(A.) Get her flowers. "Next!"

Mauricio

(Q.) How do you get someone to get you something for Valentine's day?

Gold-digger

(A.) Well, you should go get a lasso and go out to the park and rope yourself Cupid, the midget love god. Then force him to shoot his arrow at the one you want. If all fails, call 555-5555, I'm sure no one will answer so give up and Happy Valentine's day.

Jeff

(Q.) I broke up with my girlfriend, and now the guy she is dating is wanting to fight me. He called me at around 2:00 in the morning, trying to start something with me. Like a good citizen I told the guy to bring it on. I stood outside waiting in the cold, and he never showed up. Does that mean he missed out on a good whoopin, or should I go looking for him?

Mad-ex

(A.) Son, I admire you for getting up at 2:00 in the morning, and being willing to fight for something that really wasn't worth it. If the boyfriend decides to gather a crowd to manhandle you, I know of some tough guys who are willing to take on some jealous boyfriend. Just let me, Rex, know.

Rain

by Mandy and Greg

I hate rain
When I'm sad it adds to the pain.
It makes you feel slain
Like you've been hit by a train.
It messes with your brain,
And drives you insane.
Oh, how I hate the rain.

If Only

If I only knew,
If only I had
the time in the world,
To bring it all back

I'd take it at once,
Without thinking twice,
But only to get hurt,
Just one more time.

I cried through the night,
And half of the day.
The pain didn't stop,
It wouldn't go away.

If only I could,
If only he would.
Make it all stop...
If only.

WE ARE THE FUTURE

We sit in class not really knowing that the future sits in our
hand.

We're starting to get older and a little more wiser,
And we are the future of this land.

We're graduating high school and going to college,
Starting to get filled up with all this knowledge.

We used to be little, we played in the sand,
Not ever knowing that someday,
The future will rest in our hands.

DAD

As I sit here, I think about you,
If you weren't in my life, what would I do,
Would I be here, being able to talk,
If I didn't have legs, would I be able to walk,
Without you, I would have no life.
Without growing older, I would have no wife,
For without you, I wouldn't be able to live one day,
You've been by my side, and you've never went astray,
You tell me you love me,
And now I finally see,
Without you, my life is incomplete.

My Special Friend

I have a special friend in my life.
She is always there when I need her.
If I fall, She will always pick me up.
She is sunshine on a cloudy day.
Trust is never an issue.
There is never a doubt in my mind.
That she is the one for me.

It Just Feels Right

It started at an early age
And then it grew from there
Remember our first date
Some call it luck, some call it fate
But we just called it bowling
We have grown so close
And fell in LOVE!
We've shared good times
And the occasional bad one
But no matter what
We seem to forgive
And know I leave my heart to give
I don't know why
I guess it just feels right
I LOVE YOU BABE!!

Second Chance

I sit and wonder, what I would do,
If that day I had asked, you'd said we were through,
I couldn't imagine what it'd be like,
Not getting to hold you, so close and tight,
I would pretend I was happy, more or less I'd lie,
When deep down inside I would rather die,
My heart would ache, unbearably sore,
Having to accept you wanted me no more,
So I'm thankful that day, you didn't say no,
When you could have easily let me go,
I guess you could say it's like a perfect dance,
I love you and thanks for the,

A little advice ... by Greg C.

1. If you are at a wedding, don't mention anything about only lasting a year, because the families will be upset.
2. If someone asks if you can hear them, don't reply back "NO". They know you have heard them and will be mad.
3. If you are in a college English class, do not say "But, it wasn't my fault". They don't care and they will be mad.
4. If you find yourself getting pulled over, don't get mad and yell at the officer— You have just blown all chances of only getting a warning.
5. If you are going out on a boat, make sure it doesn't leak first. You will sink and be mad.
6. If you are shooting fire works, make sure there are no tree limbs or power lines above you. They will bounce off and catch your neighbor's yard on fire.
7. If you throw a rock and hit someone, don't use the excuse "He jumped in front of it". NO ONE will believe you.
8. If you are taking a shower, make sure the door closed behind you. The floor will get soaked and your parents will be mad.
9. If you are in a traffic jam, don't make the guy in front of you mad, unless you are bigger than he is.
10. If you park in a coach's spot, you *will* have to move your car.
11. If you get the idea to drive a white sable car across a mud field behind a chat pile, after three days of rain, don't do it. Your car will sink, parents will have to pull you out and they will be mad, and you will be in trouble.
12. Be sure you count out your gas money at Wal-Mart before you pump your gas. If you hesitate after you get your gas, the older guy will come out and yell at you for trying to steal gas.
