Lady Tigers Softball

The Lady Tigers started the Picher Tournament off with two wins. The girls started the tournament playing the Lady Bears. The defense was doing a great job keeping their composure after the Bears scored the first two runs of the game and got the last two outs. The next inning the Lady Tigers came back to score two and tie the game. In the last inning junior, Jayme Chuckluck, had another great catch on a pop up. The Lady Tigers came out with a victory in the first game.

The Lady Tigers had a break with a game in between and came ready to play. The South Coffeyville Lions came out for the flip as Katie Knight called the flip and won letting the Lady Tigers bat first. The Tigers went to the plate with Cassie Cisneros, and Katie Knight taking a walk to first base, and Nikki McDonald had a base loading the bases. Kyrie Bengé went to the plate and also got a base hit scoring the first run of the game. The Lady Tigers ended up going through the line up three times in the first inning, scoring twelve runs. The girls went out on defense and got three outs with only one girl on base. The Tigers scored one more time in the second inning. Freshman Johnna Beets did a great job pitching as the Tigers came home with another victory in the Picher Tournament.

The advisor, Nancy Andrews, said this is quite an honor. Our FCCLA chapter had been sponsoring a blood drive for about 25 years. We have several community projects throughout the year. It is important for young people to learn to give of themselves so others might be helped, and what better way than a blood drive. Our blood drive for this year is scheduled for February 16th, 2005 from 11:40-5:00.

Cheerleading ***Regionals***

The CHS cheerleaders worked very hard to prepare for a regional competition in Pryor.

Our summer practices went great. We practiced for two hours almost everyday. Several cheerleaders play softball as well as cheer, so we had several practices that they were unable to attend. Due to our hectic schedules, we became very tired.

We were plagued by the injuries of Brandi Taber and Rachel Burnside. It seemed like we had one obstacle after another, but we were determined to reach our goal of being Regional Champs. We revamped our routine and perfected it in two days. On Saturday, September 18, it was time for us to shine. We never gave up, and our persistence paid off. We won Regionals.

Cheerleading

Cheerleading is a way of life shared by a chosen few. It is working as a unit in everything you do. Cheerleading is rivalry, the competition make you strong. It is sharing a secret, tears, and learning to get along. Cheerleading is that on-going drive to be the best. It is patience, perseverance, and passing the test. Cheerleading is having poise and charm with every word you say. It is total dedication 24 hours a day. It is always being ready with encouragement and a smile. Cheerleading is your chance to express your individual style. Cheerleading is reaching out to comfort a sister who's sad. It's defending each other in good times and bad. Cheerleaders are always there when someone asks to treasure the present and forget the past. Cheerleading is a talent to be able to shine on cue. It is hiding the pain, even when no one knew. Cheerleaders after all, are real people that can get down, but when they're in the spotlight, they won't frown. Cheerleaders are actresses always ready to go. That is why it is important to know. Not everyone can be a cheerleaders. It takes a special kind. They put it on the line: bodies, heart, and mind.

F.C.A. NEWS by Tony Blazer

The student organization, FCA (Fellowship of Christian Athletes) has started off with a good year. We had our yearly See-You-At-The-Pole on September 15, with roughly 35 people attending. We read scriptures, prayed over our school and nation, and had a time of worship. Joey Grieshaber, Youth Minister of Commerce First Baptist Church gave a challenging message. A special thank you to all the churches that helped out.

Ms. B is our awesome sponsor this year and the officers are as follows: uel Aguilar-President, Tim Osborn-Vice President, Amber Jones-Treasurer, Jessica Bauer-Secretary, and Tony Blazer-Reporter. FCA currently has about 40 members.

FCA is an organization based on the Christian faith, and we especially as officers need to do our best to live up to that faith, and lead by example to show others our faith in Christ. With us being a group of believers that have a mission of love and hope, all of us officers are here to help and encourage anyone in any type of need. We hope that we all do that this year, and use FCA for a purpose, not just to get our name and picture in the yearbook.

TIGER FOOTBALL

by Perry Ketron

Tigers Get Revenge!

After a heart-breaking loss last year to the Chouteau Wildcats, the Tigers overcame a slow start to demolish their opponents. After an almost scoreless 1st quarter, Damyon Dooley intercepted a pass and ran it back 21 yards for the score. It was all Tigers from there. Damyon Dooley would take a ball from Klint Reading into 6 point land in the second quarter. Tyler Williams would then take another pass into the end-zone with only 5 seconds left in the half, putting the Tigers with a 27-0 lead going into the locker-room at half time. Right out of the gate, the Tigers' QB Klint Reading would romp on the Wildcats for a 70 yard run. Then, as if Nathan Webb's final touchdown of the game wasn't enough, Trent Kisse (not a typo-Trent Kisse) intercepted a pass to give all of the momentum left to the Tigers. Adding another score for Dooley, the game ended with a goose-egg for the Wildcats and a sweet 40-0 victory for the Tigers!

Keeping on Track, Tigers Crush Salina

With one win under their belts, the Tigers came out at home with some confidence, and it showed. The Tigers wasted no time this week, with the score showing 28-0 at the end of the 1st quarter. With Tyler Williams' carries of 14, 14, and 42 yards, and Logan Cawyer scoring on a 10 yard pass, the Tigers got up fast, and never looked back. In the 2nd quarter, the Tigers added 3 yard runs by both Logan Cawyer and James Sullivan; the Tigers went in the locker-room at half with a nice lead of 40-0. With evident class, the Tigers would only score once more, with James Sullivan taking it in from 19 yards out. He also finished with 10 tackles, and was trailed by a large swarm of Tigers who had a great night defensively too. Brock Vanatta, Chance Coats, and Kyle Long all had 6 take-downs apiece and Airam Delarosa and Greg Thomas both with four each. The Tigers ended the game with another goose-egg in their 47-0 victory against the Salina Wildcats.

Tigers Fall to No. 1 Pawnee

The Tigers came into Week Three with big hopes of proving that they could compete for the coveted Gold-Ball, and were very impressive in a first half battle, but fell short in the second half to lose by a score of 53-18. With the Tigers scoring on a Chance Coats 29 yard pass from Klint Reading in the first drive, everything was looking up. Unfortunately, the Jones Brothers soon lived up to the talk that had been circling, as Gerald Jones took off for 64 yards as soon as he touched the ball for the first time. The Tigers would hold the the Black Bears to only 20 offensive points in the first half. With 2 scores of 4 and 5 yard passes from Klint Reading to Damyon Dooley, the Tigers would play up to their high expectations and the score would have been 20-18 at the half, but the Black Bears' Gerard Jones ran back a fumble recovery for a TD. The Tigers would not score again. With no steam left, the Tigers just could not stop Jones as he would score on runs of 64, 55, 87, and 42 yards. Adding scores from Gerard Jones of 10 and 4 yards, the Tigers were just outmanned as they fell to the Black Bears with a score of 53-18.

Tigers Overcome Adversity to Dominate District Championship Battle

Everyone was wondering how the Tigers would bounce back from their devastating loss to Pawnee, and the Tigers would come to play. With the Oklahoma Union Cougars coming to town, there were many speculations about how the Tigers would react to the situation. The Cougars came out keying on Tyler Williams, which opened up the playing field for some other Tigers. The Tigers would score twice in the first quarter, on a 21 yard pass to Damyon Dooley and a Klint Reading 33 yard romp. With Logan Cawyer kicking a 25 yard field goal and also catching a 34 yard toss, the Tigers would take a 24-0 lead at the end of the half. The Cougars' only score would come in the third quarter, but would be answered right back with a 65 yard gallop by Klint Reading. Reading, Dooley, and Cawyer all had great games; Klint finished with 12 carries for 105 yards and also passing just under 50% completion with 78 yards and two TD's, Logan with 62 yards and Tim Osborn ended the game with 63. The Tigers showed great class and surprised the Cougars with a 31-6 victory as the Tigers moved to 1-0 in District play.
