This year's black out assembly was August 30. The softball players, band, football team, and cheerleaders were introduced. We've been having a black out assembly for 10 years to kick off the new sports season. The band played as the cheerleaders

cheered getting everyone pumped up for our 1st game against Colcord. A lot of people came this year, bringing glow sticks and school spirit. It was an exciting way to instigate the 2006-2007 school year.

It takes hundreds of nuts to hold a car together, but it takes only one of them to scatter it all over the highway.

How do you not understand
yourself,

How do you not know what's
going on inside.

It's like you feel an emo-
tion,

An emotion deep down try-
ing to hide.

You know it's there, you

can feel the pieces,

But as soon as you touch it,
your hand ceases.

It's like a mirror that's
been broken down.

You bleed every time you
start to dig around,

Till one day your whole body
falls in,

And then you have glass all
over and in your skin.

So then your emotions begin
to reflect

And all the world can see
what's been down all along in
your very deep depth.

Fans football season is here and the Tigers are off to a rough start. The Tigers opened up with Colcord. Colcord struck first going up 18-0 but the Tigers came back 18-12 right before half. On the Tigers opening drive after half they marched down the field to take the lead for the first time 19-18. The Tigers suffered a 30-27 loss.

Week 2. The Tigers traveled to Lincoln Christian. Mikey Morgan received the opening kickoff and took it all the way to the 5 yard line, but again

the Tigers were struck with penalties. The Tigers were first on the board with a field goal kicked by Jordan Beckwith. The bulldogs received the kick and were shut out by the defense. The Tigers were on the 5 and fumbled. Lincoln took advantage of that and scored going up 6-3. The game was back and forth from here on out. The Tigers suffered a 28-20 loss.

Week 3. The Tigers traveled to Kansas. Kansas received the kick from Beckwith. The defense shut the Comets out.

The Tigers took the ball and scored on their first possession. Dopp scored and Beckwith's kick was good. From there it was all the Tigers. The defense played excellent and the offense played a great game. Dopp added another touchdown and Beckwith's kick was good. Daniel scored and Beckwith's kick was good once again. Jimmy Brock had an interception. The Tigers ended up with 337 total offensive yards.
