Commerce 4-H is a very active club in our community. The members worked at the Red Ribbon Banquet, the America Recycles Day, and the fall festival. They will be serving at the City Employees Christmas Dinner, doing a display at Park of Lights, participating in local parades and having a Share-the-fun day over the next few weeks. Three of our local members are County Officers for this year. Senior Jesse Rogers was selected as the county Hall of Fame winner and his picture is currently hanging in the First National Bank down

Commerce High School
