## Friends submitted by Leeanna Smith, Magaly Prado, and Jared McDonald

A friend is someone we turn to  
 When our spirits need a lift.  
 A friend is someone we treasure  
 For our friendship is a gift.  
 A friend is someone who fills our lives  
 With beauty, joy, and grace.  
 And makes the whole world we live in  
 A better and happier place.  
 -Jean Kyler McManus-

There's nothing as nice as someone who  
 shares,  
 your laughter, your secrets, your wishes  
 and cares,  
 someone who's there through your good  
 times and tears,  
 who stays by your side as your friend  
 through the years.

- Autymn Skillings -

There is a miracle called Friendship  
 that dwells within the heart  
 and you don't know how it happens  
 or when it even starts.

But the happiness it brings you  
 always gives a special lift  
 and you realize that Friendship  
 is God's most precious gift.
