Halloween Fright

- What did the mother ghost say to the baby ghost?

Fasten your sheet belt.

What do you get when you cross a snowman and a vampire?
Frostbite!

There's something eerie lurking about.

Does it walk, does it crawl, does it slither around?

The wind rustles the leaves, or was something behind me?

Is it far, is it near, is it sneaking up on me?

My heart pounds ever so fast, as fear trickles down my spine.

The moon casts shadows on the corners and trees, could there be something hiding?

Waiting to jump out at me?

Screeches and howls- giggles and screams.

Almost to the door, nothing is what it seems.

I feel a hand on my shoulder and let out a scream.

I slowly turn just to see, and in a sigh of relief....

**It's only a group Trick or Treaters!
Seems the trick was on me!**

Why don't skeletons like parties?

They have no body to dance with.

NEO Career Day

On Monday, September 28, the Seniors and GT students went on a field trip to the NEO A & M College. There were about twenty different colleges there for students to get information. We had an excellent experience that day. We got to eat lunch on the campus, and we got to learn about the history of NEO. The tour guides split us up into different groups, and we got to tour the whole NEO campus. It helped the seniors out a lot because we found out where most everything was. We learned a bunch of new things. They told us a lot of useful information about going to college, and a lot of things about NEO. I thought it was a very useful and fun day.

FCCLA Trip to Silver Dollar City

The Silver Dollar City trip was a great success. We left the school around 6:30a.m. for a long drive to Branson, Mo. It was well worth it. While on the road we stopped at the quick trip for a bathroom break. Ms. Bolles specifically said this will be the only stop until we get there for anything, especially using the restroom. We got a ways down the highway to finish the drive when all of a sudden someone had to use the restroom. Not saying any names ("Palmira") 😊 but we had to make a special stop so that she could use the restroom. When we arrived at Silver Dollar City everyone was excited. Some had never been there before and were very anxious. We split up into our own little groups and were let loose to have some nice fun. We checked in with Ms. Bolles around 1:30 so she could take roll again to make sure no heads were missing. That went very smoothly and everyone showed up as they were told. A lot of the guys had to buy new pants because they got soaked during the water rides. The girls were complaining that they were freezing. By 3:30 everyone had taken advantage of the free meals that they were offered. We left Silver Dollar City about 6:00 p.m. and had a nice calm ride home. The students acted very appropriate and Ms, Bolles was very pleased with how great the attitudes were during the whole trip.

Cluster Trip to Kentucky has been **CANCELLED!!**

FCCLA District Rally

The district meeting was a great opportunity for every FCCLA member. The students acted very responsibly except for the paper throwing. ("Lalo & Raul") 😊 They taught us how to be leaders and what qualities a leader should have. We got to see who our regional officer was, Mr. Alex Sweet. We also had a nice time for fun and games. Over all the meeting was a success!

Halloween Facts and Superstitions!

*Pumpkins also come in white, blue, and green.

*Halloween was brought to North America by immigrants from Europe who would celebrate the harvest around a bonfire, share ghost stories, sing, dance and tell fortunes.

*Black cats were once believed to be witch's familiars who protected their powers.

*If you see a spider on Halloween, it is the spirit of a loved one watching over you.

*The Ouija Board ended up outselling the game of Monopoly in its first full year at Salem. Over two million copies of the Ouija Board were shipped.

*Orange and black are Halloween colors because orange is associated with the Fall harvest and black is associated with darkness and death.

*Black cats have long been believed to be a supernatural omen since the witch hunts of the middle ages when cats were thought to be connected to evil. Since then, it is considered bad luck if a black cat crosses your path.

*The fear of the number 13 is still common today, and avoided in many different ways. Some buildings still do not have an official 13th floor and many people avoid driving or going anywhere on Friday the 13th.

*If the flame of a candle flickers and then turns blue, there's a spirit in the room.

*If you feel a chill up your spine, someone is walking on your future grave.

*The superstition of knocking on wood for good luck originates from pagan beliefs in regards to trees.

Lady Tiger Softball

The Lady Tigers finished the season with a 26-9 record. They claimed the titles of Districts champs, Regional runner-up, and Conference Champs. The Lady Tigers traveled to Drumright, Ok for Regionals. They were the number two seed there. Drumright was number one, Tonkawa was number three, and Newkirk was seeded last. Newkirk was the first team to be sent home. Tonkawa went home the following day. The Lady Tigers and Drumright were in the Championship game. The Lady Tigers won the first of two games. The second game was tied until the fifth inning when Drumright had a few key hits and the Lady Tigers made some errors that helped Drumright to claim the Regional Championship and their ticket to the state tournament. The Lady Tigers had a good season. We will miss the seniors; Courtney Watson (Shortstop), Alysia Leonard (Pitcher), Mariah Adams (1st basemen), and Ashley Judd (Outfield).
