Lady Tiger Softball 2011

The lady tigers played Liberty, Drumright, and Foyil in the regional tournament. The first game against Liberty resulted in a loss; however, the tigers defeated Foyil in the second game. Then they played Liberty again in the third game and won which put them playing Drumright to determine the regional champion and a berth to the State tournament. Drumright defeated the lady tigers 8-5, but regional runner-up is still a great accomplishment.

GOOD JOB LADIES!
