Welcome Back  
to School!

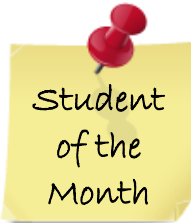

CHS is the BEST!

The State Testing Final Reports (OCCT, EOI, OMAAP) have just started arriving into the district last week. A report will be made available for the Board next month.

In an effort to maintain a positive atmosphere while rewarding student behavior, we will be honoring CHS Students of the Month. Each month, the CHS Faculty and Staff vote for one boy and one girl to receive the honor based on the following criteria: Academic Performance, School Involvement, Citizenship, and Character. At the end of each semester, one boy recipient's and one girl recipient's name will be drawn and taken to lunch by Mr. Buttram.

In an effort to recognize our CHS Faculty and Staff who consistently go "Above and Beyond" in their job performance and duties, we have created the Above and Beyond Award. Each month, the CHS Faculty and Staff nominate one CHS Faculty or Staff Member who has gone "Above and Beyond." At the end of each semester, one recipient's name will be drawn and taken to lunch by Mr. Buttram.
