National Honor Society

Our NHS club was very busy the end of 2012. We had a coat drive, we adopted a family in need, made Christmas cards with the elementary kids to take to the nursing home, went caroling at the nursing home and delivered the Christmas cards,. We also had a candle lighting ceremony in memory of loved ones.

NHS members helped a family in need have a very Merry Christmas. The family consisted of a mom, dad, a five year old little boy, and a two year old little girl. The kids were asked what they wanted for Christmas and all they said they wanted was a pillow pet. NHS members bought additional presents for the kids. On December 13 NHS members invited the family to the high school to open their gifts. The kids were shocked when they saw all the presents under the Christmas tree with their names on them. They were very appreciative of everything they got. It was great to see everyone give a little to a family who needed it.

Throughout the month of December, CHS students were asked to bring gloves, coats, scarves, hats, sweatshirts, etc., to help people in need of these things for winter. To get students involved we made it a contest. Each class received five points for bringing hats, scarves, and gloves, ten points for hoodies, sweatshirts, and sweaters, and fifteen points for coats. The senior class won and received treats at their class party. They had a total of 750 points. Juniors came in second with 650 points, Freshmen came in third with 565 points and Sophomores came in last with 440 points. Thank you to everyone that participated!!

We also had a candlelight ceremony in remembrance of lost loved ones on December 19. The ceremony was small . Students read poems, lit candles, and hung ornaments with loved ones names on them on the Christmas tree in remembrance.

On December 19, students went to the elementary school to make Christmas cards with the kids to take to the nursing home. The next day NHS members went to the nursing home and sang Christmas carols and delivered the cards.

NHS focused on giving to others in the month of December. It was a moving experience for all who participated. Thank you to everyone who helped out!!

STUCO

There is an upcoming district meeting the first week of April in Jay.

If anyone is wanting to be in the Student Council for the 2013-2014 school year, elections will be in late April/early May. If you are wanting to run for an office, you must have a speech ready to present to the school to try and persuade them to vote for you.

Thank you :)
