StuCo  
Labor  
Auction

CHS Student Council will be hosting it's first annual Labor Auction/Pulled Pork Dinner/Pie Auction on Saturday, April 26th in the high school cafeteria. From what we have been told, this will be the first ever "labor auction" at Commerce Schools. The evening will start with a pulled pork dinner from 4-5:30 (pulled pork sandwich, baked beans, potato salad and drink for \$5). Then, there will be a pie auction at 5:30 with the labor auction to follow. We will be auctioning off 20+ CHS Student Council members

We would love to see you take part of a new tradition at CHS!

## *Commerce Girls Soccer Program nets First Win in Program History!*

The Lady Tiger Soccer team made their mark in CHS Athletics History this year with their first win since the program began just over four years ago. The final score was 1-0 over Bristow. It was a well deserved and much anticipated win not only for the girls currently on the roster but also for those who were brave enough to first step out on the field when the program was in its infancy. Great job Lady Tigers!!

## *It's about school and community Service...*

The Commerce High School Chapter of the National Honor Society is based on five pillars, one of which is Service.. The NHS Chapter has worked with Mr. Waybright, Mr. Buttram, Mr. Barker, and the Mickey Mantle decoration committee, especially Ms. Buttram and Ms. Moudy, in decorating for and serving at the banquet each year. Several members also volunteer to work the gate and concession during the tournament. This is a great opportunity for our students to not only be showcased for their outstanding athletic and academic performances, but also to teach them how important it is to give back to your community.
