Cheesy Pickup Lines

Do you know what my shirt is made of? Boyfriend material.

Can I take your picture to prove to all my friends that angels do exist?

I wanna live in your socks so I can be with you every step of the way.

I thought happiness started with an H. Why does mine start with U?

I seem to have lost my phone number. Can I have yours?

Forget about Spiderman, Superman, and Batman. I'll be your man.

You look so familiar... didn't we take a class together? I could've sworn we had chemistry.

Was your dad a boxer? Cause you're a knockout!

Valentine's Day

The feast day of St. Valentine, one of two 3rd-century Roman martyrs of the same name. St. Valentine is considered the patron of lovers and especially of those unhappily in love. The feast day became a lovers' festival in the 14th century, probably as an extension of pagan love festivals and fertility rites celebrated in mid-February. Today it is marked by the exchange of romantic cards (valentines), flowers, and other gifts.

The Perfect Valentine's Gift

Flowers are the number one gift on valentine's day. Chocolate or any type of candy are also very popular. A GIANT teddy bear would be enjoyed by anyone on this holiday. Some boys plan the perfect date as their gift to that certain someone special. I think, putting a lot of time into a homemade gift is a very sweet thing to do for someone.
