## Commerce High School Academic Standout ~ Iris Perry!

CHS is proud of Iris Perry and her recent academic accomplishments! Iris set a new school standard by receiving a composite score of 33 on the ACT. She concurrently attends the Oklahoma School of Science and Mathematics (OSSM) last year and completed AP Calculus BC and AP Physics C. She took the AP exam for each of those courses in May and scored a 3 on the AP Physics C Exam and a 5 on the AP Calculus BC Exam with a subscore of 5 in Calculus AB. Iris lives with her mom, Lisa, who is not able to work outside of the home due to a disability. In addition to maintaining a stellar academic record, while at CHS, she has participated in Band, Choir, SADD, Science Club, Academic Team, and is a member of NHS. Iris works 30 plus hours a week at McDonald's to help support herself and her mom. Although her mom is not able to provide all of the financial support she would like for Iris, she has always been there to support and encourage her. Currently, Iris plans to pursue a degree in Chemistry or Chemical Engineering. She is considering attending Harvard or MIT after graduation.

## Tiger Football 2014

Tiger Football suffered a tough loss to Stroud Friday night 34-7. They are 0-1 on the season but are ready to face their opponents the rest of the season with their Tiger Spirit leaving it all on the field.

All kids need is a little help, a little hope, and someone, who believes in them.
