Commerce Tigers Football

The season didn't start the way the Tigers would have wanted it. After the loss to Stroud the Tigers came out more focused in practice and ready to beat Afton. After the disappointing loss the Tigers realized that we have to practice more of the fundamentals. The next two games are against two Top 10 teams in class 2A. "We are ready for these tough games" Sophomore Corner, Carlos Pinales says. The game against Colcord will start a little shaky with the move of senior Bryen Cunningham from quarterback to fullback and junior Jacob Pittman to starting quarterback. "We must do the things we think we cannot do." -Eleanor Roosevelt
