## **CHS baseball**

The baseball team is expecting a promising season. Coach Rogers expects them to win districts this year and the Mickey Mantle tournament. The Tigers have six seniors this year that are putting in a bunch of work for the season to be successful. Behind the plate is good ol' Chase Cunningham, and on the hill is Coal Train AKA Blake Kelly. They are expected to lead the team well.

## **DISTRICTS 2017**

The Lady Tigers played in Hulbert for Districts against Hulbert. They played very hard, but unfortunately came out short and could not advance to the next

round. This year was not the best for them, but we do believe they improved as a team from the beginning to the end. We will have to say goodbye to Gracie

Bundy, Reghan Trease, Olivia Acosta, and Tori Schnakenberg. They will all be missed in the following years.

## How to Catch Those Pre-spawn Bass

Catching bass in the pre-spawn stage is really one of the most exciting times of the year to catch em'. This time of year the bass are lethargic and slow, and they are getting ready to spawn in the spring. I usually like to throw a slow bait that has a slow action. Some of the best baits are crawls, jigs, finesse worms, and jerkbaits. You wanna try to spot beds to catch the big ole mamma bass. That's when things get exciting. So whenever you go out on the water this winter, make sure to spot beds and catch those giant pre-spawn fish.

# NBA All Star Game 2017

The 66th NBA All Star game took place in New Orleans, home of the Pelicans. The game was just like all the others: no defense and a whole lot of points. Giannis Antetokounmpo had the most points for the East with 30 points. Anthony Davis led the West with 52 points to a 192-182 win over the East. His outstanding performance awarded him the 2017 Most Valuable Player Award (as seen to the right of this article holding his great milestone and accomplishment).

# Upcoming Nader Season

Nader season is right around the corner so be prepared. If you don't have a storm shelter, find a room in the middle of the house with no windows. Be prepared, have food, water and flashlights. If a tornado were to occur, get to the shelter and don't leave until it is safe.

YEE YEE!!

## Preview of Thursday's Baseball Game

On March, 2nd 2017, the Commerce Tigers play the Quapaw Wildcats. The game starts at five ish, right after the middle school. On Thursday, it's almost a guaranteed win, but we will still have to show up to play. Our pitchers are going to have to throw strikes, and our fielders will have to catch the balls. Our batters will have to hit and hit good at that. They may even hit a couple dingers, who knows?

--Blake Kelly

## FCCLA Blood Drive

The blood drive was held here at the Commerce High School . The blood drive was on February 15. The name of the group that came in and took blood was the Oklahoma Blood Institute. They do a blood drive every year because there might be times that they are low on blood , people need the blood, and it saves lives.
