Movie Review: Macbeth (2015)

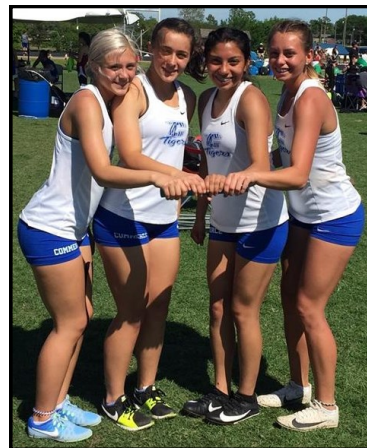

This film is showing how ambitious people can be. Macbeth is a fearless warrior and inspiring leader brought low by ambition and desire. Lady Macbeth is also power hungry. She likes to bring Macbeth down mentally, and she controls him so he will do whatever she wants. The script writers and director really wanted to show what people are willing to do for power. 10/10 people recommend watching this movie if you like the writing of Shakespeare.

Lady Tigers Soccer

The Lady Tigers faced the Tulsa Webster girls soccer team on Friday, April 12th. Without a district win from either team, this was a very anticipated game. Our girls got their first district win with a score of 4-0. **Rhyane Hallett** scored a goal along with **River Friel**, her third goal of the season. **Madi Wells** helped contribute to the win, putting two goals in the net. Good pressure from the defense kept the Webster girls from scoring any goals, while the Lady Tigers kept up the hard work and intensity. I am very proud of our team and I can not wait to see what we accomplish in the next year.

INGREDIENTS FOR OREO BALLS

These OREO truffles aka OREO balls are made with just 3 simple ingredients and couldn't be any easier to make! Check out the ingredients for the OREO balls below.

- OREO cookies
- Cream cheese
- Baking chocolate

HOW TO MAKE OREO BALLS

1. Crush the oreos. The best way to crush oreos is to place them in a blender or food processor.
2. Mix together the oreo crumbs and cream cheese with a hand mixer. If it isn't coming together, get your hands in there and mix it up.
3. Then roll into a ball and place on the pan.
4. Freeze for 10-15 minutes or until slightly firm. You don't want them too cold.
5. Dip in the melted chocolate.
