DEDICATION

We, the Class of 1994, proudly dedicate our Bomber Yearbook to: **MRS. JUNE LAHA** and **MR. SKIP ELSER.**

We would like to thank **Mrs. Laha**, our Fourth Grade teacher, for all the help and guidance you gave us when we were young. You showed us strength, even in a very difficult time for you.

To **Mr. Elser**, we would like to express our thanks to the only person who can make government interesting. You have prepared us for the political aspects and economical conflicts, which we are about to encounter.

The job of Principal is exhausting, but never boring. Right, Mr. Wait?

From the first day of this 1993-94 schoo
year, it has been a year of different ex
periences. Our enrollment of 99 students is
+17 from last year and +33 from 1991-92
We had a bomb threat on September 3, a
break-in on December 6, and another on
December 16. Family Living held a double
wedding in November, and in December
Jon Kirk developed an empathy belly o
what the last months of a pregnancy fee
like. The year has started "Larger than
Life" . . .

KENNY RETURNS FOR A T.D.

TOUCHDOWN!

TOUGH DEFENSE

KEVIN TURNS THE CORNER

ACROSS THE GOAL LINE AGAIN

BILL BREAKS AWAY.

The 1993 Football season was an exciting one for Bombers and their fans. The Bombers opened the season with two victories, one being a big win over the state ranked Bennington Bulldogs. The Bombers went on with the regular season finishing 7 wins and 2 losses and being state ranked. The Bombers went undefeated in their district and earned themselves a trip to the state play-offs. They traveled to Cedar Vale on Tuesday, November 2 to play the first round Bi District game, but the Bombers season ended there with a disappointing 54-28 loss. Bomber Football is on the rise once again, so be ready for even more excitement next year!

Homecoming day started with a face painting extravaganza, following that event was the Homecoming Parade. Although it was a rather dreary and wet occasion, the parade rolled on. The Freshmen Class won First place for their float, the Heritage Village won Second place, and the Junior Class placed Third. The grand finale was the pep rally on the football field. Later that evening, the crowning ceremony took place. Everyone watched as **Shelby Babst** was crowned Queen and **Lenny Zvonik** was the King.

Mr. Arthur McGee

Mr. Jim Phelps

Mrs. Mary Ann Fowles

The new building addition was dedicated and named for **Miss Frances Normandia** in recognition of 43 years of dedicated service from 1927 through 1970 on May 28, 1994.

With the retirement of **Mr. Phelps, Mr. McGee,** and **Mrs. Fowles** this year, these four respected and dedicated teachers have given a total of 128 years of teaching service to this school. That is **larger than life,** and we thank you for your dedication.
