The Arkansas School Board Association "Student Policy Updates" for the 2019-2020 school year were presented to you at the regular June meeting for your review. (See shared file)

Item 6: Board Policy Updates

The Arkansas School Board Association “Board Policy Updates” for the 2019-2020 school year were presented to you at the regular June meeting for your review. (See shared file)

The Board Policy Updates have been present to the PPC committee and they have no concerns. We are asking these policies be approved to become effective for the 2019-2020 school year.

Item 7: Bus repair quote - informational only

At the June board meeting an engine replacement for bus #7 was approved, but there was a question concerning difference in bid prices between Central Bus in Little Rock and Lonestar in Jonesboro. The higher quote from Lonestar included the diagnostic and disassembling fees already incurred and a \$10/hour higher labor fee at Lonestar. We decided that Lonestar in Jonesboro would install the new engine.
