

Keri Guggisberg

Special Education Director

My name is Keri Guggisberg. This is my first year as a special education teacher/ director at Ash Fork Schools. I spent the last 14 years teaching in Fontana, California. Fontana USD is an inner city school district with about 41,000 students. While in Fontana, I taught 4th grade GATE, 5th grade, 7th grade math, science and AVID, and 6th/7th grade special education. Prior to teaching in Fontana, I taught preschool for 1 year and subbed for 3 years in grades kindergarten through ninth grade. I received my BA degree in Liberal Studies from the University of Redlands. I received my Masters in Education as well as a multiple subject and educational specialist credential from Azusa Pacific University. I also earned a GATE (Gifted and Talented Education) certificate from the University of California Riverside. I am so excited to be a part of Ash Fork Schools. I can't wait to see what the year brings.
