2499 CR 2100 E
Thomasboro, IL 61878
Debbie Siuts – Sec
Phone: 217-694-4122
Fax: 217-694-4123

ARP – ESSER III Use of Funds Plan

Update Junior High Boiler System – The 1999 boiler system at the junior high has no fresh air intakes for the entire building. The boiler itself is outdated and needs to be updated. The building committee (LEA's, custodians, board members and the superintendent) would like to put \$150,000.00 of the ESSER III funds towards updating the system with geothermal and adding fresh air intakes for each space students occupy. **(Summer 2022)**

Summer School Teachers. Two junior high students are struggling to pass their current grade due to learning loss over the past two plus years. LEA's, superintendent and junior high teachers (and the parents of the struggling students) would like to pay for the summer school teachers out of ESSER III funds. (\$3,360.00) **(Summer 2022)**

Maintain 2 full time aides and pay for a percentage of a third aide to address learning loss for the 22-23 school year. Extra aides were hired to assist students struggling in grades K-8. Their help in the 21-22 school year has been priceless and we would like to extend their help into the 22-23 school year. LEA's and superintendent. (\$47,145) **(22-23 school year)**

After School Tutoring for any grades at \$20/hour as needed for 21-22 school year and the 22-23 school year for 43 hours total. LEA's, Superintendent and teachers (\$851) **(21-22 and 22-23 school years as needed)**

The Use of Funds plan was reviewed by the Board of Education in a public meeting on January 10, 2022. If you have any questions please email Jeff Isenhower at isenhowerj@pvo.k12.il.us or if you would like more information regarding the ESSER III application.
