The \$8,200.00 health benefit could also be deposited into a district approved third party fund and/or HRA account that will guarantee use for medical expenses. Medical receipts will not be accepted for reimbursement.

C. Initial Placement

Teachers entering the system, with or without prior experience at Eight Mile School, shall be allowed to bring in four (4) years or prior experience at full credit, plus one (1) half-year credit for each year of experience beyond four years, and be placed on the schedule accordingly. Horizontal placement shall be at the appropriate position.

D. Part-Time Teachers

Part-time contracted teachers shall have their salary and benefits pro-rated in proportion to time employed. Part-time teachers shall be paid for one (1) preparation period in addition to hours of instruction.

E. Receipt of Wages

Teachers shall have the option of receiving wages in 9,10 or 12 equal installments. Wages will be paid of the 20th of the month, or the last working day of the month should funds not be available on the 20th.

F. Horizontal Advancement

When additional hours entitle a teacher to move horizontally on the salary schedule, the compensation in the contract shall be amended to reflect the additional salary if plans to move are approved by the administration prior to May 1st. Proof of verification shall be a class registration slip or a grade sheet from the institute of higher learning.

G. Professional Development

Certified staff shall receive \$300 each year for professional development or for continuing credit. Unused funds will carry over to the next school year increasing \$300 each year, not to exceed \$1,200. All reimbursements must be turned in within 30 days of finishing the class or attending the event to receive reimbursement. The number of teachers requesting a large sum may be limited within any given year. All courses must be approved by administration and must be in the instructor's area of instructional responsibility. The reimbursement will be provided and accounted for in the school year when the credit was earned.

ARTICLE III: LEAVE

A. Sick Leave

Sick leave with pay will be allowed when a teacher's absence from work and performance of duties is due to a health issue, or to care for a sick family member as defined by FMLA.

Teachers will be advanced ten (10) days of sick leave at the opening of each school year, which may be accumulated to eighty (80) days. After three (3) consecutive days, a doctor's written certification of illness is required, and additional sick leave must be approved by administration.

Accumulative sick leave will continue until used up. Additional sick leave without pay will be allowed. All other application insurance benefits shall remain in effect for the same period.

Teachers may use three (3) days of accumulative sick leave annually for absence due to a death or personal emergency. Additional sick leave days may be transferred to personal emergency leave with board approval. At the conclusion of employment, the employee may donate accumulated sick leave to the sick bank.

Teachers are to notify their principal if sick leave is needed. Under no circumstances should this notification be later than 7:00am on the date of absence. It shall be the responsibility of the principal to arrange for a substitute.

B. Personal Leave

Teachers shall be allowed three (3) days of non-cumulative personal leave annually. Notification for personal leave must be filed with the principal at least 48 hours in advance of the leave. Taking personal days immediately before or after an extended scheduled school break will be allowed with the permission of the principal. Unused personal leave is to be paid out at the end of the school year at each teacher's current daily rate, capped at \$300 per day, whichever is lesser.

C. Professional Leave

Two days' professional leave, non-cumulative, will be granted each year with pay at the school board's discretion. Teachers having taught in the Eight Mile School District for five (5) years will be allowed one (1) year of sabbatical leave without pay. Only one (1) teacher will be allowed sabbatical leave annually if requested prior to March 1st. Should more than one teacher request sabbatical leave, the earliest request shall be granted. While on sabbatical leave, a teacher will be subject to the terms of the professional agreement. The teacher on sabbatical leave will notify the school district by April 15 if he/she is planning to return the next school year.

D. Maternity/Paternity Leave

If a teacher or their spouse gives birth during the school year, they will be granted leave according to the Family Medical Leave Act. Upon recommendation of a physician, additional leave may be allowed by the Board but shall be charged to sick leave. The Board will consider requests for uncompensated extended leave on a case-by-case basis.

E. Other Leave

Leave situations not covered in Article III, whether paid or unpaid, will be addressed by the Superintendent. Appeals may be made to the school board for each individual case judged on its merits.

F. Sick Bank

A sick bank has been established for certified personnel. During their first year of employment with this district, certified staff may opt to join the sick bank. To do so, they must donate two of their sick leave the first year, and one day thereafter for each year of employment. Decisions regarding sick bank will be referred to the committee established as per the guidelines. The business manager will have complete guidelines and will keep records of membership and total days donated.

The immediate supervisor shall respond to the grievant in writing within three working days after the presentation of the grievance.

- 2) If the grievance is not settled in 1), the teacher may present his grievance to the District Administrator no later than three working days after the written decision of the immediate supervisor has been received by the teacher. Within three working days of the receipt of the written grievance, the District Administrator shall meet with the teacher to attempt to resolve the grievance. The District Administrator shall give his decision in writing to the teacher within three working days of the meeting.
- 3) If the grievance is not settled in 2), the teacher may present his grievance to the full Board in writing within five working days after the written decision of the District Administrator has been received by the teacher. The Board, on the date of its next regularly scheduled meeting shall review the decision of the District Administrator as well as any written statements of the position submitted by the grievant. A grievance not submitted at least five working days prior to a scheduled meeting of the Board will not be considered until the next scheduled meeting of the Board. The Board may affirm or reverse the decision of the District Administrator or may determine if it is necessary to hold a hearing on the matter before rendering a final decision. Within five working days following the meeting, the Board shall notify the teacher of its decision. If the Board determines to hold a hearing, it will so notify the teacher within five working days following the determination and shall conduct the hearing on the date of the next regularly scheduled meeting of the Board. The Board shall decide, which shall be final, and communicate it in writing to the grievant and the District Administrator within five working days following the hearing.

C. General Provisions

- 1) Written Grievance: The written grievance provided for herein shall be a clear and concise statement of the alleged grievance including the facts upon which the grievance is based, the issues involved, the contract provisions involved, and the relief being sought.
- 2) Time Limit: Unless the specified time limits of the grievance procedures are extended by mutual consent, the grievance is barred. Should a grievance not be answered within the allotted time, it may be processed through the next step of the procedure.
- 3) Grievance Processing: Except as otherwise expressly permitted or agreed to by the administration, it is understood that the investigation and processing of the grievance shall be transacted outside of the teacher's normal duty hours. It is further understood that such processing of the grievance shall not interfere with normal school operations nor involve members of the teaching staff during normal classroom and extra duty assignments.
- 4) Association Participation: The Association shall have the right to accompany a grievant at any level.

ARTICLE V: ASSIGNMENTS AND SCHOOL DAY

A. Assignments

Teachers will be informed of grade level and class assignments as soon as reasonably possible after a thorough study of the needs of the district can be made by the administrator.

Assignments shall be attached to individual contracts. Reasonable assignments shall be in the teacher's area of expertise unless such assignment is agreeable to both parties.

The administrator or his designate shall be responsible for assigning extra duties and the development of a duty roster for all non-academic duties. Attention should be given to being as fair and equitable as possible to all teachers.

B. School Day

Full time teachers are to be on duty at 7:45 A.M. and remain on duty until 3:50 P.M. except on days preceding holidays or other non-school days, in which event teachers may leave as soon as school buses have departed. The school day will be adjusted for part-time teachers. The school year shall consist of 182 days, except when we host the Region 9 band festival, it will be 183 days. There will be no signing out to leave early without prior approval of the administration. School will be dismissed at 2:00 P.M. on the last school day before Thanksgiving, Christmas, Easter, and Spring Break. Teachers shall be allowed preparation time as required by accreditation standards established by the Department of Public Instruction. A duty-free lunch period will be allowed whenever possible by the administration. Every Wednesday during the school year, students will be dismissed at 3:00. Teachers will be required to attend in-service meetings from 3:00 to 3:45 on these days unless they have prior administrative approval to miss a meeting.

C. Class Load

Teaching load in the junior and senior high grades will not to exceed 6 class periods of pupil contact per 7-period day. Assignment to a supervised study period shall be considered a teaching period. The normal teaching load in the elementary school will not exceed 28.5 hours per week of pupil contact. Junior and senior high school teachers shall not be required to teach more than 5 preparations a day without the mutual consent of the administrator and the individual teacher.

The grade each elementary teacher will teach will be typed on each contract when the contract is issued.

In the event of an emergency, if an additional class assignment is given to a teacher that exceeds 5 preparations or six periods per day, the teacher of that class will receive additional salary. The salary will be computed at the rate of 1/216 per week of that teacher's salary for the additional class preparation.

If a secondary teacher is asked to substitute for an absent teacher, the substituting teacher will be paid \$20.00 per additional class if it is during their prep hour or regular class period. Studies halls will not justify additional pay. Substitute pay for advisory time shall be \$10.

If an elementary teacher is asked to substitute for other special classes over and above the regular complement of classes he or she teaches, the elementary teacher will be paid on a basis equivalent to the secondary teacher substitute payment. "Class" is defined to mean one high school class of 50 minutes. The \$20.00 will be paid the end of December and the end of May. ITV instructors will be compensated \$125 per remote site student per semester to a maximum of \$750 per semester.
