2 **Emergency Medical Treatment**

3
4 If a child becomes ill or is injured while at school or while being supervised
5 by a member of the school district's staff, the staff member shall take
6 reasonable steps to render assistance and, when appropriate, summon
7 rescue squad assistance. Staff will promptly notify a student's parent or
8 guardian when a student needs medical attention.

9
10 The school district is not qualified under law to comply with directives to
11 physicians limiting medical treatment and will not accept such directives.
12 School district staff members will not honor "do not resuscitate/do not
13 intubate" (DNR/DNI) orders, requests for transport to particular medical
14 facilities and any similar requests. Parents/Guardians must arrange for all
15 such requests with rescue squad and medical providers directly.
