The use of technology is essential to the success of our students' education. For this reason, LCSC provides computers, a network and access to the Internet for all students. Students in grades 6-12 are issued laptops for use in accordance with LCSC's *1:1 Laptop Policy, and Acceptable Use Policy*. - Laptops will be stored and transported in a zipped, padded backpack at all times to and from school.

- Laptops will be brought to school with batteries fully charged.
- While using the laptop, all drinks should be in sealed containers and placed on a different surface other than the laptop.

## Enrollment Cost and Claim

The protection plan covers for accidental damages up to the cost of the device, which is \$340, or up to three claims, whichever comes first. Once one of those limits are reached, the protection plan will no longer cover the cost of the damages and any future fines will be for the full cost of the repair.
