We are currently in the process of determining mileage payments to parents of K-8 students attending school in Rock County. Please indicate the total miles from your home to the Rock County elementary school that is closest to your home. If your child attends a Rock County elementary school other than the Rock County School closest to your home, we will only be able to pay mileage to the closest school.

Mileage payment restrictions apply if your home is not in Rock County.

Please complete and return this form by August 30, 2019 to Lynn Hickman at the Rock County Public Schools district office in the high school building—do not call in your mileage. By law, we must document the shortest route from your home to the nearest Rock County elementary school. Parent mileage cannot be paid unless this form is completed and returned each year.
