Students will need a composition book for Science and Reading. Returning students in grades 7-8, can use last year's book for Reading. Students will need a composition or spiral notebook for Math.

Although it is not required, many students have found binders that can hold their pocket folders, planner, a pencil pouch, and other various items, to be beneficial.

We would greatly appreciate donations of any of the following items:  
Index Cards  
Sticky Notes  
Scotch Tape

### High School Students

Typically, high school students need pens, pencils, notebooks and possibly folders. If teachers require any additional supplies, they will inform those classes when school begins.
