**CIRCLE UNIFIED SCHOOL DISTRICT NO. 375**  
**2019-2020 NEGOTIATED AGREEMENT**

The following is the Negotiated Agreement between the Circle NEA and the USD #375 Board of Education, Butler County, Kansas. Said agreement shall become effective upon being duly ratified by a majority of all professional employees of the school district, except administrators, and by the Board of Education of the school district and shall be effective from and after July 1, 2019. Said agreement shall expire on June 30, 2020. No provision of this agreement shall continue beyond June 30, 2020, except that in the event that a successor agreement has not been ratified by that date, the provisions of this agreement shall continue in effect until such time as the negotiation process is completed in accordance with the statutes of the State of Kansas.

This agreement shall be reproduced by the Board of Education and presented to all professional employees now employed on or before September 1 of the new contract year and to those teachers hereafter employed by the USD #375 Board of Education for the 2019-2020 school year.

Should any part of this agreement be declared illegal then that part shall be deleted from the agreement. As used in this agreement the term “professional employee or teacher” shall mean and include all certified employees of the school district except administrators and substitute teachers.

Executed this 8<sup>th</sup> day of July, 2019.

II. GENERAL INFORMATION:

2004 A. Increments on this schedule are based on one step for each year of teaching experience. Teachers new to the district shall have their salaries figured according to the following formula: To the base salary add (years of experience times the dollars assigned to column 0) and (the dollars assigned to column 1 times the column number for which the teacher is qualified). Teachers returning in the district shall have their salaries figured according to the following formula: Last year's salary plus the column increment plus all increments because of moving from one column to another plus any increase in base. A copy of the salary schedule is located in Appendix B.

1998 B. The board agrees to provide a Cafeteria Fringe Benefit Plan in accordance with Section 125 of the Internal Revenue Code. Benefits offered include the following:

- 1) Health insurance
- 2) Salary protection insurance
- 3) Cancer insurance
- 4) Cash (only available if the Board makes a fringe benefit contribution in addition to salary)

1988 5) Dependent care assistance  
6) Medical expense reimbursement

Number five (5) and six (6) are to be administered by a company of the Board's choice. The regulations allow for an employee salary reduction contribution to purchase the statutory nontaxable benefit which are listed one through six above.

2005 A copy of the IRC #125 "Cafeteria" Fringe Benefit Plan Agreement will be on file in the office of Circle Unified District #375 Board Clerk.

Tax sheltered annuities are not considered a statutory non taxable benefit under the new regulations and therefore are not eligible as a qualified fringe benefit under a Section 125 cafeteria plan. However, employees may continue to purchase voluntary tax sheltered annuities (403b Annuities Plan) under a normal salary reduction agreement.

2009 C. BOE pays \$35 per year toward membership in either Wichita or El Dorado YMCA.

2019 D. Article II. General Information - D. Each employee shall be paid in twelve equal installments on or before the 15th of each month. 4. It is agreed that the grievant may request and receive information in the possession of the board necessary for the processing of said grievance and to which the grievant is entitled by law.

5. The grievant may withdraw the grievance at any level.
  6. All parties shall have the right to have counsel or a representative present with them at each phase in the formal grievance procedure.
  7. It is agreed that nothing in the above procedures be interpreted in such a way as to modify or reduce the rights guaranteed under the Constitutions and Laws of the United States and the State of Kansas.
- D. A copy of the grievance form is included in this agreement as Appendix A.

#### XVIII. DISTRICT INSURANCE PROGRAM:

- 2003 A. All school district employees who are eligible for retirement under the Kansas Public Employees Retirement System (KPERs) will be allowed to purchase health insurance through the district insurance plan until age sixty-five (65).
- 2015 B. The BOE will compensate each 30+ hour employee who chooses to participate in the district provided health insurance plan recommended by the District Health Insurance Committee at a rate of \$350 per month for the 2016-2017 school year.

#### XIX. TEACHER DISCIPLINE:

- 1998 A. A teacher has the right to view or inspect his or her personnel file during normal office hours. Written complaints regarding a teacher made by an identifiable person to their administrator shall be called to that teacher's attention. In addition, the teacher may respond in writing to any information contained in the teacher's personnel file and any response will be maintained with the file.
- 2015 B.
1. The Board and Association agree to the mutual benefit of a Fair Dismissal procedure for experienced teachers. This provision balances the relative security earned through an extended and successful probationary period with employer expectations of continued quality professional performance.
  2. For the first three years of professional employment with the district, teachers are considered probationary and may be non-renewed prior to the statutory deadline for any reason except as protected by Constitutional or other nondiscrimination protections.
  3. Starting in Year Four of teaching with the district, teachers shall have earned non-probationary status. At its discretion, the Board may formally grant non-probationary status to any teacher earlier.
  4. Non-probationary teachers may be non-renewed for just cause.

5. If the proposed nonrenewal is to be based on poor job performance, the district evaluation procedure shall be followed. The non-probationary teacher will be informed his/her performance is substandard and a measurable plan of improvement put in place. The plan of improvement shall be collaboratively developed but the final decision on the plan rests with the principal.

XX. PROFESSIONAL EVALUATION PROCEDURES:

- 1991 A. All teacher evaluations and observations completed by administrative personnel should be kept confidential. If school mailboxes are used for communication regarding an evaluation, it should be placed in a closed envelope.
- B. Evaluations of members of the bargaining unit will not be done on days when school is not in session and teachers are not required to be in their classrooms.
- 2013 C. The evaluation tool and schedule will meet State guidelines for evaluation.

XXI. EARLY RETIREMENT:

- 1994 A. The Early Retirement Program is voluntary with the Board making final determination of eligibility as identified within this article.
- 2010 B. An employee is eligible for early retirement if such employee (a) is currently at least a ½ time (.50 FTE) employee of the district, (b) has met the unreduced KPERS requirements for retirement, (c) has 15 or more years of employment service with Circle USD #375, and (d) hired on or before 30 June 2010. Employees who meet the reduced KPERS requirement options with 20 years of service in the district would qualify for a 50% benefit as defined by XXI Early Retirement Section G.
- 2019 C. This early retirement plan will have a maximum employee benefit for no more than five (5) years or will end upon the retiree's 65<sup>th</sup> birthday, whichever occurs first.
- 1998 D. An employee may apply for early retirement by giving written notice to the Superintendent of Schools. Such written notice shall be submitted on or before the fifteenth (15th) day of April preceding the anticipated retirement date. The board may consider an application filed after April 15.
- 1994 E. The Superintendent of Schools shall notify the applicant, in writing within 30 days, of the final disposition and the date and amount of monthly and/or yearly lump sum early retirement benefits to be paid during that same year.
- 2001 F. An employee may select a beneficiary to receive scheduled early retirement benefits in the event of the employee's death. Benefits to the employee's beneficiary shall cease when the employee would no longer have been eligible for

early retirement benefits. If multiple beneficiaries are selected, they shall share in the retirement benefits as per the written directions left by the employee. The designated beneficiary shall be kept on file in the central office.

- 1999 G. Retirement benefits will be based on the following formula: Number of years of experience in the district x (times) average salary of that teacher's three (3) highest salary years on the salary schedule x (times) ½ of 1% (percent) = yearly benefit. For this provision, a year of experience shall be defined as either full time or part time (at least .50 FTE).

.50% or .0050

- 2019 H. An early retiree shall have benefits paid into a qualified 403(b) employer plan selected by the school district, saving the retired teacher and Board social security tax. The teacher would then meet with the company representative at retirement to determine whether to leave funds in for investment purposes, begin systematic withdrawals, or roll money into their personal qualified plan.

## XXII. REDUCTION IN-FORCE

- 1994 If the Board determines that a reduction in staff is necessary, the following guidelines shall be followed in reducing number of certified teaching positions: Prior to non-renewal of regular education teachers, the Board shall attempt to place the teacher(s) to be non-renewed in regular education positions. The administration, subject to Board approval, shall determine from which group(s) of employees the reduction can most reasonably be made, i.e., language arts teachers, math teachers, etc. Within the specified group, teachers shall be selected for non-renewal in the following order:

- A. Attrition or early retirement incentives as stated in the negotiated agreement.
- B. Non-tenured teacher(s).
- C. Certification, length of service with the district, administrative evaluation and overall contribution to the district, i.e., extra duty assignments and support of all programs.

## XXIII. NATIONAL BOARD CERTIFICATION

- 2004 In addition to the funds forthcoming from the state, National Board Certified Teachers will be rewarded with an annual \$1,000 bonus for the 10-year life of the certificate.

Teachers applying for National Board Certification will have the use of the district's copier, paper, audiovisual and technology materials if needed.

## XXIV. PROFESSIONAL EMPLOYEE SAFETY

2001 Any professional employee who is the victim of a battery (defined as intentionally or recklessly causing bodily harm to another person; or intentionally causing physical contact with another person when done in a rude, insulting or angry manner) during the performance of his/her duty, shall not be required to use sick leave if recuperation is so ordered by the district's worker's compensation physician.

XXV. DEFINED CONTRIBUTION PLAN

2019 Any teacher hired after July 1, 2008 is eligible to participate in the district's defined contribution plan. The district will contribute 5% for the first \$200 dollars contributed monthly into an approved retirement plan.
