### Principal Haro's Corner

Good Morning Crow Families:

We have 8 school days until our holiday break. The last day prior to break is a half day and it is also progress report day.

As a school community we try and teach students good habits. One important habit is coming to school every day. If your student misses 2 days a month, then they are considered chronically absent. Whether the absence is excused or unexcused, when students miss school, they are missing valuable instruction time. It is important that students attend school every day in order to stay on track for graduation and learn important lifelong skills. The above chart was presented to us by Ross Davis this week in a training. Mr. Davis is an attendance specialist and works with schools in Lane County to help with attendance. The chart compares statistics from 2015-16, 16-17, 17-18 as well as state totals for 2017-18. Our attendance is better in some grades this year as compared to last year. However, several grades are attending school less than last year.

If you would like a print out of your students absences for the year, please call the office and we would be happy to provide you with a print out for the year thus far. You can also check your child's attendance on Home Access.

For Your Information

We now have the option for families to pay for lunches on line. Doing so will cost you a small convenience fee but for some of you it may be well worth it. Go to [mymealtime.com](http://mymealtime.com) and open an account with your child's information. Then set up a log-in and password. Once this is done you can add money as well as see what your child has in his/her account and also what they are purchasing for lunch. If you have any questions please call Cathy in the office.

## Weekly Wrap-Up

### **MS Basketball:**

The Crow MS Girls Basketball team continued their winning ways against Siletz Valley last Wednesday. The MS Lady Cougars are undefeated this year and 8th graders Rachel Matthews and Lily Davis are leading the way in scoring. Great job!

### **HS Basketball Tom Page Cougar Classic:**

The boys played well over the course of the three-day tournament losing close games to South Wasco and Camas Valley. However, on Saturday night the Boys fought off Mohawk for their first win of the season in a physical game that ended with two of our top players fouling out. Kyle Schwartz was awarded 1st team all-tournament.

The girls lost to a very tough South Wasco team on Thursday night. On Friday night the girls battled Camas Valley all the way and had a chance to win the game in the final seconds but the three point attempt rimmed out. In the final day of the tournament the Lady Cougars lost a physical game to league rival Mohawk. MacKenzie Larsen was awarded 1st Team All-Tournament.

The boys are 1-6 and the girls are 3-4 so far this season. League play begins this week as we travel to McKenzie on Tuesday.

### **HS Wrestling:**

Our HS wrestling team continues to compete well in early events. The team participated in the 32 team Springfield Invitational Saturday. Kody Robert's led the way going 3-2 with 2 pins. He placed 7th in a 31 man bracket. Corbin Pew recorded a 9-0 major decision against a Tigard opponent. Tayla Jentsch recorded 2 pins and shocked a Philomath wrestler in a come from behind victory for 3rd place in the ladies division. Next the team travels to the Central Linn Invitational Saturday Dec. 15th. So proud of our Cougar Wrestlers!

# Great News about the Applegate Panthers!

From Principal Aaron B. Brown

We have just a week and a half left before the winter break and it will be a busy time. Tomorrow is the Applegate concert and next Friday will be our December awards assembly followed by our traditional gift exchange. Students will then be released at noon to begin the break. Please note there will be no afterschool program or half day art.

During the winter break the schools will be closed because of the construction. Power to the school will be shut off during this time so the district office will be closed until January 7th.

I want to reiterate how much I enjoy recognizing our students for their academic accomplishments and for their citizenship during the school day. We are truly lucky to have such wonderful kids attending Applegate Elementary.

## Here are our Applegate **CROW** Award Winners for November!

**Congratulations to our latest Perfect Panthers!!**  
**Keep making us Proud! You are an inspiration to all of us.**

### **From the Kindergarten: Ethan Davis**

Ethan Davis is our Shining Panther because he has been such a leader in reading group! He always finds his place quickly, makes sure to stay with the group and he always follows along when it is his friends turn to read. When we play games he has fun but also remembers it is time practice his skills. He understands that good readers don't always get sounds and words right the first time but that they go back and read it again if they need to.

Not only is Ethan a leader in his reading group but he works so hard in all subjects. This time of the year can be exciting and distracting with the holidays, but I have found time and time again that when it is time to focus on math or writing or any subject Ethan is engaged in the lesson. He listens carefully to directions and then gets straight to work without reminders. The thought and effort he puts into his assignments is obvious. I am proud of you Ethan for being such a super student! Keep up the excellent work!!

- Mrs. Glenn

### **From 5th Grade: Aliya Basel**

Aliya is the Perfect Panther of the week from 5<sup>th</sup> grade. Aliya has always been a sweet and kind person. She comes to school with a smile on her face and only uses kind words while at school.

Aliya has had a tough time with getting all of her assignments done on time though. She works hard. It's just that sometimes there's more to do than she has time to do it in.

This last week however, Aliya worked extra hard during class and after school to get her Presidential Report and visual aid finished and turned in. Not only did she get it done on time, she did an amazing job! Her report was wonderfully written and she read it perfectly. On top of this, she even got caught up with her math. I am so proud of Aliya and how hard she worked. She truly Worked for Excellence.

-Mr. Robertson

## Wrestling News

Our young Cougars competed very well at North Eugene this last weekend. They were led by Jordyn Ganieany and Connor Lloyd who both placed first in their division. Second place winners were Samuel Betts, Griffin Foltz, Blake Furniss, and Damian Knapp. Colton Nevins and Levi Betts recorded pins in their 3rd place finishes. Connor Lloyd led the team in dominant fashion with 4 pins. Great job young Cougars!
