Greeting Renaissance Students and Families,

I hope this finds you all well and enjoying your summer. As you may know or feel this summer is passing by quickly and before you know it will be time for school to restart. I wanted to offer a warm welcome to our new incoming students and a welcome back to our returning students. This school year we will use the words of the late Nelson Mandela, " I never lose. I either win or learn." to guide our actions. It is my hope that in starting the year and as the year progresses on that students will use their past experiences, good or bad, and learn from them to guide their future steps. Your teachers and administrators are all in. Meaning, we are 100% committed to helping you meet your goals. Again, welcome and know that we look forward to serving you!

Please find key dates below regarding registration, first day of school, new start and end time, and changes to our daily schedule based on grade level and/or current credits.
