

Reek Elementary School Goals for 2019-2020

Academic :

- Students will achieve at least one year's growth in both reading and math as measured by AIMS Web internal assessment administered three times a year.
- Staff will focus on personalized learning and differentiated instruction for students which includes allowing student choice in selection of material and product.
- Staff and students will use technology to enrich and enhance education.

Character:

- Students will show good character on a daily basis with attention to the Pillars of Character taught in Reek School.
- Staff members will offer Pride of the Lion assemblies and individual Pride of the Lion awards for examples of excellent character.
- Staff will implement social emotional learning into classroom instruction; this includes focus on growth mindset, self-regulation, and mindfulness practices.
