Dedication

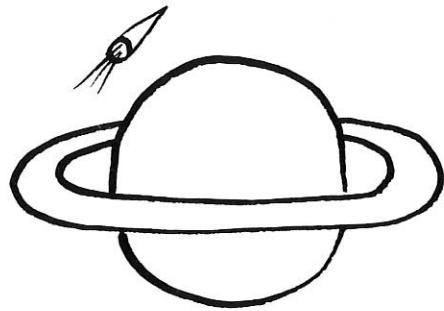

MR. ALDEN WARMAN

Although he is no longer on the teaching staff, Mr. Warman will always be remembered by all of his students. Not only is he remembered as a teacher, but as a kind friend to all people who have come into contact with him.

Mr. Warman began his teaching career on the coast at Bay Center in 1917. From there, he went to Twisp where he was the superintendent for three years. The next year found him at Dryden where he spent four years and then he taught a year at Mansfield. There were several years when he interrupted his teaching career for other work. Then in 1932, he resumed teaching in the Peshastin schools, where he taught for 26 years.

Since his retirement in 1958 he has been very busy. Aside from being a substitute teacher, he is Secretary of the Tri-County Retired Teachers Association, Secretary-Treasurer of the Tandy Ditch Company, Sunday School Teacher, P.T.A. Committeeman, and is on the Chelan County Fair Board.

The Associated Student Body sponsors many activities during the school year. A money-making project was a dinner for the people of the communities.

National Assemblies, sponsored by the ASB, bring professional talent to our school.

President, Kenny Orcutt, presides over all ASB meetings as well as Student Council meetings.

Vice President, Steve Bellamy, is chairman of all student body committees as well as substituting whenever the president is unable to attend meetings.

Secretary, Grace Kuest, keeps the minutes of all the ASB meetings and Student Council meetings.

Treasurer, Selma Schmidt, is ASB bookkeeper and as such, keeps records of all money from student body and student group activities.

Starting the year with a debit balance and a new constitution, the Student Council, led by A.S.B. President Kenny Orcutt, accomplished numerous things.

The purchase of wrestling and basketball uniforms was one of many projects undertaken.

Plans were made for the purchasing of a new trophy case and the remodeling of the present event sign.

The council also tried to promote student body cooperation through student body meetings.

ACTIVITIES

Girls' and Boys' State

Susan Smith and Jim Christopher

Girls' State began two weeks after school and it is a week I will remember with pleasure in the future. Girls' State used the facilities of Central Washington College of Education.

Not only was Girls' State enjoyable but very educational. The three hundred girls were divided into ten cities and the cities belonged to one of five countries. Each city set up one of the types of city government. Each city spent the week setting problems and correcting them. This was all part of the competition for the award of Evergreen City. While this was going on, the county elections and the primaries for state were held. These two bodies were set up and functioning before the week was over.

On the weekend was the talent show and competition for the selection of girls to attend Girls' Nation in Washington D. C.

After eight days we were all exhausted, but sorry to leave.

Boys' State was held at Pacific Lutheran University near Tacoma. The purpose of Boys' State is to further the knowledge of state, county, and city government.

First, city and county officials were elected. After they operated for several days, state officials were elected and began functioning immediately. All functions were carried on just as they are in Washington State.

Each day we also had several speakers who explained how the various officials carried out their duties. Two hours of each day was also occupied by various sports. I believe the best part of the day for most of us was mealtime, because the meals were excellent.

On the last evening there, each county had an amateur talent show. Many of the boys were very talented, and this made for an enjoyable show.

Baseball Team

Mr. Thies (coach), Lonnie Franz, Paten Thomason, Randy Hauff, Larry Gurnard, Tom Warman, Gordon Gurnard, Danny Widmer, Curtis Franz, Ron Tangen, John McGregor, Jerry Burgess, David Pflugrath, Dennis Evans.

The first team this year was composed of three seniors, three sophomores, and three freshmen, with five freshmen filling in. Highlight of the season was the game with Cashmere, which Peshastin-Dryden won by a score of 2 to 0. Dennis Evans pitched a 1-hit ball game behind an errorless infield. P-D scored on a squeeze play. The defense was helped by Danny Widmer's life-saving running-catch in the outfield.

Rick Whaley and Dave Pflugrath shared catching honors, while John McGregor and Jerry Burgess made up the Keystone combination. Filling in at first base was Dave Pflugrath and at the hot corner of third base was Ron Tangen.

Climax of the baseball season came when the Bridgeport Mustangs traveled to P-D to participate in the league championship game. The game was held for the first time on P-D's new field. After 7 errors by P-D and 3 by Bridgeport, Bridgeport won the game by a score of 6 to 3. For the first time in three years, the trophy left Peshastin-Dryden and went to Bridgeport.

In the pitchers department, Dennis Evans finished the year with 6 losses and 3 wins. Rick Whaley had 2 wins and 0 losses. Larry Gurnard had 1 loss and 0 wins.

In the hitting department Rick Whaley led the team with an average of 296 followed by Dennis Evans with 286 and Jerry Burgess with 250.

Track Team

Back row: Mr. Houser (coach), Melvin Hill, Wally Schauer, Gary Racy, Danny Widmer, Randy Hauff, Russell Wohlers, Tom Warman, Chuck Foster, Bob Griffin (manager). Front row: Jack Lyon, Jug Phillips, Chuck Evans, Tom Warman, Jerry Burgess, Bob Anderson, Ted Whaley.

Peshastin-Dryden Track and Field Team ranked high in North Central Washington this year in both individual and team strength.

The team started the season by winning the Upper Wenatchee Valley Championship (Cashmere, Leavenworth, Peshastin-Dryden), took third at Ritzville in a field of 28 Eastern Washington teams, won the Leavenworth Invitational, and followed it up by coping the Chelan-Douglas League Championship and placing second to Wenatchee in the "A" County Meet.

Four boys qualified for the district tournament in Moses Lake. They were Ted Whaley, who placed 2nd in the 880, 3rd in the broadjump, and 5th in the relay; Rick Whaley, who placed 2nd in the high jump and 5th in the relay; Chuck Evans, who placed 6th in the 440 and 5th in the relay; and Virgil Umbarger, who placed 5th in the relay.

Other outstanding point winners for the season were Dan Widmer, a consistant winner in the shot, discus, and javelin, Robert Anderson, in the mile, and Chuck Foster, in the pole vault.

Many of the team members are returning to Cougarville next year with high hopes of another successful season.

The 1960 football team had to be molded into a new working combination after graduation took eight starters from its roster. However, the end of the season found this young, inexperienced group playing off a championship tie which eluded them by one touchdown 31 to 25.

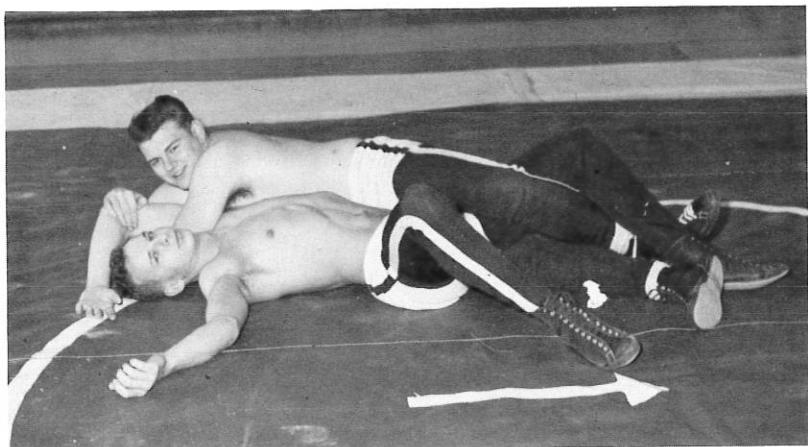

Rick Whaley led the Cougar scoring parade with 117 points, running 14 touchdowns and five extra points across the goal and passing 5 TD's and 4 point after's. Steve Bellamy led the team on defense with 76 tackles for the season. Dan Widmer was voted the best blocker by his teammates.

SEASON RECORD

"Escape, fall, near-fall, reversal." These have become familiar terms to Peshastin-Dryden wrestling enthusiasts.

During this third season of wrestling, the team won three matches, while losing nine.

At the end of the 1960 school year the student body purchased uniforms for the team.

Roy Kolesnick and Larry Day placed fourth at the district tournament held in Wenatchee.

Go to State

First in Chelan-Douglas League and second in North Central Washington District playoffs, P-D made a slow, gradual ascent to the top. The Cougars then went to the State Tournament at Spokane but were disqualified in the second round.

Senior jump-shot artist Ted Whaley led NCW scorers throughout the season with his 20-points-per-game average. He was named to the first-five team of District and earned honorable mention at State.

Sophomore Curtis Franz, with his outstanding rebounding, earned honorable mention recognition at District.
