

**Fair Haven Union High School 1:1 Device Student/Parent Take-Home Agreement:**

**Description:**

- Fair Haven Union High School has adopted a 1:1 program which will provide an electronic device for each student. This device will be issued at the beginning of the year, allowed to be taken home, and returned at the end of the school year.

**Educational Goals and Vision:**

- Provide on-demand Internet access to electronic resources in the classroom.
- Allow students to document and express themselves using digital resources.
- Provide a tool for students to take state and federal assessments.

**Costs:**

- There is no cost to receive the device.
- An incident fee will be charged when a hardware repair is required from accidental damage. The fee will be determined each year based on current repair costs (Max: \$40 per incident).
- Lost, Stolen or questionable damage will be reviewed by the administration on a case-by-case basis to determine fees.
- Students will be charged for missing items: Price is determined each year based on replacement costs and situation (Max: \$200).
- The administration may hold back school activities or other school related items while a balance is due.

**Expectations Responsibilities and Care:**

- **Devices must be brought to school with a full charge every day.** Students may not be permitted to plug them in during class.
- No stickers or writing on the device.
- Students must take measures to protect the device from damage or theft.
- At no time shall the device be used for unlawful or inappropriate activities.
- The device, power-cord and case that were assigned to the student are required to be handed in at the end of the school year.
- Students are not allowed to let others use their assigned device.

**At Home Expectation:**

- It is the parent's responsibility to monitor the student's use while at home.
- Device must be charged at home each night.

**Summer:**

- Students will not be allowed to have the device over the summer. If an educational need is shown and approved by the administration a loner device may be assigned.

**Violations:**

- Students must follow the Slate Valley Modified Unified Union School District Policy D3 Responsible Computer, Network & Internet Use at all times while on these devices.
- School Administration and Faculty have rights to view the contents of the device.

**Damages, Lost or Stolen (Incidents):**

- Damages and other incidents must be reported to the IT department right away.
- Administration will be informed of any incidents that they need to address.
- Students will need to file a police report with the resource officer if a device is stolen.
- Depending on the issue a fee may be charged.
- Student may either be issued a loaner or be asked to sign-out a spare while their device is being repaired.
