

## **ACT 1039 DYSLEXIA INTERVENTIONS AND SERVICES**

As required by ACT 1039, each public school district shall report the following information by July 15, 2019 either on their school website or in writing to the parents of each student in the district: dyslexia intervention programs used during the previous school year, the number of students who received dyslexia intervention during the previous school year and the total number of students identified with dyslexia during the previous school year.

During the 2018-2019 school year, the Pocahontas School District had 51 students who were identified as having characteristics of dyslexia, 79 students received dyslexia interventions using the Connections: OG in 3D program, Connections: Take Flight program, or Phonics First/Structures program. 2 students declined intervention.
