

PRINCIPAL'S MESSAGE

IT HAS BEGUN!!

The start of the school year has gone very smoothly! Thank you for your patience in the car loop, while waiting for bussing, and with lunches. The atmosphere in the building has been remarkably calm for the start of a new year. Please continue to communicate with teachers and the office regarding any questions or concerns you have.

Educationally,
Jackie Staib

CARS KIDS!

Perry Elementary participates in a Positive Behavior Intervention and Services (PBIS) program to help promote positive behaviors at school. It is called CARS Kids and C stands for Caring. Perry Elementary students will feel cared for and show care for others while at school. Some ways we show caring at school: invite others to play, give compliments, listen actively, help when needed, and take turns. Ask your child daily about ways that they showed caring at school for the next two weeks.
