

PRINCIPAL'S MESSAGE

March is Reading Month

Good Afternoon Perry Elementary Families,

March is fast approaching, which brings with it fun activities for March is Reading Month. This year our theme is Celebrate the Magic of Reading with a focus on fractured fairy tales.

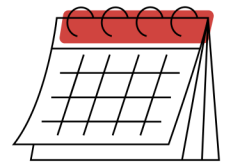

To celebrate we have built a cardboard castle for the lobby area and planned multiple theme days along with special activities. Please see the calendar for more details. Thank you to LAFCU for supporting our culminating activity, a magic show for the students at the end of March and to the PTO for providing flashlights for all students for flashlight Fridays.

If you would like to be a volunteer reader in your child's classroom this month, please email their teacher and let them know! I am excited to watch the students grow their love of reading and for books.

Enjoy your weekend!
Mrs. Staib
