

Rob Luecke Memorial Scholarship

Description:

The Rob Luecke Memorial Scholarship was established by Becky, Chelsey, Austin and Hannah Luecke in loving memory of their husband and father. This scholarship was made possible through the generous contributions of family and friends who loved Rob.

Mr. Luecke was a first grade teacher in Groton from 1984 to 2007. Rob also had a passion for athletics and coaching young athletes. He will forever be remembered for his fun-loving nature that inspired and encouraged a countless number of Groton students and athletes.

This \$750.00 scholarship will be awarded annually to a student-athlete who strongly displays the type of character that was associated with Coach Luecke; excellence in the classroom, excellence on the field of play and excellence as a team leader. Hard work was Coach Luecke's conviction. He expected the same from the athletes he coached. This scholarship will be awarded to someone who has displayed this same work ethic throughout their career. The recipient should exhibit Rob's belief in strong moral character, his concern for others, and his zeal for life.
