Welcome to NCEMS!

I am eager to begin another **SPECTACULAR** year! This is a great district because of the people -- students, staff, parents, and our community! Thank **YOU** for being **AMAZING!** I consider it a privilege to work with you and your children.

If you haven't already done so, please make sure you have Nemaha Central School's new app. It's everything **THUNDER** in your pocket. You will stay updated with access to daily events, sports information, the lunch menu, news from NCEMS, student stories, and even emergency notifications. You can download the app for **FREE** on both Google Play or the Apple App Store. If you have any questions, contact the school office.

Throughout the year, the school staff will use the NC Schools app and email to communicate with parents. We will strive to keep **YOU** informed!

Kindness Starts with You!

At the beginning of the school year, I plan to share the book, *Kindness Starts with You*, with our students. This is a delightful story that shows the **POWER** of kindness. Additionally, I will lead the students in an activity to encourage kind acts throughout the year. I am super excited to kick-off the school year with this engaging book. We have the **BEST** students and they will **ROCK** this!

We are blessed to have many **TERRIFIC** staff members at NCMS! We welcome these wonderful people to our NCMS school family:

Counseling Services for 19-20 School Year

As an addition to the Welcome Back Newsletter, I also wanted to share with everyone the new format for the counseling program at NCEMS. As our district continues to focus on the importance of social-emotional health & learning, there will be a slight increase in our counseling services for the upcoming year.

Mrs. Sarah Renyer will join our staff as a part-time school counselor. She will work primarily in the afternoons. Mrs. Laurie Niehues also will continue as our school counselor; however, her daily schedule will end at approximately 1:30 PM. NCEMS is fortunate to have both of them, and they will do a wonderful job working with our students and staff.

Mrs. Niehues and Mrs. Renyer will work collaboratively to ensure all aspects of the counseling program (classroom lessons, small-group lessons, individual counseling, etc.) are addressed. If you have any specific questions for them, please do not hesitate to contact them.
