## 2019-2020

### Introduction

The faculty, staff, and administration welcome you to Putnam County Junior High School. Our educational programs which await you are challenging, motivating, and of top quality. Each instructor has taken the time to develop his/her program so that the opportunity is there for each student to achieve his/her potential both academically and socially.

In addition to the academic environment, many extra-curricular activities await interested students. The activities provide each participant with opportunities to make use of the special talents he or she may possess. Students are encouraged to participate to the fullest extent possible in extra-curricular activities.

The “middle school concept” is of major importance at Putnam County Junior High School. Our student-centered curriculum is designed to project an atmosphere of warmth and caring. Exploratory provides a variety of learning opportunities for all students. Advisory gives each student an adult on staff that knows him or her a little better, cares for him or her a bit more, and is available when the student needs help. Faculty member’s work throughout the summer, collaborating in the development of interdisciplinary units in the six fundamental learning areas so that students have the opportunities to acquire not only the knowledge, but also the skills needed to work with others throughout their lives.

The Putnam County community is a member of the CHARACTER COUNTS! Coalition. The schools use the six pillars of character as the standard for student conduct and behavior. Students are expected to know and follow the six pillars of character. The pillars are:

Trustworthiness	Responsibility	Caring
Respect	Fairness	Citizenship

This handbook has been prepared as a reference guide for the benefit of Putnam County Junior High School students and their parents. We hope that parents and students will read the handbook carefully and keep it handy for a reference. Please pay special attention to changes to the handbook that were approved by the Board of Education at the June meeting. Those additions are **typed in bold**. We also ask that you sign and return the receipt found at the end of this handbook to verify that you have received and read this handbook. We are looking forward to an exciting and successful school year and we welcome your support to make that possible.

Yours in Educational Service,

Putnam County Junior High has moved from a five point scale to the four point grading scale as follows:

A = 4.0      B = 3.0      C = 2.0      D = 1.0      F = 0.0

These points will be used to determine high honor roll/honor roll each quarter and for potential retention.

Honor Roll

Students may earn recognition for their classroom performance through High Honors or Honor Roll distinctions.

High Honor Roll Requirements

1. A student must a GPA between 4.0-3.5
2. A student may not have less than B's in academic or non-academic subjects.

Honor Roll Requirements

1. A student must a GPA of 3.49-3.0
2. A student may not have less than C's in academic or non-academic subjects.

Additional Factors Pertaining To Honor Roll and Report Cards

6<sup>th</sup> – 8<sup>th</sup> Grades:

1. If a student has an incomplete on his/her report card, the student will not be considered for either honor roll.
2. Signed report cards must be returned to the office on the Monday following distribution. If a parent wishes a conference with a teacher or teachers, the parent should write this request on the signed report card copy returned to the school or phone the school, (882-2800 x3) for an appointment.
3. An incomplete must be made up by the end of the following grading period; at that time grade for the material completed will be computed and marked on the report card. Incomplete grades will not be given for the final grading period.

#### 6<sup>th</sup> - 8<sup>th</sup> Grades:

1. To remain eligible, participants in any extra-curricular activity may not fail any subject. Grades are checked every Friday (or last day of the week) for the following week's activities throughout all extra-curricular seasons. A student deemed ineligible is unable to participate on the following Monday through Saturday.
2. A student may not be excused from a class in which he/she is doing failing work to participate in extra-curricular activities.

#### Placement, Promotion, and Retention

The Principal will assign students to classes as outlined in School Board Policy 7.30. Placement, promotion, or retention will be made in the best interests of the student after careful evaluation of all factors relating to the advantages and disadvantages of identified alternatives.

The Principal will direct and assist teachers in the evaluation of students and review grade assignments in order to ensure uniformity of evaluation standards. No student shall be promoted to the next grade level based solely upon age or any other social reason not related to the student's academic performance. In accordance with the *Illinois education Reform Act* and in compliance with School Board Policy 6.230, both quantitative measures such as age, physical size, ability, and level of academic achievement as well as qualitative assessment of the student's motivation, self image, social adjustment, and readiness for work at the next grade level will be used to determine placement/promotion/retention. Any student who has more than two (2) separate suspensions may not be eligible to attend any end of year activities-assemblies or fieldtrips and graduation. Such decisions will be reached with the support and/or involvement of the parents. If a student is currently part of a case study evaluation or receiving Special Education services, the student's educational team shall determine promotion.

In most cases, promotion of a student to the next grade will not take place if the student has more than one final yearly grade of "F" in the academic core subjects (Reading/Literature, English/Writing, Math, Science and Social Studies). A student must have a yearly average GPA of at least 1.0 to pass the class for the school year. Parents of students, who are in danger of nonpromotion, will be notified by registered mail on May 1<sup>st</sup> including notification through out the year.

#### Interim Progress Report

Midway during each nine-week period, a progress report will be mailed to parents of students to indicate those areas where the student is doing incomplete, unsatisfactory, or failing work. The student thereby has a sufficient period of time to concentrate on these areas before permanent grades are issued on the report cards. Progress reports may also be mailed which indicate excellent or satisfactory progress.

#### Homework

Homework is key component to the learning process. Homework can help a child develop the habit of independent study, give him/her practice in basic skills, and help him/her learn the need for budgeting his/her time. In order to better prepare students to be productive citizens in the community and in the workplace, an emphasis has to be placed on daily homework completion. The zero policy has been adapted. Homework that is one day late will receive at most 70% of the value. An academic lunch detention will be served in place of recess to work on completing incomplete/missing homework. Homework that is two or more days late will receive zero credit. This includes work that is left in lockers, at home, etc. Students with incomplete homework would attend an academic lunch detention instead of going to recess. An assignment that was one day late could receive up to 70% credit and anything over two days late would be a zero. If a student earned ten academic lunch detentions (ALD), they were assigned an after school detention for repeated missing work. After that every 5<sup>th</sup> ALD in the grading period results in an additional after school detention. A student that exceeds twenty faces either an in-school suspension, out of school suspension, or other disciplinary measures.

#### Late/Missing Homework/Academic Lunch Detention Policy

**Any student who has late, missing, or incomplete homework will be assigned a lunch detention. Lunch detentions will be served during their lunch rotation time. Any student who has a lunch detention will go get lunch and report to the lunch detention room. They will be in the room the entire lunch rotation period. Any student who has been in lunch detention at least 3 days of a week, will be issued an after school detention.**

**Late homework policy will remain the same for credit when turned in. Late homework turned in the next day can earn up to 60% credit.**

#### Developing Good Study Habits

The following suggestions should help reinforce the study habits and skills being taught in school.

1. Purchase a small assignment notebook and use it for every class. School assignment notebooks are available through the school store.
2. Take notes on what is read.
3. Watch the teacher during the instructional process.
4. Review your notes before class begins.
5. Recite answers orally when studying for quizzes or tests
6. Check assignments and notebooks for neatness and completion.
7. Get assignments completed and turned into the teacher on time.

### **Awards**

#### Presidential Academic Award

National selection criteria for these awards are as follows:

Recipients of the President's' Award for Educational Excellence must maintain an A- average or equivalent in junior high school, including the first three grading periods of their eighth grade year and meet the additional criteria set forth by the President's' Award for Educational Excellence.

Recipients of the President's Award for Educational Improvement must maintain at least Honor Roll performance in junior high school, including the first three grading periods of their eighth grade year.

#### Junior High School Academic Award

1. Only eighth grade students will be eligible for the Academic Award.
2. Eighth grade students must have maintained academic standards to place them on the High Honor Roll during ten of the first eleven grading periods of their tenure in grades six, seven, and eight.
3. Transfer students who meet the criteria found in these guidelines will be eligible for the Academic Award. Eligibility of transfer students will be determined according to official transcript records from the previous school(s) attended.
4. The Academic Award will be presented at the end of each school year during Commencement Exercises.

#### American Legion Award

The American Legion Certificate of Distinguished Achievement is awarded in recognition of the possession of those high qualities of honor, courage, scholarship, leadership, and service that are necessary to the preservation and protection of the fundamental institutions of our government and the advancement of society. Potential recipients (one eighth grade girl and one eighth grade boy) of this award are recommended by a vote of the eighth grade students. The staff at Putnam County Junior High makes final selection. The awards are announced and presented at the Commencement Exercises.

#### Fred Howard Farnsworth Essay Contest

The Fred Howard Farnsworth Essay/Art Contest deals with brief paper and art project on specific topics in the areas of conservation or ecology in Putnam County. Those papers are judged prior to the April Board of Education meeting. Winners on both the middle school (8<sup>th</sup> grade) and senior high school levels are announced at the April meeting. Monetary prizes are awarded.

#### Luann Acuncius Outstanding Puma

The Luann Acuncius Outstanding Puma Award has been created in the memory of Luann Acuncius who devoted her time, strength, and energy to providing a pleasant and enjoyable environment for everyone entering PCJH. The purpose of the award is to recognize an eighth grade student who has displayed the same qualities of caring, concern, love, and the willingness to help others without reward. The award is announced and presented at the commencement exercises.

#### Coach Lenhausen Sports Leadership Award

The Coach Lenhausen Sports Leadership Award will be awarded to one female and one male eighth grade athlete who best exemplify the CHARACTER COUNTS! The Six Pillars of trustworthiness, respect, responsibility, fairness, caring and citizenship comprise these qualities. The award winners will be selected by a vote of PCJH faculty and staff and will be given annually at the commencement exercise.

#### Perfect Attendance (6<sup>th</sup> – 8<sup>th</sup> Grades)

Good school attendance is important for all students. Perfect school attendance is achieved by only a very few. The school secretary, by law, keeps attendance records. Those select students who have achieved perfect attendance for a full school year are recognized annually at the Awards Assembly.

#### Breakfast of Champions (6th-8th Grades)

Each year students who have earned Honor Roll or High Honor Roll for 3 of the Quarters for the school year will be honored for the academic achievement at the Breakfast of Champions.

### Puma Pride

Individual growth of a student is measured on what the student has been and is becoming. The committee includes the team of teachers assigned to a particular grade level VIP. The teachers meet weekly to determine students of the week and students of the month are selected at monthly faculty meetings.

## Extra-Curricular Activities

### Introduction

Putnam County Junior High School strives to provide a wide variety of extra-curricular activities. It is felt that each student will have the opportunity to find an activity that appeals to his/her interests and talents and each student is encouraged to participate to the fullest extent possible. Extracurricular activities are a privilege for those who participate. The following activities for 7<sup>th</sup> and 8<sup>th</sup> graders will have participation limits – softball and baseball (18), girls' basketball, boys' basketball and volleyball (15), cheerleading (16). Coaches and sponsors will conduct appropriate tryouts and choose members for these squads. Boys and girls track, 6<sup>th</sup> grade boys basketball, 6<sup>th</sup> grade girls basketball, and 6<sup>th</sup> grade girls volleyball, will have no participation limits. Sixth grade students may be allowed to try out for softball or baseball. This is at the discretion of the coaching staff.

As in many public school systems, alternative methods of funding are necessary to maintain a quality extra-curricular program. Guidelines for extra-curricular activity and user fees are included at the end of this section.

### Random Drug Testing of Students Participating in Extracurricular Activities

Students who wish to participate in extracurricular activities at PCJH must consent to the random drug testing policy. The policy and procedures can be found in appendix A of this handbook.

### Student Code of Conduct for Extra-Curricular Participants

The Board of Education recognizes the value of extracurricular activities for our students, as well as the community. We also recognize that these activities can fill every day of the week if allowed. With respect for the schedules of our students and their families, it is the policy of the Board of Education to refrain from scheduling activities on Wednesday evenings and Sundays. The activities that relate to this policy include all extracurricular activities. We also understand that situations will occasionally arise that will be exceptions to this policy. Examples of exceptions include, but are not limited to:

- Holiday, conference, regional and state activities and tournaments.
- Special events that are generally considered family events.
- Alternative dates or the rescheduling of events due to weather or other unforeseen circumstances.

If after-school activities are held on campus on Wednesdays, these sessions will be completed by 5:30pm for grades K-8. If requests are made for activities to be held on Wednesday nights or Sunday afternoons no earlier than 2:00 pm, permission must be granted by the building principal. It should be understood that these instances would occur rarely.

Coaches/sponsors will be informally but proactively informed of expectations regarding the appropriateness of encouraging all students to work hard, build skills, and be ready to participate fully in the activity. Coaches/sponsors are the persons who work with participants and are the best judge of skill levels; the rotation and duration of participation is the coach's responsibility.

To be successful, a student must display appropriate behavior and a proper attitude toward practices, games, meets, coaches, sponsors, and team members. If a student's behavior or attitude is unacceptable, he/she will be dropped from the activity for the remainder of that season. A student who is dropped from one team will not be allowed to try out for any other sport during that season.

In developing a proper attitude, each student must develop a degree of PRIDE in his/her own personal appearance and the way he/she participates. A student must always keep in mind that he/she is a representative of his/her school and community. It is a privilege to participate in extra-curricular activities.

The extra-curricular policy is in effect year round. If a student is not in season at the time of a violation, the conditions of the policy carry over to the next season or activity in which the student participates. Individual coaches, sponsors, sports, or activities may be stricter in their punishment. Prior to the beginning of each season or activity, coaches or sponsors will meet with their students to discuss the General Code of Conduct and each specific team or activity code.

If a student quits an activity after completing a suspension, the punishment will carry over to the next activity in which he/she participates.

The rules in this policy do not supersede any board-district or school action that may be taken.

1. **SMOKING:** Once practices have begun for the school year, a student possessing or using tobacco or vaping will be penalized in the following manner:

A. First Violation

After confirmation of the first violation, the participant shall lose eligibility for 1/4 of the season. When necessary, the eligibility loss will continue through the next activity in which the student participates.

B. Second Violation

After confirmation of the second violation, the student shall lose eligibility for the remainder of the school year.

2. **DRUGS AND ALCOHOL:** Once practices have begun for the school year, a student possessing or using alcohol or drugs will be penalized in the following manner:

A. First Violation - After confirmation of the first violation, the participant shall lose eligibility for ½ of the season. When necessary, the eligibility loss will continue through the next activity in which the student participates.

B. Second Violation - After confirmation of the second violation, the student shall lose eligibility for the remainder of the school year.

3. **CRIMINAL ACTS:** Athletes should avoid actions that discredit the school such as charges for battery, theft, burglary, etc. After confirmation of such violation, a meeting between the head coach, or sponsor, athletic director and principal will be held to determine disciplinary action based on the seriousness of the act.

4. **ILLNESS:** To participate in an extra-curricular activity after school, a student must be in attendance BY 10:00 AM OF THAT SCHOOL DAY. (An exception to this would be prior approval to be granted by the school principal, I.E., DOCTOR'S APPOINTMENT, ORTHO APPOINTMENT, ETC)

5. **UNEXCUSED ABSENCES:** A student who receives an unexcused absence from school may not participate in the next scheduled practice or contest.

6. **QUITTING:** A student who quits during the season will not be permitted to participate in that activity for the remainder of the season.

7. **ELIGIBILITY:** Junior High School: Eligibility is checked every week. To remain eligible, a student may have no failing grade in any academic and/or non-academic subject. If one failing grade is received, the student may participate in practices or meetings but may not participate in any scheduled activities until the next eligibility check. If a student is failing in more than one subject area, he/she is ineligible for

practices and events until the next eligibility check. If a student receives ANY failing grade at a second check, he/she is totally ineligible for a second week. IF THAT STUDENT IS AGAIN INELIGIBLE FOR A THIRD TIME DURING THE SAME ACTIVITY, HE/SHE WILL BE DECLARED INELIGIBLE FOR THE REMAINDER OF THAT ACTIVITY. This is a cumulative procedure. This eligibility rule applies to all extra-curricular activities.

1. **EQUIPMENT & UNIFORMS:** Each student is responsible for equipment and uniforms issued to him/her. If lost or damaged, he/she will be required to pay for them at the current replacement cost after parent notification has been made.

2. **GENERAL:**

A. **Curfew:** A student is expected to abide by the State of Illinois Curfew Statute, revised and condensed.

B. **Rights:** In the event that a member of the Board of Education, an administrator, a teacher, or a supervisor from the school district finds a student in violation of one of these rules, the accuser, when necessary, may be required to confront the student involved and furnish the appropriate personnel with the details.

### EXTRA-CURRICULAR ACTIVITY AND USER FEE GUIDELINES

#### USER FEE:

1. Junior and Senior high school students who participate in extra-curricular activities will be required to pay a user fee according to the established fee structure.
2. The user fee must be paid, or indigent application made, to the building principal prior to any type of participation in a given category. Indigent applications for waiver of the extra-curricular fees are available at the time of registration in August or before participation in the first extra-curricular activity.
3. The following fee structure for student extra-curricular activity participation has been established

<u>Category</u>	<u>Junior High</u>	<u>High School</u>
*Clubs	\$15	\$25
Puma Crew	\$ 5	NA
Performing Arts	0	0
**Instrumental	0	0
Panteras	NA	\$30
Chorus	0	0
Play/Musical Cast	NA	\$20
***Cheerleading/Athletics (per sport)	\$25	\$40

\*One fee for as many clubs as desired.

\*\* Students participating in District instrumental music programs may rent district-owned instruments from the Music Department. Students will be expected to pay monthly instrumental rental fee, unless they own and use their instruments. A rental fee of \$10.00/month will be charged for non-percussion instruments. Percussionists will be charged \$5.00/month. The instrument rental fee is not an insurance policy. Any major damage that a student might cause due to negligence will be assessed in addition to the monthly rental fee.

\*\*\* Per sport

4. Payment in a category allows participation in one (1) activity within that category, except as noted. For example, a student may belong to several clubs for the payment of a single club fee, but must pay the user fee for each sport in which participation occurs.
5. In order to avoid undue financial hardship, a \$300 family limit exists. It is the responsibility of the family to notify the school when a family limit of \$300 in extra-curricular user fee has been reached. Charges for instrument rentals are not included in the \$300 limit.

#### Athletics

The athletic program at Putnam County Junior High School includes activities for both boys and girls. Boys' sports consist of baseball, basketball, and track. Girls' sports include softball, basketball, volleyball,

and track. Putnam County Junior High School is a member of the Little Tri-County Conference and the Illinois Elementary School Association. The athletic program is open to students in grades seven and eight. Each participant is required to read and sign the athletic code before participating in any practices, tryouts, or games. All athletes are required to have a physical exam and school insurance or an insurance waiver signed by a parent or guardian before they can be permitted to practice or participate in any sport.

\*\* All participants are required to pay a \$10.00 fee that will be required of all student-athletes that will allow them to participate in a concussion screening. This screening will provide each athlete with baseline data that will be used to determine when an athlete is ready to resume activity in the vent of a concussion.

### Sports Concussion

Student athletes must comply with Illinois' Youth Sports Concussion Safety Act and all protocols, policies and bylaws of the Illinois Elementary School Association before being allowed to participate in any athletic activity, including practice or competition.

A student who was removed from practice or competition because of a suspected concussion shall be allowed to return only after all statutory prerequisites are completed, including without limitation, the School District's return-to-play and return-to-learn protocols.

### Cheerleading

The purposes of cheerleading are to promote school spirit, to develop a sense of good sportsmanship among the students, and to improve relationships between schools during athletic events. The cheerleading squad consists of two groups, one for grade seven boys' basketball, and one for grade eight boys' basketball. The 16 cheerleaders are selected in the fall for the upcoming season. The same eligibility and physical exam requirements for members of the athletic teams apply to the members of the cheerleading squad.

### Puma Crew

Puma Crew is a service organization, often called the "caretakers" of Putnam County Junior High School. These are the students who assume additional responsibilities to take pride in and care for our school. Puma Crew runs concession stands at home basketball and volleyball games, operates the school store, and develops other fundraisers to support incentive days and other school activities and charities. Puma Crew is open to all students. Any student in good academic standing (passing all classes) may work concession stands and the school store, as well as participate in other Puma Crew activities. Students with un-served detentions or suspensions are prohibited from participating in Puma Crew activities.

### Scholastic Bowl

The Scholastic Bowl team is an opportunity for students to test their intellectual ability against other students locally and statewide. Contests are held with schools in our area. Culmination comes in the form of regional and statewide contests.

### Science Fair

Science fair is offered as an exploratory and extracurricular option for eighth graders. Science fair is a scientific investigation that involves an eighteen week project. The students write a paper, design an experiment, prepare an oral presentation and create a backboard display. When completed, the students compete at the Regional Science Fair held at NIU in DeKalb, with an opportunity to advance to the state competition at the University of Illinois in Champaign.

### Spelling Bees

Each year the Peoria Journal Star sponsors a spelling bee in Marshall and Putnam Counties. Students in grades six through eight are eligible to participate in preliminary activities to select three students to represent the school. Competition advances from local to regional, state, and national levels.

#### Student Council

The Student Council is a delegate assembly of students representing 6<sup>th</sup> – 8<sup>th</sup> graders. The assembly consists of an executive council plus one student from each advisory section. The purpose of this organization is to sponsor major school activities and to maintain communication and promote understanding between the student body and the faculty. Membership on the council is a privilege, honor, and responsibility which many students seek each year.

#### Write On

The Write On Club provides an opportunity for students interested in developing their writing skills. Considerable work is done in the computer lab using the computer systems. The club meets during the extended academic period or after school to finish necessary activities.

#### Discipline

This handbook identifies anticipated standards of acceptable behavior and outlines the general consequences that will occur when said standards are not met. These are guidelines to be interpreted by the staff members at Putnam County Junior High School. Each incident will be considered according to the individual merits of the case.

Building policies published in this handbook are subject to such changes as may be needed to ensure continued compliance with federal, state, and local regulations and are subject to such review and alteration as becomes necessary for the routine operation of the school.

In addition to the rules outlined in this handbook, the Principal may establish certain written rules and regulations not inconsistent with those established by the board of education and the superintendent of schools.

#### Student Responsibilities

As in any set of rules or regulations concerning the operation of an organization designed to benefit a group of individuals, it is not possible to specify every conceivable situation. Therefore, any involvement or complicity in, or responsibility for, action that jeopardizes good order, health, safety, or the educational process will be resolved by the principal with the assistance of the school staff. Following the rules of due process, such resolutions may result in penalties ranging from reprimand to suspension from school not exceeding 10 days, and/or referral to the Board of Education with a recommendation for expulsion. If the student is currently part of a case study evaluation or receiving Special Education services, an IEP meeting will be called to include the appropriate staff members. This student's schedule will not be changed unless the IEP team makes the recommendation to do so.

Any actions by persons, which are a violation of the criminal statute of the State of Illinois, will be subject to disciplinary action by the administration/Board of Education. Referral to the police for appropriate legal action may also result from criminal acts. Disciplinary actions include suspension and/or recommendation for expulsion from school. Putnam County Junior High School participates in the mandated reciprocal reporting of criminal activity with the authorities.

All students are responsible for the following:

1. To become informed about and adhere to the rules and regulations of Putnam County Junior High School, established by the Board of Education and implemented by the school administrator, teachers, and other staff members.
2. To respect the rights and individuality of other students, administrators, teachers, and other staff members.
3. To refrain from libel, slanderous remarks, and obscenity in both verbal and written form. Students who willfully and knowingly make false statements about other students, faculty and/or staff members to intentionally injure a person's reputation shall be considered in violation of the school policy against harassment. Further, students who willfully obstruct a school investigation by withholding information in response to direct questions or by giving information known to be false, present a potential danger to student and staff safety and will be subject to consequences for misconduct.
4. To dress and groom in a manner that is appropriate for the environment and meets reasonable standards of health, cleanliness, and safety.
5. To be present and punctual at all required school functions including Incentive Day activities as assigned.
6. To refrain from gross disobedience or misconduct or behavior that actually or potentially disrupts the educational process.
7. To maintain the best possible level of academic achievement.

#### School Reporting to Law Enforcement Agencies

It is the duty of the principal to report to law enforcement any violation of the Cannabis Control Act and violations of Section 401 and 407 of the Illinois Controlled Substance Act that occur in the school, on school property, or on a school bus. In addition, the principal will report to law enforcement any violation of Putnam County ordinance 2002-01 which makes it unlawful for any person under eighteen (18) years of age to sell, barter, chew, use possess or smoke tobacco within the corporate limits of Putnam County.

#### Building Policies

1. No one is allowed to leave the building or the school grounds without the permission of the principal. This rule applies as well to students attending extracurricular activities. Students may not leave the school building during extracurricular activities unless their parent accompanies them.
2. Chewing gum is allowed at the junior high school as a privilege as long as it does not interrupt the educational process of others and does not become a distraction or nuisance on school grounds.
3. No student may open the locker of another student.
4. Students are not allowed in the classrooms before school, during noon periods, or after school without permission from and supervision of a teacher, the principal, or his/her designee. Furthermore, no one is allowed on campus without authorization.
5. Fighting, encouraging others to fight or participating in "play fighting" will not be tolerated. Any student participating in such behavior may be suspended from school, expelled, or otherwise disciplined. Any student participating in fighting or instigating a fight will receive an automatic 2 (two) days out-of-school suspension for the first violation. The student must meet with the school social worker upon returning to school. Further violations will result in additional suspensions and or expulsion.
6. Possession or use of explosives, firearms, or any other object that can reasonably be considered a weapon or a look-alike shall be prohibited on school buses, in school buildings, or on school grounds at all times, including at school-sponsored events at home or away. This includes any object (purchased or home-made) that may be classified as a weapon or any part of a weapon such as a knife, laser, used bullet shell or cartridge. Violation of this rule will necessitate disciplinary actions that may include suspension or recommendation for expulsion. To bring any kind of explosive material or look alike to school, whether they are intended to be exploded or not, is prohibited. The same is true for firearms,

ammunition, knives, lasers, look alike or any other weapons, whether concealed or not. No student will be in possession of any object that could reasonably be considered as a potential hazard to another person or another person's safety.

7. Any student, who uses, possesses, distributes, purchases, or sells an explosive or firearm or any object that can reasonably be considered as a weapon will be recommended for expulsion for at least one calendar year. Under the terms of the School Code, it is mandated that the recommendation for expulsion be for at least one year when a firearm, weapon, or explosive is involved in the misconduct. The Board of Education can expel a student for up to two years for any conduct that is in violation of the Student Code. On a case-by-case basis the Board may modify the length of suspension or expulsion. A student who is determined to have brought a weapon to school, or any school sponsored activity or event that bears a reasonable relationship to school, shall be expelled for a period of not less than one full year, except that the expulsion may be modified. For the purpose of this section, the term "weapon" means the possession, use, control, or transfer of any weapons as defined by Section 921 of Title 18, United States Code, firearms as defined in Section 1.1 of the Firearm Owners Identification Act or use of a weapon as defined in Section 24-1 of the Criminal Code; other objects if used or attempted to be used to cause bodily harm, include but are not limited to, knives, guns, firearms, rifles, shotguns, brass knuckles, billy clubs or look alike thereof. Such items as baseball bats, pipes, bottles, locks, sticks, pencils, and pens may be considered weapons if used or attempted to be used to cause bodily harm.

8. Personal belongings such as baseball cards or other collectibles, electronic devices such as games, pagers, radio, CD players, etc. are not allowed at school. **ABSOLUTELY NO BETTING OR TRADING OF ANY ITEMS, INCLUDING MONEY, IS ALLOWED IN SCHOOL, ON SCHOOL GROUNDS, OR ON THE BUSES.** Nuisance items confiscated from a student will remain with the principal until a parent or guardian picks up the items. Parents will be notified by letter that the item will be held for two weeks after which time the school shall not be responsible for the items. Students may possess cellular phones during the school day, but may not use cellular phones during the school day. (8:05 am-3: 15 pm) Students who use cellular phones or have them in clear view during the school day will face disciplinary consequences. Cellular phones may be allowed on field trips. The usage of cellular phones will be at the discretion of the teacher on or during a field trip. This includes the usage on the bus as well. The student who brings a cellular phone on a field trip is responsible for the loss, damage, or theft of their cellular phone.

9. School property, including but not limited to desks and lockers is owned and controlled by the District. School authorities are authorized to conduct administrative inspections of school property as a means of protecting the health, safety, and welfare of the District, its employees, and students without notice to or consent from the student or parent and without a search warrant.

10. Smoking, possession of tobacco products, alcoholic beverages or drugs or drug paraphernalia, e-cigs and e-cig products, electronic cigarettes and electronic cigarettes products, vaping, and vaping products, or being under the influence of same, is prohibited at any time, at any school in the School District. This rule also applies at any school-sponsored activity at home or away. Violation of this rule will necessitate disciplinary actions that may include suspension of up to ten (10) days and/or recommendation for expulsion. Students who are under the reasonable suspicion of being under the influence of a prohibited substance may be asked by a school administrator to submit to drug testing. The suspicion based drug policy and procedure can be found in Appendix B of this handbook.

11. Harassment of, or threats to, students, employees of the District, or the Board of Education on or off school grounds is not allowed. Any conduct, including teasing, bullying, and harassment directed against students which causes them to be fearful of attending school is not allowed. Any student who teases, bullies, or harasses another student will be subject to disciplinary action, which may include, but not be limited to, suspension and/or expulsion.

12. Damage to school property as a result of willfully irresponsible or destructive behavior by a student is not allowed; the student will be charged for the repair or replacement of the property damaged. The student may also be subject to disciplinary action.

13. Gross misconduct, which involves acts so serious that they require administrative action, could result in suspension or expulsion. Some examples of gross misconduct would include-but not be limited to-behavior that is injurious to a person or property, such as fighting; gross disrespect or insubordination, possession or use of a weapon, drugs, or drug paraphernalia, look-alike, or other controlled substances; willful disobedience; stealing; or other acts which are seriously disruptive and/or create a hazard to other students, staff, and/or school property.

14. Use of vulgarities and obscene language and gestures is not conducive to the best educational atmosphere and will not be tolerated anywhere on school grounds or at any school activities. Violations will result in disciplinary action.

15. Students are expected to be in class on time. Infractions to the tardy rule fall under the student choice discipline plan for students.

16. Students who cheat (defined as using, submitting, or attempting to obtain data or answers dishonestly, by deceit, or by means other than those authorized by the teacher) will face the following consequences:

- First Offense – A grade of “0” for the assignment, quiz, or test.
- Second Offences – A grade of “0” for the assignment, quiz, or test and a detention.
- Third and all subsequent offenses – A grade of “0” for the assignment, quiz, or test and an in-school suspension.

17. All members of the school community must treat each other with respect at all times. Disrespectful, demeaning or discourteous behavior directed at school personnel will not be tolerated. Violations will result in disciplinary action and could be interpreted as gross misconduct. Insubordination is the failure to obey a reasonable request.

18. The Board of Education recognizes that appropriate dress is necessary in order to maintain the orderly educational process of the school as well as to insure the health and safety of the students. Clearly, the responsibility for appropriate attire at school rests with the student and his/her parents. Students should maintain an appearance that will not disrupt the educational process or impair or endanger the health or safety of the student body.

19. A complete list of attire that is inappropriate for school and which might cause a disruption of the educational process would be impossible. Some examples follow which are to be used as guidelines:

- The clothing that students wear should cover them from at least shoulder to mid thigh. Short shorts, halter or tube tops, transparent clothing, and bare midriffs are not allowed.
- A General guideline is shorts must be as long as the fingertips when a student is standing with arms straight down at their side in a relaxed position.
- A General guideline for tops is that they must have at least a 2 inch strap.
- Shorts and/or pants that sag below the waist exposing under clothing are not allowed.
- Clothing that displays or communicates drug or alcohol advertisements/names, profane language, vulgar statements, hate messages, sexual innuendo, tobacco ads, suicide or other violent messages are not allowed.
- Outerwear, including coats, jackets, capes, hats, and bandanas are not to be worn in the building during the day. Additionally, sports bags, book bags, etc., may not be carried during the day.
- Clothing with holes in inappropriate places may not be worn.
- Shoes must be worn at all times.
- Any clothing, symbols and so forth that relate to gang symbols, gang membership, etc. may not be worn.

Students who dress in an inappropriate manner will be given the opportunity to correct the situation. Changing, covering, or turning shirts inside out are acceptable options. If a student refuses to rectify the situation, a written referral will be filed with the Principal. The Principal will meet with the student in a timely manner, advise the student of the problem and alternatives. The Principal will attempt to inform the parent of the situation. If the student fails at this point to rectify the situation, the student will be considered insubordinate and appropriate disciplinary action will be taken.

20. When it is believed to be in the best interest of the student for educational or behavioral reasons, recess may be withheld at the discretion of the teacher and/or principal.

21. Invitations to personal parties may not be distributed by students or parents at school. The distribution of party invitations during the school day can often cause problems in the classroom for the teacher as well as for the students. We encourage parents to distribute party invitations outside the school day.

22. School parties and activities are planned for the school's students. While the help and support of parents with these parties and activities is encouraged and greatly appreciated, it is also necessary to restrict attendance at school parties (Halloween, Christmas, Valentine's Day) to our students, staff, and parents. Younger siblings, or other children, should not attend school parties held during the school day.

Continuous or repeated violations of the above policies will necessitate more severe disciplinary action that may include suspension or recommendation for expulsion. The administrator maintains a proper and accurate record of the offenses and disciplinary actions. In case of suspension, written notification will be sent to the parents and the Superintendent's office.

#### Disciplinary Options:

1. Parent conference with all the parties involved
2. Program modification
3. Temporary removal from class
4. Financial restitution (in cases where damage or loss is incurred)
5. In-school suspension (length to be determined by the Principal)
6. Out-of-school suspension (length can be from one to ten days)
7. If necessary: law enforcement involvement
8. Withdrawal of privileges
9. Expulsion - must be by recommendation of Principal and/or Superintendent with approval of the school board
10. Other options as deemed appropriate by the administrator

#### Detention Procedures:

Sixth through eighth graders will follow the guidelines set forth through the student choice discipline plan. Detentions can be either behavioral or academic. Students in grade sixth through eighth will be issued a detention after the student receives three (3) strikes for violating classroom rules during a single class period. A student that acquires five (5) tardies in the same class during a grading period will receive a detention. Also, a student that accumulates a total of ten strikes in the same class will be referred to the office and issued a detention.

A detention notice will be given to the student at least one day prior to the assigned detention. Additional copies will be forwarded to the office and the student's VIP teacher on the day the notice is given. The student must return his copy, signed by the parent or guardian, to the VIP teacher at the start of the next school day. If a student fails to return his signed copy, an additional detention may be given. Any student

returning a detention notice with a forged signature could be subject to disciplinary action including suspension or expulsion. On the day of the detention the home is responsible for providing transportation for the student.

Detentions are served on 2 days during the week(Normally Tuesdays and Thursdays)from 3:15-5:00 p.m. While serving a detention, students are given a disciplinary packet to complete that outlines behavior modification and making better choices for themselves.

Detentions that need to be rescheduled more than once will result in the following:

- First time - In-school suspension for the length of the detention.
- Second time - Saturday detention or one day out-of-school suspension as determined by the principal.

Those students who receive more than two detentions within one grading period are subject to more severe consequences AS FOLLOWS:

- 3<sup>rd</sup> Detention – Served as a Saturday detention (8:00 am – Noon) or In-School Suspension
- 4<sup>th</sup> Detention – Served as an in-school suspension or Out of School Suspension
- 5<sup>th</sup> and all subsequent detentions – served as an Out-of-School Suspension
- All attempts will be made to ensure proper interventions are implemented for the student after they receive a second detention to attempt to change their behavior.

Any student receiving a detention to be served on the day of extra-curricular practice or contest will not be allowed to participate in the practice or event on that date. Missing two practices or contests as a result of a detention will result in an unexcused cut. Detentions will not be rescheduled due to extra-curricular activities.

#### Saturday Detention

This program provides an alternative to certain out-of-school suspensions and another level of detention for more serious offenses. For example, Saturday detention might be appropriate in the case of a student who would otherwise be suspended out-of-school for failing to serve detention(s). This program would not be an option for offenses considered gross misconduct, e.g., swearing/disrespect to staff and/or fighting.

Saturday detentions are served at the junior high. They begin at 8:00 a.m. and conclude at 12:00 p.m. Students who are late will not be admitted and will have their detention rescheduled. Students who fail to attend Saturday detention will be suspended from school for 1 day or serve their original suspension, whichever is greater. Students will report to the designated room with work sufficient to keep them busy for the entire period of time they are there. The rest of the building is off limits. Anyone who arrives at the detention room without sufficient materials will be sent home and counted as a no-show for that day.

Saturday detention is a place for quiet study. Regular school rules apply. There will be no sleeping, no talking, no food or drink, no radios or tape players of any kind, etc. allowed. Students are to remain in their assigned seats the entire time. A restroom and water fountain break will be determined by the detention supervisor.

Students may also be assigned a Saturday detention after accumulating too many after-school detentions. Any student who misses more than two detentions may be required to serve those detentions during a Saturday detention session.

## Definitions of Suspension and Expulsion

### Suspension

Suspensions are considered unexcused absences but students will receive credit for work during the period that they are suspended. The student has a right to the work that was done, and may complete assignments and have them corrected. However, it is the student's responsibility to obtain these assignments. When suspended, students are not to be on campus or at any extra-curricular events.

### Expulsion

In cases of gross misconduct or disobedience, the Principal may recommend to the School Board that expulsion proceedings be initiated. The Board has the authority to expel a student for the remainder of the school year or up to one year.

### In-School Suspension

1. A student who is suspended from class will work on any class work for the day plus additional assignments that the teacher assigns in lieu of classroom participation.
2. The student will report to the office upon arrival at school with all the necessary materials to do the assigned work.
3. The student will remain in the assigned seat unless given permission by the Principal or his/her designee to move.
4. The student is not allowed to sleep, talk, or sit and stare.
5. The student can work only on assigned class work. If the student has extra time he/she will be given extra work or be allowed to read a book. Work is checked to make sure that it is complete.
6. The student will be escorted to the restroom and then to the cafeteria to get his/her lunch tray. He/she will eat alone in the suspension area.
7. Violation of an in-school suspension could result in additional time (another day of in-school suspension) or if deemed necessary by the Principal an out-of-school suspension or Saturday detention.
8. An in-school suspension prohibits a student from participating in any extra-curricular activities (including games or practices) on the day of the suspension.

PARENTS AND STUDENTS PLEASE NOTE: If a disciplinary consequence causes a student to miss a game or activity which is changed to another day, the student will still miss the activity regardless of the date of serving the consequence.

### Student Transportation

Generally, students cannot be transported on a bus other than the one to which they have been assigned. The only exception to this would be a genuine family emergency; the parent or designee would need to work with the Principal to arrange alternative transportation. Students can be issued a pass allowing them to be dropped off at a different bus stop on the students assigned bus route if a note, dated and signed by the parent, is brought to the office. In an emergency ONLY, a phone call from the parent or designee could be accepted.

### School Bus Conduct Guidelines

Proper bus conduct is emphasized every year at the start of school. It is recommended that all riders, parents of riders, and staff become thoroughly familiar with the following regulations governing school bus riders.

While waiting for and approaching the bus:

1. Riders must be on time at the designated school bus stop. This bus will not wait for you.
2. Stay off the road at all times while waiting for the bus.

3. Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.

While riding the bus:

Much of the student transportation for the district is provided through Illinois Central Bus Company. Bus riders are expected to comply with the following rules, which are posted in each of the Ryder buses.

#### Use of Cameras on School Buses

Videotapes are viewed to investigate an incident reported by a bus driver, administrator, supervisor, student, or other person. They are also viewed at random. Viewing videotapes is limited to individuals having a legitimate educational or administrative purpose. In most instances, individuals with a legitimate educational or administrative purpose will be the Superintendent, administrator, transportation director, bus driver, sponsor, coach or other supervisor. Videotape may be reused or erased unless it is needed for an educational or administrative purpose.

In addition to the video portion of the tape, the audio portion may also be reviewed by the administration for investigative purposes.

Students are prohibited from tampering with the video cameras. Students who violate this regulation shall be disciplined in accordance with the School District discipline policy.

1. Follow the drivers' instructions.
2. Do not eat, drink or smoke on the bus.
3. Keep all harmful materials (drugs, tobacco, weapons, etc.) off the bus.
4. Keep all parts of your body and all objects to yourself and inside the bus.
5. Keep the noise level down and remain seated facing forward.
6. Keep the aisle clear and do not litter, write on, or damage the bus.

Bus riders are required to follow the rules posted within the bus. These rules can be summarized and following these four basic rules can substantially heighten the safety of each student:

1. Obey the driver at all times.
2. Stay in your seat when the bus is moving.
3. Keep hands, feet, and objects to yourself.
4. Keep the noise level down at all times on the bus.

#### Bus Misconduct Consequences

Appropriate conduct is expected at all bus stops and on the bus. Inappropriate behavior that creates a safety hazard, distraction to the bus driver, and/or infringes on the rights of other students will result in disciplinary consequences.

Application of bus misconduct consequences shall be determined at the discretion of the building principal, (WHO HAS THE AUTHORITY IN DETERMINING THE VALIDITY OF EACH BUS INCIDENT) and shall include, but not necessarily be limited to, the following consequences:  
(7.220=R -SCHOOL POLICY)

FIRST OFFENSE - Written warning from bus driver to the Principal. Parental warning and detention or loss of recess may be assigned.

SECOND OFFENSE – Written incident report from the bus driver to the Principal. Parental notification and detention or loss of recess will be assigned.

THIRD OFFENSE – Written incident report from the bus driver to the Principal. Parental notification and bus suspension up to 9 days.

FOURTH OFFENSE - Written incident report from the bus driver to the Principal. Parental notification and bus suspension up to 10 days. BUS EXPLUSION FOR REMAINDER OF THE SCHOOL YEAR MAY BE RECOMMENDED TO THE BOARD OF EDUCATION.

FIFTH OFFENSE - Written incident report form from the bus driver to the Principal. PARENTAL NOTIFICATION AND BUS EXPLUSION FOR REMAINDER OF THE SCHOOL YEAR WILL BE RECOMMENDED TO THE BOARD OF EDUCATION.

THE ABOVE OUTLINED PROCEDURES ARE ACCUMULATIVE PER SEMESTER. IN ADDITION, A STUDENT MAY BE SUSPENDED OR EXPELLED FROM THE BUS AT ANY TIME FOR GROSS DISOBEDIENCE OR MISCONDUCT.

Normal school attendance as outlined by the Illinois School Code is expected of all students. Students suspended from riding the bus must attend school or be considered truant.

NOTE: Bus riders are also subject to the rules applying to conduct on the school premises or at school events when using bus transportation.

### General Information

#### School Hours

The office is open from 7:45 AM - 4:00 PM daily. The school day for 6<sup>th</sup>-8<sup>th</sup> grade students is 8:00 AM–3:15 PM.

#### Attendance

All students are required by law to attend school each day it is in session. Punctuality and regularity in attendance relate positively toward school achievement. Irregular school attendance makes the student feel insecure and requires a period of readjustment that slows down learning.

Tardiness is a part of attendance. Students are required to be in class on time. A student will be considered tardy if he/she is not in the classroom with required textbooks and materials when the tardy bell rings.

Attendance is computed and recorded as follows:

Tardy - Absent one hour or less.

Absent ½ day - Absent one to three and one-half hours.

Absent all day - Absent more than three and one-half hours.

**Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.**

PARENTS OR GUARDIANS ARE TO CALL THE ABSENTEE REPORTING SERVICE AT 815-882-2800 x7 FOR THEIR CHILD PRIOR TO 10:00 A.M. THE DAY THE STUDENT IS ABSENT. IT WILL BE ASSUMED THAT THE STUDENT IS TRUANT UNLESS A PARENT/GUARDIAN CALLS BEFORE 10:00 A.M. ON THE DAY OF THE STUDENT'S ABSENCE. THE STUDENT WILL THEN RECEIVE AN UNEXCUSED ABSENCE.

If a student is absent from school, he or she is ineligible to attend any after school activities district wide on that day, without the approval of the principal.

A health certificate from a doctor is required for any of the following: contagious diseases, rashes, surgery, illness requiring a physician, absences of more than three days, and excuses from physical education classes.

When it is necessary for a student to be released from school before regular dismissal time, the parent or guardian must call prior to the student's release time. The student is required to report to the office for an early dismissal slip prior to leaving the building. This early dismissal slip is to be given to the teacher when the student leaves the classroom. The parent or guardian will pick up the student in the school office. Students must sign the Departure/Return sheet in the office when leaving or returning to school at irregular hours.

If there is a possibility of a student being absent for more than one day, the parent should make the school aware of this possibility and no further calls will be necessary. For extended absences, phone calls on the first day of the student's absence and the day of the student's return are all that is required.

In order to provide adequate preparation time, parents or guardians requesting textbooks and/or assignments during their child's absence should contact the office prior to 8:30 A.M. Textbooks and/or assignments can then be picked up after 2:45 PM and before 3:45 PM.

Parents may request and pick up assignments for their child when he/she is ill or unable to attend school. Additional assignments may be requested when the previous ones have been returned to the teacher for evaluation. Work not returned must either be made up or a grade of zero will be recorded.

### EXCESSIVE ABSENCES

To encourage students to attend school and class regularly, our attendance policy restricts students to a maximum of five absences per semester. The sixth absence per semester is considered excessive and may result in a loss of credit. All absences, excused and unexcused, will be included in the count.

The procedure outlined below has been developed to inform students and parents about possible attendance problems and to correct any problem before it results in a student losing the opportunity to receive credit.

Step 1: When a student has accumulated five (5) absences, excused or unexcused in one semester, a notice will be sent to the parents upon the occasion of the fifth absence.

Step 2: Upon the seventh (7<sup>th</sup>) day of absence in the same semester, a notice will be sent to the parents from the principal's office. The principal will contact the student and take appropriate steps to resolve the problem. These steps may include a family conference, referral to a truancy officer, or a referral to community supportive services. In addition, students will be required to provide verification of further absences.

Step 3: On the tenth (10<sup>th</sup>) absence each semester, a notice will be sent to the parents from the principal's office. The Principal will consider the reasons for these absences and appropriate remediation conditions may be assigned. If these remediation conditions are not met, every absence after the 10<sup>th</sup>, that is not deemed excused by the administration, will be considered unexcused and results in loss of credit for that day.

Out of school suspensions count as unexcused absences toward this ten-day total.

#### Consideration of absences after the 10<sup>th</sup> absence

Each absence after the 10-day limit will be recorded as unexcused unless deemed excused by the administration. Students with an unexcused absence will receive no credit for work assigned or completed on those specific days unless students produce official documentation of an appointment to the principal's office on the day they return to school – doctor, dental appointment, court papers, or other as deemed excused by the administration. **ABSENCES FOR AN EXTENDED PERIOD OF TIME FOR A VALID MEDICAL REASONS WILL BE BLOCKED AND COUNT AS ONE DAY ABSENT FOR THE PURPOSES OF THIS POLICY**

It is within the sole discretion of the junior high school administration to determine whether the student's absence is excused or unexcused. If a student is absent from school without valid cause then such truancy will result in loss of credit. Parents and guardians must provide reasons for student absences to the administration. The principal is the only person who can excuse absences.

#### Make Up Work

Excused absences require that the student make up any work missed. It is the responsibility of the student to get assignments from the teachers. Ordinarily, the amount of time allowed will be the length of the absence.

Unexcused absences require that the student do extra assignments, approximately double the length of the regular classroom assignment. Students will receive credit for these assignments when they are completed and given to the teacher.

#### Pupil Absences for Vacation

Students whose parents take them out of school to accompany the family on a vacation or business trip will not be penalized. When arrangements are made in advance between the parents and the teachers, no penalty shall be made to a student's grade other than that normally resulting from missing class work.

### Homework Requests During Absences

Homework assignments will be provided for students who are absent. Please contact the school prior to 8:30 a.m. with your request. Assignments will be ready for pick-up after 3:00 PM.

### Parent Advisory Committee

The Parent Advisory Committee (PAC) for Putnam County Junior High is a committee of parents' representative of each village in the county and each grade level in the school. The purpose of the PAC is to provide direct two-way communication between the school and the parents. The committee will meet once each grading period (quarter) of the school year. One third of the PAC will rotate off each year in order to provide opportunity for as many parents to participate as possible but still provide continuity for the committee. Parents who are interested in serving on the PAC are encouraged to contact the building principal.

### Response to Intervention (Rti)

The Putnam County Junior High Rti team exists to assist students with problems related to academics, attendance, behavior, social/emotional, and other health related issues. The team consists of a coordinator and several staff members working together to develop an action plan of appropriate helping resources. Students may be referred to the program by faculty, staff, parents, or they may refer themselves. The goal is to develop the student's skills so that they can be successful in their academic experience. The services provided to students take precedent over exploratory course work within the school day.

### Social Work

School social work services are available for all students and their families attending Putnam County Schools. Parents, students, or school staff may request social work service or consultation. All attempts will be made to coordinate services with the student's family, and parental consent will be required for ongoing services to students under the age of 12 years. School social workers provide individual, group, and classroom based services. Student/family confidentiality is a paramount concern of the school social worker.

### Incentive Days

On various occasions throughout the school year, students who have earned the opportunity may participate in Incentive Days. All students are expected to attend school on the Incentive Days as these days count as regular attendance days. If a student earns a detention, suspension, or expulsion, they are not eligible to participate on Incentive Days. If a student has excessive absences and/or excessive missing assignments prior to an Incentive Day, students may not be able to participate in order to catch up on missing work. Students who do not earn the reward or have make-up work to complete will be placed in a study hall.

### Media Center/Computer Labs

The media center and computer labs are important elements of the educational program at Putnam County Junior High School. These areas provide students with opportunities for leisure reading, research, use of audio/visual materials, computer use, etc.

Except for 5<sup>th</sup> hour, the media center/computer labs are open to students from 7:30 A.M. to 3:15 P.M. When classes are in session at other times during the school day, students must have a pass from the classroom teacher before students can precede to the media center or computer labs.

There will be a five cent charge, starting the day after it is due, when the fine gets to \$2.00 the student is delinquent and cannot check out another book until the fine is paid. If the fine hits \$5.00, PCAT blocks the student from checking out any books. If a book is lost or damaged a letter will be sent out, but the system again will block the student from checking out a book, until the book is paid for.

#### Authorization for Internet Access

Each year, employees and students in Putnam County C.U.S.D. #535 are required to sign the Acceptable Use Policy in order to have access to the Internet and/or use e-mail. Parents who want their child to have Internet access must sign, date, and return the form sent by the school each year. The form states the following:

I have read this Authorization for Internet Access. I understand that access is designed for educational purposes and that the District has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the District to restrict access to all controversial and inappropriate materials. I will hold harmless the District, its employees, agents, or Board members for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child's use is not in a school setting. I have discussed the term of this Authorization with my child. I hereby request that my child be allowed access to the District's Internet.

Misuse of the Internet and/or the computer lab may result in the loss of privileges and other disciplinary actions including but not limited to detention or suspension.

Any communication or materials created outside of school that are discussed, distributed, or brought into the school setting, or that substantially interfere with the educational process are subject to disciplinary action.

#### Cafeteria

The school cafeteria is maintained as a vital part of the health program of the school. A well-balanced lunch is offered at a reasonable price. All students go directly to the cafeteria at lunchtime. Students have the option of selecting three items from the meal for that day. Food is not to be taken from the cafeteria at any time.

Students can pay for lunches in the office before school from 7:30-8:00 a.m. each day that lunch is served. It is the student's responsibility not to lose his or her lunch money. The school does not permit and is not responsible for those students who lend lunch money to other students.

In the event that it becomes necessary for a student to charge his/her lunch, it must be paid the following school day. Should there be a third charge, the student is notified to bring a sack lunch until all charges are paid off and additional money needs to be put into the student's lunch account. Parents will also be notified of the charges as well. A cold sandwich or peanut butter sandwich will be provided if necessary. The cost of the school lunch is \$2.50 and breakfast costs \$1.60 per day. The cost of an additional milk is \$.40.

The use of the lunch program is a privilege. Repeated infractions of rules will jeopardize this privilege. Table manners appropriate for a public dining room are required. Food may not be traded or exchanged. When leaving the cafeteria, students form a single line to dispose of garbage. Glass bottles or cans are not allowed in the building.

#### Emergency School Closing/Inclement Weather

Schools may be closed unexpectedly due to severe weather, power failure, heating problems or for other reasons. In the event of an emergency, an attempt is made to notify as many homes as possible. The decision to close is made by the Superintendent and is based on information obtained from the local road officials, observations by the bus drivers, and personal inspections by the superintendent. Often this decision cannot be made much before the time buses are scheduled to leave in the morning.

Parents are encouraged to listen to local radio stations for information about the closing of school during inclement weather conditions. The following radio stations broadcast the information about the closing of school:

		A.M.	F.M.
WLPO/WAJK	LaSalle	Dial 1220	Dial 99
WIZZ/WSIQ	Streator	Dial 1250	Dial 98
WLRZ	Peru		Dial 101
WZOE	Princeton	Dial 1490	Dial 98.3

If there is no radio broadcast, consider that school will be in session. Please do NOT call the school office. It is important for school phone lines to remain open for important instructions and staff communications.

#### Lost and Found

Found articles are to be brought to the Lost and Found outside the office door. Students who have lost articles are to check to see if they have been turned in. Please put a nametag on your child's outer clothing, boots, and other supplies to help return any items that may have been found.

#### Withdrawals and Transfers

When students move from the District, parents must notify the school at least one day in advance. This allows time to complete transfer information for the school and get the parent's signature on the Release of Records and other required forms. Books must be returned to the teachers and any remaining fees must be paid in the office.

#### Accidents - First Aid - Illness

Our primary objective is to prevent accidents by close supervision. The school is equipped to render only minor first aid when accidents do occur. We are prohibited by law from going beyond this. Parents will be contacted and requested to come to school and assume the responsibility for any additional health care or decisions about what to do. Also, parents of students who become ill at school or are running a fever will be contacted to come for the child. The child must be fever free for 24 hours before returning to school. An Emergency Information form is sent home each year for the parents to correct and update. This information is essential when a child needs medical attention. Please keep the school informed of changes. In case of an emergency and a parent cannot be reached, the "Emergency Procedures" section will be followed. Please include in this section two names of adults who live in the District who can accept full responsibility for your child's care.

#### Asthma Medication and EpiPen

A student may possess an epinephrine auto-injector (EpiPen®) and/or medication prescribed for asthma for immediate use at the student's discretion, provided the student's parent/guardian has completed and signed a "Medication Administration/Consent Form" and "Asthma Inhaler or Epinephrine Auto injector authorization form.

The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel. Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

#### Medication At School

Illinois School Code, 105 ILCS 5/10-22.21 states, "It shall be the policy of the State of Illinois that the administration of medication to students during regular school hours and during school-related activities should be discouraged unless absolutely necessary for the critical health and well-being of the student."

It is the policy of the Board of Education that District personnel shall not assume responsibility for administering medications to students. If it is required that a student receive medication during the school day, the parent/guardian may visit school and administer the medication; if that is not possible, the Principal or his/her designee may administer the medication provided the school is given written instructions signed by the parent and the physician which contain the following information:

1. Student's name, name of medication, purpose, and duration
2. Time to be administered and dosage
3. Possible side effects of medication
4. Statement from the parent that the school will not be held responsible for any results of the medication.
5. How the parent/guardian wishes to retrieve the container(s) and/or any remaining medication at the end of the time during which it is to be administered.

Medication must be brought to/from school by the parent/guardian. When it is brought to school, it must be in the original container that should be clearly labeled. The name of the student and names and phone numbers of the physician and pharmacy shall be indicated on the container(s). All medications must be kept in the office for the student.

These instructions apply to administering over the counter medication as well.

Forms to complete the above requirements are available in the office of each school or on the district website.

#### Commencement Attire

Gowns are required for the commencement ceremony. Students are measured for gowns at the school and charged a fee for the gown. The gown becomes the property of the student upon payment. Students should dress appropriately under the gown.

#### Care of School Property

Parents and students are responsible for the proper care of all books, supplies, and furniture supplied by the school. Students, who disfigure property, break or do other damage to school property or equipment will be required to pay for the damage done or to replace the item.

#### Use of Telephone

Telephones in the school are for business purposes and may be used by students only in an emergency. A message from parents will be relayed or the student will be permitted to return the call. Except in emergencies, students (and teachers) will not be excused from class to come to the phone.

#### Personal Belongings

The school cannot be responsible for items such as electronic devices, I-Pods, gaming systems, cell phones, cameras, baseball cards, etc. Personal items not required for the school program are not permitted at school.

#### Lockers

All students are assigned book lockers, with combination locks. In order to protect possessions, students must comply with the following procedures:

1. Keep your combination a secret.
2. Keep your belongings in your own locker.
3. Be sure your locker is closed and locked when you leave it.
4. Keep your locker neat and clean, inside and outside.
5. Open and close your locker carefully. You are responsible for damage to the lock or locker.
6. No student is allowed to open the locker of another student.

#### Cell Phones

Cell phones have become an issue and a distraction during the school day. Students with cell phones at school should have them turned off and in their lockers during the school day to avoid unnecessary disturbances.

1<sup>st</sup> Offense = Warning and phone call home to parent about incident.

2<sup>nd</sup> Offense = Detention and parent picks up phone from school office.

3<sup>rd</sup> Offense = Detention/Suspension and parent picks phone up in the office. If this continues to be a problem, a parental meeting with administration will take place to discuss the issue behind the repeated misuse during the instructional periods of the day.

#### Locker and Desk Inspections

Lockers, desks, and other school property used for storing individual items must be used solely for storing items acceptable to the school. These areas may be inspected to ensure compliance with acceptable school use. Any inspection of the facilities will be made in a non-discriminatory manner. NOTE: Lockers and desks are school property and therefore subject to inspection at the discretion of school personnel.

#### Visitation

Parents are always welcome to visit Putnam County Junior High School. Parents should call in advance if a conference with a teacher or teachers is desired. The office needs to be notified if the parent intends to eat hot lunch. As required by the Illinois School Code, all visitors must report directly to the office before visiting any room or area of the building or campus. Students are not allowed to bring visitors to school as there is no apparent educational value to such visits and the educational process for enrolled students may be adversely affected.

## SEXUAL HARASSMENT POLICY

It is Board Policy to not discriminate on the basis of sex, marital status or pregnancy in District-operated or District-supported programs or activities. In addition, Board Policy prohibits sexual harassment or sexual intimidation of students by other students and District employees. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or school-related activities;
2. Submission to or rejection of such conduct by an individual is used as the basis for academic or other decisions affecting that individual; or

Individuals engaging in such prohibited activity shall be subject to disciplinary action up to and including expulsion from this institution as determined by such administrative or Board action as is required by Illinois Law or by Board Policy.

This policy applies to acts of sexual harassment by any member of one sex against a member of the opposite or the same sex at all levels of the school community (i.e., supervisor-subordinate, faculty-student, employee-peer, student-student). If you feel that you have been discriminated against, harassed or intimidated on the basis of sex, please contact the Principal or Superintendent.

## RECORDS ACCESS - FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. A parent/guardian or eligible student should submit to the Records Custodian, Principal, or other appropriate official, written requests that identify the record(s) they wish to inspect. The District official will make arrangements for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected. If the District official to whom the request was submitted does not maintain the records, that official shall advise the parent/guardian or eligible student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the parent/guardian or eligible student believes are inaccurate or misleading. A parent/guardian or eligible student may ask the District to amend a record that they believe is inaccurate or misleading. They should write the District officials responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent/guardian or eligible student, the District will notify the parent/guardian or eligible student of the decision and advise the parent/guardian or eligible student of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the parent/guardian or eligible student's education records, except to the extent that FERPA authorizes disclosure without consent. A school official is a person employed by the District in an administrative supervisory, academic, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the District has contracted (such as an attorney, auditor, or collection agent); or a person serving on the Board of Education. A school official has

a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. Upon request, the District discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

## **HEALTH/WELLNESS INFORMATION**

#### Accidents/First Aid/Illness

Safety is a top priority for students in Putnam County. Students are under close supervision throughout the school day. We are equipped to provide only minor first-aid when accidents do happen, and are prohibited by law from doing more than this.

Parents of students who are injured or who become ill (ie, fever) at school will be contacted to come for the student. The Registration Form contains a section which provides the office with emergency information, part of which must be the phone number of a person who preferably lives in Putnam County and could come to school for your child in an emergency. Current information is imperative; **please keep the office informed of any changes**. In the event of an emergency, the schools will always try to contact the parent/guardian FIRST. If the parent/guardian cannot be reached, the emergency information section on the registration form will be followed.

Deciding to keep your child home from school is not always easy. It is important for children to attend school; but when a child is truly sick, they need to stay home to get well and prevent spreading illness to others. Your child should not attend school if they have an illness that could potentially be contagious. This includes:

- any temperature at or above 100 degrees (your child can not return to school until they are fever free for 24 hours without the help of fever reducing medication)
- new or unusual wide-spread rash that could be contagious
- an open, draining wound that cannot be covered

- vomiting and/or diarrhea stools (if your child is sent home from school with either vomiting or diarrhea they should not return for 24 hrs after symptoms have stopped)
- continuous, hacky cough
- pink or red eyes with white or yellow drainage; matted after sleep

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases.

1. Parents are required to notify the school nurse if they suspect their child has a communicable disease.
2. In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent or guardian.
3. A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student's doctor stating that the student is no longer contagious or at risk of spreading the communicable disease.

### **Care of Students with Diabetes**

- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.

3. The school will provide instructions to parent or guardian regarding appropriate treatment for the infestation.
4. A student excluded because of head lice will be permitted to return to school only when the parent or guardian brings the student to school to be checked by the school nurse or building principal and the child is determined to be free of the head lice and eggs (nits). Infested children are prohibited from riding the bus to school to be checked for head lice.

### **Health Examinations and Immunizations**

All students are required to present appropriate proof of a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

1. Entering preschool and kindergarten;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school for the first time, regardless of the student's grade.

The exam must be completed on the Illinois Certificate of Child Health Examination form, which includes a lead screening for students under seven and a diabetes screening. Immunizations must be obtained as required by the Illinois Department of Public Health Rules and Regulation (Title 77, Part 665, Section 665.240).

Failure to comply with the above requirements by October 15th of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements.

Eye Examination-All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year.

Dental Examination-All students entering kindergarten, second and sixth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months.

Please check with the school nurse if you have questions regarding immunization and health requirements.

### **Medication at School**

Illinois School Code, 105 ILCS 5/10-22.21 states, "It shall be the policy of the State of Illinois that the administration of medication to students during regular school hours and during school-related activities should be discouraged unless absolutely necessary for the critical health and well-being of the student." When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "School Medication Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

- All medications must be transported to and from school by an adult
- Medication must be in original container with student's name clearly marked
- All medication forms must be renewed yearly
- The parent/guardian is responsible for picking up extra medication at the end of treatment and/or school year. Medication left at the end of the school year will be disposed of properly by the school
- Antibiotics or other short-term medication that is given 3 times a day or less will not be given at school

### **Self-Administration of Asthma Inhalers and Epinephrine Auto-injector:**

A student may possess an epinephrine auto-injector (EpiPen®) and/or an asthma inhaler prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form and Asthma Inhaler or Epinephrine Auto-injector Authorization Form. An Asthma Action Plan should also be requested from your child's doctor. The school and district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must agree to indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising

out of a student's self-administration of an epinephrine auto-injector and/or asthma inhaler, or the storage of any medication by school personnel.

Forms to complete the above requirements are available in the office of each school and on the school website.

Additionally, students are not required to participate in such instruction and parents or guardians, upon written request, may disallow their child from this instruction.

Students will not be required to take or participate in any class or course in comprehensive sex education if his or her parent or guardian submits a written objection. The parent or guardian's decision will not be the reason for any student discipline, including suspension or expulsion. Nothing in this Section prohibits instruction in sanitation, hygiene or traditional courses in biology.

Parents or guardians may examine the instructional materials to be used in any district sex education class or course.

### **Snacks and Birthday Treats**

Due to health concerns and scheduling, treats and snacks for any occasion must be arranged in advance with the classroom teacher. All treats and snacks must be purchased/prepackaged. No homemade treats or snacks are allowed at school. Treats and snacks must have a clearly printed list of ingredients on the packaging. We strongly encourage you to select a treat or snack with nutritional value.

### **Student Biometric Information**

Before collecting biometric information from students, the school must seek the permission of the student's parent/guardian or the student, if over the age of 18. Biometric information means information that is collected from students based on their unique characters, such as a fingerprint, voice recognition or retinal scan.

### **Students with Food Allergies and Chronic Illness**

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the building principal or school nurse at (815) 882-2800.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.

Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

### **SUSPICION-BASED DRUG AND ALCOHOL TESTING POLICY**

The Board of Education recognizes that drug and/or alcohol testing of an individual student may be appropriate when there are reasonable grounds to suspect that the student is violating the Board of Education's policy prohibiting the possession or use of drugs or alcohol while on school grounds or at a school-related activity. The Board of Education authorizes drug and alcohol testing of students based upon such reasonable suspicion of drug and alcohol use.

The Administration shall establish rules and regulations to implement this policy in compliance with applicable laws governing drug and alcohol testing of students.

The purposes of Putnam County Community School District No. 535's Suspicion-Based Drug and Alcohol Testing Policy are 1) to protect the health and safety of students 2) to enforce the Board of Education's policy prohibiting the possession or use of drugs or alcohol by students on school grounds or at school-related activities and 3) to offer counseling at the parents' expense as an alternative to punitive action for first time offenders.

II. Definitions

A. Reasonable Suspicion is a reasonable belief that a student is violating a school rule regarding the possession or use of drugs or alcohol; reasonable based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the student. The observation may relate to the chronic and withdrawal effects of controlled substances.

B. Prohibited Substances are substances prohibited under the District's Student Discipline Policy.

B. Testing Procedures

1. The principal or District administrator may request that the student submit to a Breathalyzer test to determine if there is any alcohol in the student's system.

2. If the student consents to the test, the test will be performed by a private service provider trained in administering the test. Two District employees shall observe while the test is administered.

3. A student who refuses to undergo a breathalyzer test may be disciplined in accordance with Board Policy, based upon the facts giving rise to reasonable suspicion that the student has violated Board Policy which may include the following:

- b. Suspension
- c. Expulsion
- d. Alternative /Safe School recommendation
- e. Or any combination of any of the above

A. Reasonable Suspicion

When a District employee has reasonable suspicion to believe that a student is under the influence of drugs in violation of Board Policy, the employee shall report the student to the principal or District administrator.

B. Testing Protocol

1. The District will select St. Margaret's Hospital or any of their affiliated agencies. They are to follow the standards for drug testing established by the Clinical Laboratory Improvement Act (CLIA) and its implementing regulations and be certified by the Joint Commission of Accreditation of Healthcare Organizations (JCAHO) or a comparable accrediting organization.
2. The selected laboratory will provide training and direction to those who supervise the testing, set up the collection environment and supervise the chain of custody of specimens.
3. After it is collected by St. Margaret's and turned over to the testing laboratory, each specimen shall be tested for the presence of prohibited substances.

C. Testing Procedures

1. The student will be required to provide a urine sample according to the quality control standards and policy of the laboratory conducting the urinalysis. The principal or District administrator will escort the student to the collection site. The student will not be allowed to go to his/her locker prior to testing.
2. Before submitting the specimen, the student will fill out, sign and date any form, which may be required by the testing laboratory. The form shall state that if a student chooses, he/she may notify the principal or District administrator or tester that he/she is taking prescription medication, or of other circumstances which may affect the results of the test.
3. A sanitized kit containing a specimen bottle will be given to the student. The bottle will remain in the student's possession until a seal is placed on the bottle. The student will sign a form confirming that the specimen has been sealed. Only the laboratory personnel testing the specimen may break the seal.
4. The person administering the test will be of the same gender as the student providing the sample. Each student will be asked to remove his/her coat and wash his/her hands in the presence of the test administrator prior to entering the restroom stall. The door of the stall will be closed so that the student is by himself/herself while providing the specimen. The test administrator will wait outside of the restroom stall. The student will have two minutes to produce a specimen. The toilet will contain blue dye so the water cannot be used to dilute the sample.
5. The student will remain at the collection site until the student has produced an adequate specimen. If unable to produce a specimen, the student will be given up to 24 ounces of fluid. If still unable to produce a specimen within two hours, the student will be taken to the principal's office and disciplined according to Board policy. In addition, the parent/guardian will be telephoned and informed that the student is unable to produce a sample for the testing procedure.
6. If tested at school, after the student has produced a specimen, lab personnel will seal and transport the specimen to the testing laboratory. Testing can also be held at St. Margaret's or any of their affiliated agencies.
7. If tested at school, a specimen is deemed invalid if its seal is tampered with or broken after leaving the student's possession and before arriving at the lab. If a specimen is deemed invalid, the student will be asked to provide another specimen as soon as possible.

D. Confidentiality

1. In order to maintain confidentiality, urine specimens will not be identified by the name of the student who provided the specimen. The container will be identified through a random identification number. The results of the urinalysis will be mailed back to the principal or District administrator with no student name attached; only the random identification number will appear on the results sheet.
2. Positive test results will be disclosed on a "need to know" basis to school personnel.
3. School personnel with knowledge of drug test results shall not disclose the test results except as may be required to enforce this policy.

E. Notice of Test Results and Consequences

The student and his/her parent(s) or guardian(s) may submit any additional information challenging the positive test result. The student and his/her parent(s) or guardian(s) may also challenge the test results by requesting that a certified laboratory of their choice, at their expense, test the urine specimen again.
2. If the urinalysis indicates the presence of prohibited substances in the student's system, the student shall be referred for discipline as provided by Board Policy which may include the following:
  - a. Successful counseling from an approved provider by the administration.
  - b. Suspension
  - c. Expulsion recommendation

RANDOM DRUG TESTING OF STUDENTS PARTICIPATING  
IN EXTRACURRICULAR ACTIVITIES  
GRADES SIX THROUGH TWELVE

Students who avail themselves of the privilege of participating in grade six through grade twelve extracurricular activities in Putnam County School District 535 act as representatives of the District, and are viewed as leaders within the school and community.

To protect the health and safety of students engaging in extracurricular activities and to insure that student leaders and School District representatives maintain high standards of conduct, it is the policy of Putnam County School District to require that students submit to random drug, alcohol or tobacco testing as a condition of participating in extracurricular activities. The Administration shall establish rules and regulations implementing this policy.

Nothing in this policy precludes administering a drug, alcohol, or tobacco test to a student participating in extracurricular activities based on reasonable suspicion that the student is violating the Board of Education's policy prohibiting drug or alcohol use. Any drug, alcohol, or tobacco test on the basis of reasonable suspicion conducted shall be performed in accordance with the test procedures specified in the rules implementing this policy.

ADMINISTRATIVE PROCEDURES  
RANDOM DRUG TESTING OF EXTRACURRICULAR  
PARTICIPANTS IN GRADES SIX THROUGH TWELVE

I. Purposes

Putnam County School District recognizes that there is a high incidence of alcohol and drug abuse by students nationwide, which is in epidemic proportion. We also recognize that some Putnam County students, and in particular, participants in extracurricular activities have used alcohol and have or will experiment with illegal drugs, alcohol and/or

tobacco during their school years. Because participants in extracurricular activities are especially respected in our society and held in high esteem by our student body, they are expected to be good examples of conduct, sportsmanship, and training, which includes abstaining from the use of drugs, alcohol, and tobacco. Moreover, participants in extracurricular activities who use illegal substances can be a danger to themselves both in and out of the extracurricular activity.

In order to provide for the health and safety of the individual participant and other participants, as well as, to provide a legitimate reason for the students to say “NO” to drug and alcohol use and to provide an opportunity to those taking drugs to receive help in locating programs that can provide assistance, Putnam County High School and Junior High School will conduct a random drug testing program for extracurricular participants. The program is not designed to be punitive. It is designed to prevent drug, alcohol, and tobacco use, to educate student extracurricular participants as to the physical, mental, and emotional harm caused by drug, alcohol, and tobacco use/abuse, to create and maintain a safe and drug free environment for students and to assist them in getting help when needed.

Our purpose of this policy is to deter the use of prohibited substances and to protect the health and safety of students. Another purpose is maintaining high standards of conduct for extracurricular participants as role models and representatives of the District. It is not designed to provide a means that the school may use to discipline a student other than by disqualification from participation in extracurricular activities. Accordingly, the results of any drug test administered under this policy shall be used only for determination of eligibility to participate in extracurricular activities and for no other disciplinary purposes.

## II. Definitions

A. Extracurricular Activities (are) school sponsored activities outside of the regular school day, conducted by and representing Putnam County Schools where participation is voluntary, no academic credit or grades are awarded, and are competitive or performance in nature in grades 6-12, including but not limited to the following list of extracurricular activities: Junior High School Athletics, Scholastic Bowl, High School Activities, Band and Choral competition, Scholastic Bowl, drama contest, drama performance, cheerleading, Panteras, and FFA competition teams.

B. Extracurricular Participant (is) any student who is trying out for or participating in any school activity listed above.

C. Prohibited Substances are substances that are prohibited under the District’s Student Discipline Policy or defined by criminal statute of the State of Illinois, alcohol and tobacco.

D. Self-Reporting is the process of a student voluntarily coming forward and seeking help for a problem with an illegal drug, alcohol, or tobacco.

## III. Consent

A. Consent Form – To try out for or to participate in any school sponsored extracurricular activity, the student must read this policy and sign a consent form by which the student agrees that as a condition of participation in extracurricular activities, he/she (hereafter “the participant”) will consent to the substance testing program outlined in this procedure. The parents or guardians of the student will be informed of the policy and procedures of the testing program and an open sign up period designated to extend until the beginning of the school year. Students deciding to try out or participate in an extracurricular activity after the first day of school will be required to be tested at the parent/guardian expense after the signed consent form is returned. This testing will occur on the next scheduled testing date; the participant will remain eligible for testing for the remainder of the school year (see non-initial consent).

B. Student Transfers – A student that transfers into Putnam County Schools will be provided a copy of this policy. Transfer students and their parents will be given a reasonable period of time (not to exceed five school days) to determine whether or not the student intends to participate in the activities described. If within that period of time the student decides to participate then a consent form must be signed. The student is then eligible and the name will be entered into the pool of names and remain subject to testing throughout the year.

C. Non-Initial Consent – Students deciding to participate after the initial sign-up deadline will be required to be tested at the parent/guardian’s expense after the signed consent form is returned. This testing will occur on the next scheduled testing date. The participant will remain in the testing pool for the remainder of the school year. The student will become eligible for participation four weeks after the testing date.

D. Re-consent – Should a student decide to resume participating in any extracurricular activity or activities, such student shall be treated as a student who decides to participate after the initial sign up period.

E. Withdrawal of Consent – Consent for participation may be withdrawn under the following conditions:

1. Should a student be unsuccessful in trying out for a team or activity under the tryout procedures of the school choose not to be involved in any other activity for the remainder of the school year, the parents/guardians shall send a letter requesting the removal of the student’s name from the random list.

2. Should a senior student choose not to be a participant in any additional qualified extracurricular activities for the remainder of the student's career, the parents/guardians shall send a letter so indicating and request removal from the random list.

F. Self-Reporting – Student self-reporting is a process designed to allow a student to recognize a prohibited substance problem and bring it to the attention of staff and/or an administrator. Under this policy a student received no consequence for self-reporting but must undergo a substance abuse assessment and counseling. This is a non-punitive referral. However, once a student is randomly selected the self-reporting process is no longer an option. Second and subsequent self-reports will be reviewed individually in regard to the basis for the self-report, this policy and the extracurricular code.

#### IV. Testing Protocols

A. The District will select a laboratory that follows the standards for drug testing established by the Clinical Laboratory Improvement Act (CLIA) and its implementing regulations. The Joint Commission of Accreditation of Healthcare Organizations (JCAHO) or a comparable accrediting agency must also certify the laboratory.

B. The selected laboratory will provide training and direction to those who supervise the testing program, set up the collection environment and supervise chain of custody of the specimens.

C. After it is collected and turned over to the testing laboratory, each specimen will be tested for the presence of prohibited substances.

D. Students may be tested for nicotine, alcohol, or illegal substances.

#### V. Testing Procedures

A. Students participating in extracurricular activities periodically will be subject to random testing for illegal substances throughout the school year. Students will not be given advance notice of the drug testing.

B. Each student will be assigned a number. The principal or District administrator will select a random amount of the students periodically for drug testing. Student identification numbers will be selected by the testing facility.

C. Each student selected, will be required to provide a sample according to the quality control standards and policy of the laboratory conducting the tests. The principal or District administrator will escort the student to the collection site. The student will not be allowed to go to his/her locker before testing.

D. Before submitting a specimen, the student will fill out, sign and date any form that may be required by the testing laboratory. The form shall state that if a student chooses they may notify the administrator that they are taking prescription medication, or of any other circumstances that may affect the outcome of the test.

E. For urine samples a sanitized kit containing a specimen bottle will be given to each student. The bottle will remain in the student's possession until a seal is placed on the bottle. The student will sign a form stating that the specimen has been sealed. Only the laboratory personnel testing the specimen may break the seal.

F. When obtaining a urine sample the testing personnel administering the test will be of the same gender as the student providing the sample. Each student will be instructed to remove his/her coat and wash his/her hands prior to entering the restroom. The door to the restroom will be closed so that the student is alone in the stall while providing the specimen. The principal and testing personnel will wait outside the restroom. The student will have two minutes to produce a urine sample. The toilet will contain a blue dye so the water cannot be used to dilute the sample.

G. Selected students will remain at the testing site until each student has produced an adequate specimen. If unable to produce a specimen, the student will be given up to 30 ounces of fluid. If still unable to produce a specimen after three hours, the student will be taken to the principal's office and told that he/she is no longer eligible to participate in extracurricular activities. In addition, the parents/guardian will be informed that the student is unable to produce a sample for the testing procedure and that he/she may be tested at a later date to be reinstated for eligibility testing (eligibility?).

H. After the student has produced a specimen, lab personnel will seal and transport the specimen to the laboratory.

I. A specimen will be deemed invalid if its seal is broken or tampered with after leaving the student's possession and before arriving at the lab. The student will be asked to provide an additional sample as soon as possible. The student will remain eligible for extracurricular activities pending the completion of the testing.

#### VI. Noncompliance

If the extracurricular participant or his/her parents/guardians refuse to sign the consent form for substance abuse testing, the student will not be permitted to be a member of the activity until the consent form is signed. Also, if the

extracurricular participant refuses to be tested or does not complete the test as instructed, the participant will be considered in violation of this policy and automatically be ineligible as a participant until testing is completed.

VII. Confidentiality

The results of any test administered under the terms of this policy shall be kept confidential and disclosed only to the participant, his/her parents/guardians, and school officials designated by the superintendent. The results of the testing shall not be used as a basis for any disciplinary action other than disqualification as provided for in the extracurricular code of conduct. The test result will not be part of the participant's extracurricular file or permanent record but will be kept in a secure file in the principal's office. The results of testing, whether negative or positive, will be kept until the student graduates. At that time all results/ records of this policy related to the individual will be destroyed.

Under this testing program, no staff member, coach or sponsor shall divulge any information to anyone about a particular student or disposition of the student involved, other than by order of a court of competent jurisdiction.

VIII. Random Selection of Participants for Testing

At the beginning of each school year, each participant shall be assigned a number by the principal or his designee. The selection of the numbers will be computer generated and will include an M or F for male/female designation of students to help with staffing needs for the tests. Students will be eligible for random testing throughout the school year. The student number will be selected and the students tested in the order of selection.

IX. Notification of Participation Selection/Absence

The selected participants will be notified to report to the Principal's office on the day of the test. The student will then be escorted to the test site. If the student is absent from school, and the absence is unexcused, the student will be ineligible for competition until the next testing date; the participant will automatically be tested on the next date. If the absence is excused, the participant will remain eligible for practice and competition but will automatically be tested on the next date. After testing, a participant's number will be returned to the testing population and subject to reselection during the next testing cycle. Participants will be subject to random testing throughout the school year.

X. Testing Results

A. The principal or District administrator will provide notice of positive test results to the affected student and to his/her parents or guardians if the student is a minor.

B. The student and his/her parents or guardians may submit any additional information challenging the positive test result. Requesting that a certified laboratory, at their expense, test the specimen again may also challenge the results.

C. If the positive result is not challenged or is verified upon retesting, the principal or District administrator will meet with the student and his/her parents or guardians, if the student is a minor. At this meeting the student and his/her parents or guardians will be informed of the results and given a list of substance abuse counseling and assistance agencies.

D. Also at this meeting, the principal or administrator will inform the student, and his/her parents or guardians if the student is a minor, of the consequences for the first positive drug test as follows:

1. The student will be declared ineligible from participation as outlined in the extracurricular code.

2. The period of ineligibility may be held in abeyance or reduced by half during a probationary period during which the parents may choose to enter their child in a counseling program.

3. A second or third positive test will result in the automatic imposition of the consequences described in the Extracurricular Code of each school.

E. If at any time during the testing the student refuses to submit to the testing and/or follow the procedures provided for in this policy the student will be suspended from participating in extracurricular activities. This would be viewed as the equivalent of a positive test.

F. All students who test positive for prohibited substance must test again with a negative result prior to becoming eligible to participate.

XI. Financial Responsibility

A. The District will pay for all initial random tests, all initial reasonable suspicion tests and all initial follow-up tests necessitated by an invalid specimen. If a student and his/her parents challenge the test results and request a follow-up test, that test will be the financial responsibility of the student and his/her parents or guardians.

B. Counseling and subsequent treatment by non-school agencies is the financial responsibilities of the student and his/her parents and guardians.

C. Subsequent tests to regain eligibility are at the expense of the parent/guardian.

XII. Non-Participants

Any parent or guardian of a District student who is not involved in extracurricular activities may have the option of enrolling that student in this random substance-testing program. The student will be subject to all the policies and procedures contained herein. All testing for non-participants will be at the expense of the parents/guardians.

XIII. Compliance With Other Rules

Rules issued by athletic associations, school sponsored organizations or other entities, which regulate Putnam County School District's extracurricular activities, shall be enforced in conjunction with this policy. Any student who violates a rule or requirement as a member of a team or an activity will be subject to the consequences as defined in the applicable rules.

XIV. Severability

If any section of this policy cannot be enforced according to its terms, that section will be severed and will not affect the enforceability of the remainder of this policy.
