# Le Grand Union Elementary School District

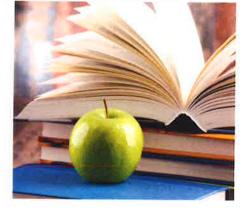

# Principal's Message

At Le Grand Elementary School, we strive to prepare all students for the 21st-century demands of college and career. We do so in a learning environment that is safe and positive and values respect and responsibility.

Our staff works hard daily to provide a rigorous academic curriculum supported by supplemental assistance to students who are achieving below grade level. In addition, we offer a variety of extracurricular activities to meet the vast interests of our student body and highly encourage all students to become involved.

We have been trained in and work together to implement a schoolwide behavioral support system called Positive Behavioral Interventions and Supports (PBIS). PBIS establishes a social culture and individualizes the behavioral supports for each student.

We believe that staff, students and parents are a team, and by working together, we can strive toward meeting our goals. We encourage parents to be actively involved in their child's education. We truly believe that your involvement will have a lasting impact. We welcome you and encourage you to participate in as many activities as possible.

#### Core Values

In the Le Grand Union Elementary School District, we value our...

#### Scholars -

We believe all scholars should feel safe and cared for.

We believe all scholars can learn at high levels.

We believe all scholars should have the opportunity to expand and enrich their learning.

We believe all scholars have unique needs and strengths that need to be addressed.

#### Staff -

We believe all staff members should feel safe and cared for.

We believe all staff members should be treated with, and treat others with, fairness and respect.

We believe all staff members should be highly trained and proficient.

We believe all staff members are a valued member of this learning community.

#### Community -

We value the vital role of the parent/guardian as their child's first and most important teacher.

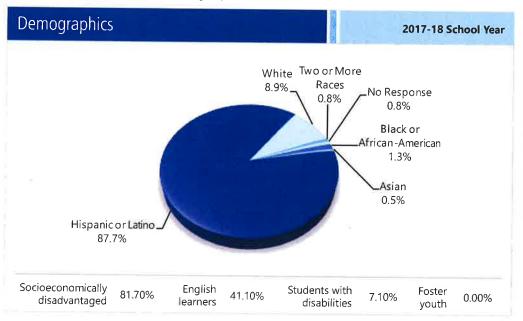

We value the cultures and traditions of our community.

We value accessibility and open communication.

We value partnerships with our community.

# Enrollment by Student Group

The total enrollment at the school was 382 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

#### School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

#### School Mission Statement

A Community Committed to Nurturing Confident Scholars.

#### School Vision Statement

Le Grand Union Elementary School District is a community of highly trained professionals committed to ensuring every scholar is adequately prepared for college and/or career by providing engaging and relevant instruction in a safe and nurturing environment.

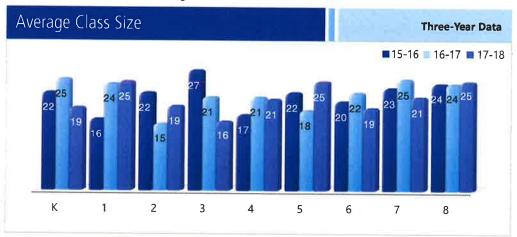

### Governing Board

#### Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

#### School Safety

Safety of students and staff is a primary concern of Le Grand Union Elementary School. Through the curriculum, instruction, and discipline policies students are provided both a safe and positive learning environment. Le Grand Elementary School maintains an excellent rapport with the Merced County Sheriff's department in issues of campus safety. The campus is properly supervised before and after school, and during breaks by teachers, administrators, and the campus supervisors.

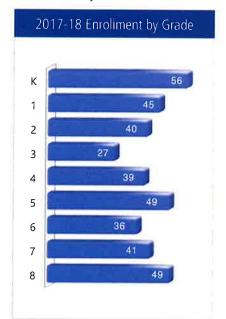

California Education Code Section 32286 requires our school site to review and update its school safety plan, which must be developed and written by a School Site Council (SSC) or its designated Safety Planning Committee in collaboration with teachers, classified staff, parents, and first responders to ensure we are up-to-date and complete. Our plan contains policies and procedures addressing critical issues including: disaster preparedness; crisis response; mental and physical health; earthquake emergencies; school learning environment; discipline, suspension, and/or expulsion; hate crime reporting; child abuse reporting; release of a pesticide or toxic substance; and more.

Emphasis on the importance of including mental health programs in the school safety plans has increased over recent years. SSCs and/or Safety Planning Committees have worked with county mental health program providers to develop policies to refer children who may have mental health issues to the appropriate services. Partnerships between Le Grand Elementary, families, and our community can help address the mental health needs of students as a strategy in school safety planning.

The school safety plan was last reviewed, updated and discussed with the school faculty in February 2019.

#### Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

# CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

#### California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

- 1. Aerobic Capacity
- 4. Abdominal Strength and Endurance
- 2. Body Composition
- 5. Upper Body Strength and Endurance
- 3. Flexibility
- 6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

# California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

California Alternate Assessments (CAA) test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

#### **Smarter Balanced Assessments**

include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit www.cde.ca.gov/ta/tg/ca.

#### CAASPP by Student Group: English Language Arts/ Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-8.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### Textbooks and Instructional Materials

Pursuant to the settlement of Williams vs. the State of California, Le Grand Union Elementary School thoroughly inspected each of its classrooms at the start of the 2018-19 school year to determine whether or not each class had sufficient and good quality textbooks and instructional materials. All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Education.

All textbooks at Le Grand Union Elementary School are in adequate supply and fair to excellent condition. The school and district place great emphasis on providing students with the most up-to-date, standards-aligned textbooks and instructional materials.

Main textbooks utilized within the district are listed below.

Textbooks and Instructional Materials List		2018-19 School Year

#### Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

#### Quality of Textbooks

The following table outlines the criteria required for choosing textbooks and instructional materials.

Quality of Textbook	s
2018-19 School Year	1
Criteria	Yes/No
Are the textbooks adopted from the most recent state- approved or local governing board-approved list?	Yes
Are the textbooks consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education?	Yes
Do all students, including English learners, have access to their own textbooks and instructional materials to use in class and to take home?	

### Currency of Textbooks

# School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status	2018-19 School Year
Items Inspected	Repair Status

Safety: Fire safety, emergency systems, hazardous materials	Good
Structural: Structural condition, roofs	Good
External: Windows/doors/gates/fences, playgrounds/school grounds	Good
Overall summary of facility conditions	Good
Date of the most recent school site inspection	8/14/2018
Date of the most recent completion of the inspection form	8/14/2018

# Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies an	d Repairs	018-19 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
Interior	Some warping walls in classrooms and rust on bathroom fixtures. All identified items were reported to the director of facilities and scheduled for repair.	2018-2019 school year.

#### Parental Involvement

Le Grand Elementary parents have numerous opportunities to be involved in the school. Parents have access to the school website, app, and social media accounts where photos of events and announcements are posted daily. Additionally, parents can serve on the English Language Advisory Council (ELAC), School Site Council (SSC) and Parent Booster Club. Parent workshops are offered monthly where parents and students are invited to create a craft and listen to experts in the areas of study skills, bullying, proactive parenting strategies, and helping your child with homework, just to name a few. Parent support classes are offered periodically through the school counselors office designed to target specific skills necessary to help students and families thrive. In partnership with the Le Grand High School District, the Parent Institute for Quality Education (PIQE) will be offered in the Spring of 2019. Finally, family engagement activities occur monthly. Events such as Back-to-School Night, Trunk-or-Treat, Movie Nights, Craft Nights, Winter Festival, and Open House, are designed to provide families an opportunity to interact with other families and school staff in a more informal setting. Le Grand Union Elementary School District is the center of town and we value our families and communities greatly. Parents are always welcome! Contact parent club president, Charlie Herrera through the school office at (209) 389-4515.

#### School Facilities

Le Grand Elementary School was built in 1953. On an average day, 400 students and staff occupy our school. The overall condition of our buildings is good. Our school grounds are well-groomed, and our front parking lot was recently paved. We employ seven janitorial staff members who work during and after school hours. Our classrooms, maintenance buildings, projects office, and staff workroom have ample shelving and storage, and our portable classrooms are in moderate condition. Most portables have new roofs. Our campus includes an updated security system. Light filters in the new library/ multimedia center provide excellent lighting, while classroom lighting is sufficient. The boys' and girls' primary restrooms are in good repair.

The district has a security gate installed at the front of the school and has updated and expanded the video security monitoring system. The district encourages attendance for all students. Students who earn perfect attendance monthly are rewarded with a perfect attendance party. Being respectful and responsible are traits expected of all students. Students are rewarded with Viking shields when they are caught being respectful and responsible. The school library is open daily. Classrooms in grades K-6 have scheduled weekly visits. Grades 7-8 schedule visits as needed. Our automated system allows students, parents and staff to locate books, videos, e-books and teacher resources. We allocate funds to improve the library collection each year.

We have 400 Chromebooks available for student use, which means that, on average, there is one device for every student. There are 19 classrooms connected to the internet. Students have access to Google Apps and PowerPoint programs and the Waterford, which helps with reading, math, Science and English.

The ACES afterschool for Education program provides a safe afternoon environment and offers homework help, tutorials and enrichment classes.

#### **Teacher Qualifications**

This table shows information about teacher credentials and teacher qualifications. #### Professional Development

The primary area of focus for staff development at Le Grand Elementary School has been the implementation of Common Core State Standards in English language arts and English language development and math with additional training on strategies to improve teaching and learning for English learner students. The Jr. High Science department has attended training on the Next Generation Science Standards, and newer teachers have trained with Beginning Teacher Support and Assessment (BTSA) support and coaching. Teachers have also been given the opportunity to attend workshops and trainings of their choice in their specific grade levels or content areas in and out of the district.

Teachers and staff are trained for continuous instructional improvement using the Instructional Rounds process, with support from the Central Valley Educational Leadership Institute and staff from Merced County Office of Education.

In addition to the days dedicated to staff development, teachers attend training using substitutes to cover their classrooms and attend after-school training that extend beyond their contracted day.

#### Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

#### District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at http://dq.cde.ca.gov/dataquest. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2018.

#### Types of Services Funded

The Le Grand Elementary Parents Club network holds fundraisers to support our programs. The club's main fundraiser supports our field trips, athletic programs, outdoor education camp, Academic Pentathlon, and a variety of other projects.

Unrestricted sources fund the basic programs. Teacher salaries, instructional materials and basic operating expenses are paid for with these funds. Restricted funds are used to provide supplemental services such as reading tutorial from the reading specialist, instructional aides in the classrooms and after-school academic tutoring.

#### School Financial Data

The following table displays the school's average teacher salary and a breakdown of the school's expenditures per pupil from unrestricted and restricted sources.

School Financial Data		
2016-17 Fiscal Year		
Total expenditures per pupil	\$12,464	
Expenditures per pupil from restricted sources	\$2,504	
Expenditures per pupil from unrestricted sources	\$9,960	
Annual average teacher salary	\$70,761	

#### **Expenditures Per Pupil**

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.
