Adoption, Amendment, and Repeal

Bylaws and policies may be adopted, amended, and repealed at any meeting of the Board, provided the proposed adoption, amendment, or repeal has been proposed and approved at a previous meeting of the Board.

The Board may at its organization meeting and by a majority vote of those present and voting readopt existing bylaws and policies without prior notice.

The Board may, under emergency circumstances, suspend the operation of a bylaw or policy and adopt, amend, or repeal a bylaw or policy without prior notice. The emergency adoption, amendment, or repeal of a bylaw or policy shall terminate at the next meeting of the Board or at such earlier date as may be specified by the Board unless further acted upon by the Board.

The adoption, amendment, repeal, or suspension of a bylaw or policy shall be recorded in the minutes of the Board. Any policy or part of a policy that is superseded by a term in a negotiated agreement or by a subsequently adopted policy shall no longer be in force and effect as a policy.

Bylaws and Policies

The manual retained by the Superintendent shall be considered the master copy of the policy manual and shall not be modified by any person other than the Superintendent or his/her designee.

Development of Bylaws and Policies

Bylaws and policies will be developed and considered by the Board in accordance with the following procedure:

1. A new or revised bylaw or policy may be suggested to the Board by any Board member, the Superintendent, any staff member, or a member of the public;
2. A suggestion for a new or revised bylaw or policy may be referred, at the discretion of the President and as appropriate to the subject, to the Superintendent, a Board committee, or a public advisory committee for study and formulation of a recommendation to the Board. Any study of a policy suggestion should consider whether the matter is adequately addressed in existing Board policy and whether the matter is more appropriately addressed by administrative regulation;
3. If a recommendation for a new or revised bylaw or policy results from referral for study, a proposed draft will be submitted to the Board for discussion and approval on first reading. Copies of the proposed draft will be made available to staff members and the public, and comment will be invited. Changes in the draft may be made, by a simple majority vote, when the draft is presented for approval on first reading;
4. The proposed draft, approved on first reading, will be submitted for adoption at the next regular meeting of the Board. Changes in the draft may be made by a simple majority vote. A change that alters the substantive meaning of the draft will constitute a new first reading, and the draft must be presented for adoption at the next succeeding Board meeting. A change that is merely editorial may be followed by a vote to adopt the new or revised bylaw or policy on second reading.

BOARD MEMBER PARTICIPATION IN COMMITTEE MEETINGS
BY TELECONFERENCING OR VIDEO-CONFERENCING EQUIPMENT

0155.01 BOARD MEMBER PARTICIPATION IN COMMITTEE MEETINGS
BY TELECONFERENCING OR VIDEO-CONFERENCING EQUIPMENT

Policy Intent

While the Board strongly encourages members to participate in committee meetings in person, there may be occasions when a committee member cannot physically be present at the meeting, but he/she nevertheless wishes to fully participate in the discussion. Therefore, due to advances in technology, the Board hereby wishes to allow its members, within reason, to participate in committee meetings by teleconferencing or videoconferencing equipment (or by other comparable technological means), subject to conditions set forth in this Policy and at the discretion of the Board President based upon recommendations from the committee chairperson.

This Policy does not apply to duly convened meetings of the Board which are attended by a quorum of the Board, negotiations sessions where the Union is present or personnel committee meetings.

Conditions for Participation

The following conditions must be satisfied before a member is allowed to participate in a meeting remotely through the use of technology. However, satisfying these conditions do not guarantee that permission will be granted:

1. If a committee member cannot participate in a committee meeting due to family, business or personal reasons (hereinafter referred to as “good cause”), he or she shall notify the committee chair at least forty-eight (48) hours in advance of the meeting, if practicable. This notice requirement may be waived if the member could not have reasonably anticipated that he or she would not be able to attend the meeting in person.

BOARD MEMBER PARTICIPATION IN COMMITTEE MEETINGS
BY TELECONFERENCING OR VIDEO-CONFERENCING EQUIPMENT

2. The member must explain to the committee chair the reason(s) why the request is being made. The committee member must copy the Board President and Superintendent on the request.
3. If the subject matter before the committee involves confidential matters, the board member shall not request to participate unless the committee person is certain that he/she will be able to participate in the meeting from a location where others cannot hear the discussion.
4. The committee chair will then determine whether good cause exists so as to permit the member to participate, or whether to contact the alternate to see if that person can attend due to the nature of the business before the committee at that meeting. If the member making the request can only participate for a portion of the meeting, the preference shall be to use the alternate.
5. The committee chair may consult with the Board President in making his/her decision.
6. The committee chair must notify the board member of his or her determination as soon as is reasonably possible in advance of the meeting.
7. If permission is granted for remote participation, the board member must give his/her undivided attention to the committee and must participate in the entire meeting, unless excused from doing so by the committee chair.
8. The board member must be able to hear all of the members of the committee and vice versa through the communications equipment which will be used.
9. No more than 1 person shall be permitted to participate in a meeting remotely.
10. If the committee chair cannot be physically present at a meeting, the preference shall be to reschedule the meeting. However, if that is not possible, he/she shall seek permission from the Board President to participate remotely.

**BOARD MEMBER PARTICIPATION IN COMMITTEE MEETINGS

Notice of Board Meetings

0162 NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Public Notice

The Board Secretary shall notify, in writing and no later than forty-eight hours in advance of the meeting, each Board member and each person who has duly requested such notification of the time, date, location, and, to the extent it is known, the agenda of any regular, special, or rescheduled meeting. Forty-eight hour notice shall also be posted in at least one public place reserved for such announcements, delivered to two newspapers designated by the Board, and filed with the clerk of the constituent districts, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with law.

Upon the affirmative vote of three-quarters of the members, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with the provisions of law and this bylaw.

Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult pupil, the parent(s) or legal guardian(s) of a minor pupil, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at a public meeting. Personal notice will be given no less than seventy-two in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be granted. In the event that one or more, but fewer than all, of a group of persons whose employment will be discussed request a public meeting, the discussion regarding the person or persons who have submitted the request will be severed from the rest and will be conducted publicly.

0163 QUORUM

A quorum shall consist of five Board members, and no business shall be conducted in the absence of a quorum, except when the Doctrine of Necessity is invoked.

In the event a quorum is not present at the hour of convening, the meeting may be recessed to a time not later than 9:00 p.m. of the same day. If a quorum is not then present, the members present may adjourn the meeting to a later date within seven days.

The Board of Education recognizes that there may be matters that come before the Board or acts required of Board members in their official capacity where the Board member may have a conflict of interest or the act would be in violation of N.J.S.A. 18A:12-24. In these matters, the Board member(s) will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter. The Board will consider this matter without the Board member(s) who has the conflict.

In the event a matter comes before the Board or an act is required of a Board member in his/her official capacity that is a conflict or would be in violation of N.J.S.A. 18A:12-24, the Board would still be required to have a quorum to consider the matter. However, the New Jersey Department of Education and the School Ethics Commission has envisioned this prohibition could create a situation in which so many Board members have a conflict, that the Board would be unable to take action on a matter. Therefore, when more than a quorum of the Board members must abstain from voting on a matter, the Board will invoke the Doctrine of Necessity consistent with the New Jersey Department of Education and School Ethics Commission guidelines as follows:

A. Board Member(s) in Conflict - Less Than a Majority of The Board

1. In the event a Board member(s) has a conflict of interest where the Board member will act in his/her official capacity, the Board member must remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
2. In the event a Board member is unsure whether he/she or any other Board member has a conflict of interest or whether the matter, if acted upon by a Board member(s) is in violation of N.J.S.A. 18A:12-24 - Prohibited Acts, the School Board Attorney will make a determination.
3. The School Board Attorney will provide the Board of Education an opinion on whether the matter is a conflict of interest or act prohibited by N.J.S.A. 18A:12-24 - Prohibited Acts.

4. If the Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity or if the School Board Attorney renders an opinion that the Board member has a conflict of interest where the Board member will act in his/her official capacity, the Board member will remove himself/herself from any discussions, meetings (informal or formal), committee meetings, and/or a vote regarding the matter.
- B. A Majority of Board Members in Conflict
1. In the event:
 - a. A Board member(s) believes he/she has a conflict of interest where he/she will act in his/her official capacity; or
 - b. If the School Board Attorney renders an opinion that the Board member(s) has a conflict of interest where the Board member will act in his/her official capacity; and
 - c. The number of Board members that have a conflict would make it so the Board would be unable to take action on the matter, then the Board may invoke the "Rule [or Doctrine] of Necessity." (Citing *U.S. v. Will*, 449 U.S. 200 (1980)).
- C. Rule [Or Doctrine] Of Necessity
1. The Doctrine of Necessity may be invoked when more than a quorum of the Board must abstain from voting on a matter.
 2. There are three prerequisites necessary for a Board to invoke the Doctrine of Necessity:
 - a. The Board must be unable to act without the members in conflict taking part;
 - b. There must be a pressing need for action, i.e. the matter cannot be laid aside until another date; and
 - c. There can be no alternative forum that can grant the same relief. (*Allen v. Toms River Regional Board of Education*, 233 N.J. Super 651 (Law Division 1989)).

3. When the School Board Attorney advises the Board the Doctrine of Necessity must be invoked in order to obtain a quorum on a vote, the Board must announce that it is invoking the Doctrine.
 - a. The announcement must include the reason the Board must invoke the Doctrine of Necessity including stating the nature of each Board members conflict.
 - b. The announcement will be in writing and should be recorded in the minutes of the meeting by the Board Secretary at the point when the vote takes place.
 - c. It is enough for the Board to announce it is invoking the Doctrine and a Board Resolution is not required.
4. When the Board announces the Doctrine of Necessity is being invoked, the details, parameters and/or other pertinent facts of the matter to be voted should be revealed on an agenda for the public meeting in which the matter is to be voted upon.
5. The Board members who have a conflict in the matter are prohibited from:
 - a. Participating in any discussions on the matter prior to the announcement and public meeting; and
 - b. From entering an executive session in order to discuss the merits of the matter or contract; and
 - c. From offering their opinions on the matter at any time prior to the announcement and public meeting.
6. The Board members who have a conflict in the matter may only participate to the extent they may vote after the motion to approve and/or ratify the matter has been made and seconded and the Doctrine of Necessity has been thoroughly explained to the public.
7. Board members in conflict may only ask questions regarding the matter to be voted on in public and after the Board has invoked the Doctrine of Necessity.

5. Any matter involving the purchase, lease, or acquisition of real property with public funds or the investment of public funds, where it could adversely affect the public interest if discussion of such matters were disclosed;
6. Any tactics and techniques utilized in protecting the safety and property of the public when their disclosure could impair such protection and any investigations of violations or possible violations of the law;
7. Any pending or anticipated litigation or contract negotiation other than as stated in #4 in which the Board is or may become a party and any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his/her ethical duties as a lawyer;

In order to permit the fair and orderly expression of such comment, the Board shall set aside a portion of every Board meeting, the length of the portion to be determined by the Board, for public comment on any school or school district issue that a member of the public feels may be of concern to the residents of the school district.

Public participation shall be governed by the following rules:

4. All statements, questions, or inquiries shall be directed to the presiding officer, and any questions or inquiries directed by a participant to another Board member shall be redirected to the presiding officer who shall determine if such statement, question, or inquiry shall be addressed by the presiding officer on behalf of the Board or by the individual board member;
5. The presiding officer may:

Wishing to recognize the loyalty and service of long-time employees and Board members with a tangible proof of appreciation, the Board directs the Superintendent to procure appropriate plaques for employees who are retiring from active employment after twenty years of service in the district and Board members who have completed three years of office.

0168 RECORDING BOARD MEETINGS

The Board of Education directs the creation and maintenance of an official record of the formal proceedings of the Board and will permit the unofficial recording of Board meetings in accordance with this Bylaw.

Minutes:

The Board shall keep reasonably comprehensible minutes of all its meetings showing the time and place, the members present, the subject considered, the actions taken, the vote of each member, information sufficient to explain the actions taken, and any other information required to be shown in the minutes by law.

Minutes of public meetings shall be public records signed by the Board Secretary and filed in the Board Secretary's office in a minute book as the permanent record of the acts of this Board.

Minutes of executive meetings shall be filed in the Board Secretary's office in a place separate from the minute book until the time, if any, when the proceedings may be made public. At that time, the minutes shall be public records and shall be filed in the regular minute book.

The Board Secretary shall provide each Board member with a copy of the minutes prior to Board approval.

Electronic Recording:

The Board Secretary shall make an audio tape recording of each Board meeting as an administrative aid in the preparation of minutes. The recording shall be retained forty-five (45) days or until either summary or verbatim transcripts have been approved as minutes, whichever is longer, after which time they may be erased only if permission is granted by the New Jersey Department of State, Division of Archives and Record Management. All such recordings will be erased or destroyed in compliance with laws and rules for the destruction of public records.

The recording may not be able to be destroyed if a subject matter, vote, or Board action on the recording is the subject of litigation. The district will notify the New Jersey Division of Archives and Records Management when requesting permission that a recording be destroyed if the recording includes subject matter in litigation, or the district will not request permission to destroy such recording if the subject matter is in litigation.

Recording by the Public:

A member of the public may record the proceedings of a public meeting of the Board provided the audio or video recording process complies with reasonable guidelines as outlined in this Bylaw. These guidelines are adopted to ensure the recording of the public meeting does not interrupt the proceedings, inhibit the conduct of the meeting, or distract Board members or other observers present at the meeting.

The Board will permit the use of audio or video recording by members of the public to record public meetings.

Prior notice to audio or video record a public meeting is not required provided the person operates the recording device while sitting in the area designated by the Board for public seating. The recording of a meeting from this area shall not obstruct or distract any member of the public from observing and listening to the proceedings of the meeting. If the recording is obstructing the view or is distracting to members of the public, the presiding officer or designee will require the person recording the meeting to relocate to another area of the meeting room.

In the event a member of the public wants or needs to audio or video record a public meeting from an area other than the area designated for public seating, the person shall provide notice of such request to the Board Secretary in advance of the meeting. The Board Secretary or designee shall review the recording guidelines outlined in this Bylaw with the person requesting to record the meeting.

Any member of the public wanting to use a recording device from an area other than the area designated for public seating must be located and operated from inconspicuous locations in the meeting room as determined by the presiding officer or designee. Prior to the meeting, the presiding officer or designee will determine the location of each recording device so each video recording device can record the meeting with an unobstructed view and each audio recording device can record a meeting so the speakers and meeting proceedings can be properly recorded. The location of any recording device operated from an area other than the area designated for public seating will be in an area of the meeting room that is not distracting or obtrusive to Board members, members of the public, or the orderly operation of the meeting. Any recording device used outside the area designated for public seating shall be located within a similar distance from the Board as the public seating. The presiding officer or designee shall determine when the number of recording devices used outside the area designated for public seating interferes with the conduct of a Board meeting and may order that an interfering recording device be removed or relocated. Additional lighting shall not be used unless approved by the

presiding officer or designee prior to the meeting. All recording devices and any related equipment must be battery operated or operational without the use of district electricity, as the district will not permit such equipment to be connected to the school district's electrical service.

The presiding officer or designee shall determine if a recording device interferes with the conduct of a Board meeting and may order that an interfering device be relocated.

0169 BOARD MEMBER USE OF ELECTRONIC MAIL/INTERNET

The Board of Education is a public body as defined in the New Jersey Open Public Meetings Act, N.J.A.C. 10:4-6 et seq., and the Board and its members are required to comply with the provisions of this Act. It is the right of the public to be present at meetings of public bodies and to witness in full all phases of the deliberations, policy formulation, and decision-making. Board members acknowledge certain discussions between Board members, other than during a Board meeting, may be subject to the provisions of the Open Public Meetings Act.

The Board of Education is also subject to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. The Open Public Records Act requires public agencies/School Boards to make certain governmental records subject to public access. Board members may, by written and/or electronic mail (e-mail), communicate with each other and with certain school staff regarding the school district's public business. "Public business" means and includes all matters that relate in any way, directly or indirectly, to the performance of the public body's functions or the conduct of its business. Board members acknowledge these written communications may be classified as a governmental record and may be subject to public access pursuant to the Open Public Records Act.

In order to ensure the Board and/or individual Board members comply with the requirements of the Open Public Meetings Act and the Open Public Records Act, the following guidance is provided regarding certain discussions and written communications regarding the public business:

1. Written letters, e-mails, and supporting documents regarding school district matters written by Board members to other Board members or written by Board members to school staff, unless the subject matter is specifically exempt under the Open Public Records Law, are governmental records and are subject to public access. Based on the potential for improper/inappropriate disclosure and/or breach of confidentiality that may compromise the Board or Board member, these communications should not involve confidential matters, especially any matter the Board may discuss in executive/private session outside the presence of the public pursuant to the Open Public Meetings Act.
2. Written letters, internet (chat) discussions, e-mails, and supporting documents regarding the school district's public business written by Board members to other Board members shall not replace deliberations that would prevent the public from witnessing in full detail all phases of the Board's deliberations, policy formulation, and decision-making process in accordance with the intent of the Open Public Meetings Act.

3. Internet (chat) discussions between Board members regarding the school district's public business shall not include multiple Board members with the potential that a quorum of the Board may be involved, or become involved, in such discussion.

In the event a Board member(s) fails to comply with the guidance of this Policy, the matter shall be referred to the Board President, who will meet and/or discuss the matter and this Policy with the Board member(s). The Board President may request the Board Attorney participate in this meeting and/or discussion.

0169.02 BOARD MEMBER USE OF SOCIAL NETWORKS

In accordance with the School Ethics Act - N.J.S.A. 18A:12-21 et seq., Board of Education members must avoid conduct which is in violation of the public trust or which creates a justifiable impression among the public that such trust is being violated. To avoid conduct that may be in violation or perceived to be in violation of the School Ethics Act, the Board of Education adopts this Policy to provide guidance to Board members in their use of social networks.

For the purposes of this Policy, “social network(s)” shall include, but not be limited to: Internet blogs, electronic bulletin boards, emails, social networking websites, text messages, or any other online platform where people may post or communicate interests, opinions, or any other information that may be viewed by others with or without permission from the person making such post or re-publishing such post. “Social networks” also means an Internet-based service that allows individuals to: construct a public or semi-public profile within a bounded system created by the service; create a list of other users with whom they share a connection within the system; and view and navigate their list of connections and those made by others within the system.

For the purposes of this Policy, “use of a social network” shall include, but not be limited to: posting to a social network, reposting another person’s post to a social network, messaging, or any other publication of material on a social network.

Nothing in this Policy prevents a Board of Education member from using a social network. However, a Board member must avoid conduct on a social network that would violate the School Ethics Act – N.J.S.A. 18A:12-21 et seq., which includes the Code of Ethics for Board Members. Board members should be advised communications, publications, photographs, and any other information posted by the Board member or reposted by the Board member on a social network could violate the School Ethics Act and be cause for sanctions in accordance with the law.

While this Policy respects the right of Board members to use social networks, Board members shall recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. A Board member’s use of social networks shall not damage the reputation of the school district, employees, students, or their families. Board members who use social networks shall ensure their conduct is appropriate for a Board of Education member. Board members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding what is private in the digital world often has the possibility of becoming public, even without their knowledge or consent.

BOARD MEMBER USE OF SOCIAL NETWORKS

Board members should carefully review the privacy settings on social networks they use and exercise care and good judgment when posting content and information. When using social networks, Board members are advised to:

1. Not post anything that would violate any of the district's policies for Board members;
2. Uphold the district's value of respect for any individual(s) and avoid making defamatory statements about the Board of Education, the school district, employees, students, or their families;
3. Not disclose any confidential information about the school district or confidential information obtained as a result of being a Board member, about any individual(s) or organization, including students and/or their families;
4. Not use or refer to their Board of Education title or position when soliciting for a business organization that he or she or any immediate family member has an interest in, as well as posting or referencing any confidential information regarding the Board of Education or the school district obtained through their Board membership, unless authorized by law;
5. Refrain from having communications through social networks with other Board members regarding any Board of Education business to avoid any potential violation of the New Jersey Open Public Meetings Act;
6. Not respond to any postings regarding Board of Education or school district business or respond to any question or inquiry posted to the Board member or posted on any social network regarding Board of Education or school district business and shall refer any such questions or inquiries to the Superintendent of Schools to address, as appropriate; or
7. Not post any information on a social network determined by the New Jersey School Ethics Commission to be a violation of the New Jersey School Ethics Act.

A Board member shall comply with all Board policies regarding acceptable use of computers and computer networks whenever a Board member is using a Board of Education electronic device.

BOARD MEMBER USE OF SOCIAL NETWORKS

If the Board or Superintendent believes a Board member's activity on any social network may violate the Board's policies or the New Jersey School Ethics Act, the Board or Superintendent may request the Board member cease such activity.

This Policy has been developed and adopted by this Board to provide guidance and direction to a Board member to avoid actual and/or a perceived appearance of inappropriate conduct or conduct prohibited by the School Ethics Act while using social networks.

The Board will engage only a licensed public school accountant to conduct the annual audit in accordance with N.J.S.A. 18A:23-1 et seq. The accountant must have an external peer/quality report performed in accordance with N.J.A.C. 6A:23A-16.2(i)1, unless the accountant or firm can show good cause as to why there was a delay completing such report within the required timelines established by Government Auditing Standards issued by the Comptroller General of the United States. The Board will require the submission of the most recent external peer/quality report for review and evaluation prior to the appointment of the licensed public school accountant. The Board will acknowledge the receipt, review, and evaluation of the external peer/quality report in the public session and Board minutes in which the accountant or firm to perform the audit is engaged.

The Board will require the submission of an updated external peer/quality report of the accountant within thirty days after the issuance date of the external peer/quality report if the report is issued prior to the date of the audit opinion for the most recent fiscal year.

In accordance with NJOMB Circular Letter 98-07, the public school accountant will provide a copy of the most recent external peer/quality report to the Department of Education, within thirty days after the initial engagement by the Board and within thirty days after the issuance of a subsequent peer/quality report.

The Board shall engage a public school accountant during the audit engagement period for non-auditing, management, or other consulting services only if such services comply with the independent standards as established in Government Auditing Standards (Yellow Book) by the Comptroller General of the United States.

The Board may be prohibited for good cause by the Commissioner of Education from engaging a particular licensed public school accountant, or may be directed by the Commissioner on a process to be used in the appointment of a licensed public school accountant pursuant to N.J.A.C. 6A:23A-16.2(i)4.

Each annual audit shall include an audit of the books, accounts and moneys, and verification of all cash and bank balances of the Board and of any officer or employee and of moneys derived from athletic events or other activities of any organization of pupils conducted under the auspices of the Board, from the date of the last annual audit to the date of the current audit. The audit will also include a determination of the extent to which the district used contracts entered into by the State Division of Purchase and Property pursuant to P.L. 1969 c. 104 (C.

0174 LEGAL SERVICES (M)

M

In accordance with N.J.A.C. 6A:23A-5.2, the Board of Education adopts this Policy and its strategies to ensure the use of legal services by employees and the Board of Education members and the tracking of the use of legal services.

The Board of Education authorizes the Superintendent of Schools, Superintendent of Schools' designee, School Business Administrator/Board Secretary, and the Board President as designated contact person(s) to request services or advice from contracted legal counsel.

The Superintendent shall be responsible to review all legal bills and confer with designated contact persons in reviewing such legal bills.

In accordance with the provisions of N.J.A.C. 6A:23A-5.2(a)2, the Board designates the administrative staff member to review all legal bills and designates contact persons to ensure the prudent use of legal services.

School districts with legal costs that exceed one hundred thirty percent of the Statewide average per pupil amount should establish the procedures outlined in 1, 2, 3, and 4 below and, if not established, provide evidence such procedures would not result in a reduction of costs:

1. The designated contact person(s) shall ensure that contracted legal counsel is not contacted unnecessarily for management decisions or readily available information contained in district materials such as Board policies, administrative regulations, or guidance available through professional source materials.
2. All requests for legal advice shall be made to the designated contact person(s). The designated contact person shall determine whether the request warrants legal advice or if legal advice is necessary.
3. The designated contact person(s) shall maintain a log of all legal counsel contact including the name of the legal counsel contacted, date of the contact, issue discussed, and length of contact.

4. All written requests for legal advice and logs of legal counsel contacts shall be forwarded to the Superintendent, who shall be responsible to review all legal bills and compare all legal bills to the contact logs and to investigate and resolve any variances.

Any professional services contract(s) for legal services shall prohibit advance payments. Services to be provided shall be described in detail in the contract and invoices for payment shall itemize the services provided for the billing period. Payments to legal counsel(s) shall only be for services actually provided.

School districts and vocational school districts are prohibited from contracting with legal counsel or using in-house legal counsel to pursue any affirmative claim or cause of action on behalf of district administrators and/or any individual Board members or pursuing any claim or cause of action for which the damages to be awarded would benefit an individual rather than the school district as a whole.

The Board of Education will annually establish prior to budget preparation, a maximum dollar limit for each type of professional service, including legal services. In the event it becomes necessary to exceed the established maximum dollar limit for the professional service, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount. Any increase in the maximum dollar amount shall require formal Board action.

Contracts for legal services will be issued by the Board in a deliberative and efficient manner that ensures the district receives the highest quality services at a fair and competitive price or through a shared service arrangement. This may include, but is not limited to, issuance of such contracts through a Request for Proposals (RFP) based on cost and other specified factors or other comparable processes. Contracts for legal services shall be limited to non-recurring or specialized work for which the district does not possess adequate in-house resources or in-house expertise to conduct.

0175 CONTRACTS WITH INDEPENDENT CONSULTANTS

The Board of Education may from time to time engage the services of one or more independent contractors to advise and assist the Board in analyzing school district operations and preparing Board reports when those tasks cannot be performed as economically by district staff members.

Wherever possible, the Board will seek proposals from multiple sources before a contract with an independent consultant is entered. The Board will not contract with a Board member or the spouse, child, parent(s) or legal guardian(s), or sibling, in fact or in law, of a Board member as an independent consultant.

The Board will engage the services of an independent consultant only by written contract, which must specify the work to be accomplished by the consultant, the time within which the work is to be completed, and the fee that will be paid the consultant. An independent consultant engaged by the Board is neither agent nor employee of the Board and may represent the Board only as expressly authorized to do so in writing.

An independent consultant may have access to such school facilities and school district employees as may be reasonably required in the performance of the consultant's contract with the Board. Except as expressly permitted by the contract, any communication between the consultant and a district employee or community member regarding the work of the contract must be conducted through the Board or a designated school official.

Materials and reports generated and created by the independent consultant in the performance of his/her contract with the Board are and will remain the property of the Board and are subject to Board Policy No. 8310 on public records.

0176 COLLECTIVE BARGAINING AND CONTRACT APPROVAL/RATIFICATION

The Board recognizes a Board member and/or a member of his/her immediate family may be a member of, or salary is determined by, a labor bargaining unit, professional association and/or union that has an affiliation with a bargaining unit, professional organization and/or union within the school district. The Board member does not automatically violate N.J.S.A. 18A:24 by voting to approve and/or ratify this contract solely on the basis of his/her status or that of an immediate family member with respect to membership or representation by a different local affiliate of the same statewide association with whom the agreement is made provided the Board member's involvement with such local affiliate has not or appears to have not compromised the member's objectivity or independence of judgment.

In accordance with N.J.S.A. 18A:12-24, the Board member shall not participate in the collective bargaining process and/or serve on the negotiations committee representing the Board with this unit, association, and/or union. The Board member may be apprised of the terms of a tentative memorandum of agreement with this unit, association, and/or union in closed and/or open session only after a tentative memorandum of agreement has been reached. The Board member may vote during the public meeting to approve and/or ratify a contract with this bargaining unit, professional association and/or union.

The Board member shall not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has an immediate family who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.

In addition, the School Ethics Commission Decision A16-00 states a Board member may not participate in any aspect of negotiations and/or vote to approve/ratify a tentative memorandum of agreement/contract ratification if the Board member has a "relative" who is a member of the bargaining unit, professional association and/or union within the school district. Under this circumstance, the Board member may only vote in the event the school Board attorney advises the Board the Doctrine of Necessity must be invoked in accordance with Policy No. 0163.
