

FSHS Parking Contract

Grade _____ (Name) _____ IS A STUDENT AT FSHS AND HAS MY PERMISSION TO DRIVE TO AND FROM SCHOOL INSTEAD OF RIDING ON SCHOOL PROVIDED TRANSPORTATION. BY GRANTING THIS PERMISSION, I UNDERSTAND THE FOLLOWING:

DRIVING/PARKING

Students who drive to school must practice safe driving skills to and from school and while on school property. Student drivers must purchase a parking permit from the school and visibly display that permit in the vehicle at all times while on school property. Students must leave their vehicles promptly after arriving at school and must not return to that vehicle until their departure from school. Parking permits will cost \$20 before Christmas Break and \$10 after Christmas Break.

PARENT/STUDENT RESPONSIBILITY

The school does not carry insurance that will cover vehicles or students who park or drive on school property. Parents or students must carry insurance. The school is not responsible for any damage that happens to a car while it is on school property. The school is not responsible for theft of items from a vehicle. The school is not responsible for students who allow other students to ride with them. Parents are encouraged to know whom their children are transporting to and from school.

SCHOOL RESPONSIBILITY

The school retains the right to search all vehicles driven by students with OR WITHOUT the student's knowledge or permission. School officials may search the vehicle if there is any reason to suspect it contains stolen articles, weapons, narcotics, alcoholic beverages, stimulant drugs, or any type of explosive or disruptive device.

DRIVING/PARKING RULES

1. FSHS has three lots for student parking. The lot in front of the Central Office is designated for CO-OP parking. The lot beside the Career and Technical Center is for SENIORS. All others will park at the facility lot across from the football stadium.
2. All students must park within the assigned number space lines marked and display a current FSHS parking tag. Failure to park appropriately and/or display a current FSHS parking tag may result in the vehicle being towed at the owner's expense and/or disciplinary action by school administrators.
3. Leaving any parking lot without parent and/or school permission is prohibited and will be handled as SKIPPING.
4. Transporting another student off the school grounds without parent and/or school permission is prohibited and will be handled as SKIPPING. This will result in loss of parking privileges.
5. Students may lose their driving privileges due to tardies to school or excessive absences. **3 unexcused tardies will result in the loss of parking privileges for 3 weeks. 6 unexcused tardies will result in loss of parking privileges for 6 weeks. Any unexcused tardy after this point will result in loss of privileges for the remainder of the year.**
6. Students driving in a disorderly manner, parking in the wrong spot or area, parking without a permit, or using another student's permit will be subject to disciplinary action, loss of parking privileges without a refund, and/or vehicle towed at the owner's expense. More severe discipline action could occur if needed.
7. If a student loses their parking privileges and there are other students on a waiting list to park, then their parking tag may be assigned to another student...SO DON'T LOSE YOUR PARKING PRIVILEGES!
8. Parking on campus after privileges have been lost will result in loss of parking privileges for the rest of the school year and/or disciplinary action.

I have read the above driving/parking rules. I understand the above and will abide by these regulations.
