

# CALUMET ELEMENTARY MONTHLY BUGLE

## 100 DAYS OF SCHOOL!

REPORTER: LIAM COX  
SCHOOL  
STATEMENT

### I'M GOOD

This year's statement is I'm Good, so here at the Monthly Bugle we thought that we should share some things that you could do to be a good person! You probably have seen some trash around the neighborhood or in the school. Why don't you pick it up and either recycle or throw it in the trash? Or, if you don't like getting dirty, you could help your neighbor, or go across town and help someone there! You can also be nice to everyone, even if they aren't nice to you. Just remember to be a good person!

REPORTER: LYNLEE BROWER & MIA MOORE

For this month's cover story, we decided to tell you about our favorite day in the elementary building! Which is the 100th day of school. The 100th day of school is a celebration for making it 100 days of school. However, due to the snow days we had in January, we got to celebrate on the 99th day of school! We don't do much work on this day, we just have fun, run around, play games, and roller skate. We usually have inflatables but we got a brand new awesome floor with that money, so we switched it up and used it on the 100th day. This is the 6th graders' last time for this celebration. We are all very sad about this but we know we will have fun in the other building as well.

The events we got to participate in were things such as, roller skating, dodgeball tournament, puzzles in the cafeteria, and karaoke in Mrs. Chambless' room! On the last day of skating, which happened to be the 100th day, the 6th graders got to skate in the halls. This is something that kids look up to until it is finally their turn! We had two dodgeball tournaments for the 100th day of school, one including 1st-3rd graders and one for the 4th-6th graders. We also took advantage of the nice weather and got to play outside and draw with chalk. All the kids got to have a fun time to take a break from all the hard work we have been doing in the classroom!

## QUOTE OF THE MONTH

REPORTER: COLTON DAUGHETY

**"DARKNESS CANNOT DRIVE OUT DARKNESS: ONLY LIGHT CAN DO THAT. HATE CANNOT DRIVE OUT HATE: ONLY LOVE CAN DO THAT."**

- Martin Luther King Jr.

## World News

WHAT'S HAPPENING ACROSS THE GLOBE?

- Over a hundred years after it sank near Antarctica, the ship of polar explorer Ernest Shackleton has been found.
- Airlines have been making tens of thousands of "ghost flights" in and out of European airports with few passengers, or none at all.
- Two missing notebooks belonging to the scientist Charles Darwin were secretly returned to the Cambridge University Library recently. The stolen notebooks, which had been missing for over 20 years, were returned in good condition.
- Scientists at the Massachusetts Institute of Technology have released a study on a subject they call Oreology – how Oreo cookies twist apart. The study's results show that the Oreo's white cream almost always winds up stuck to just one side of the cookie.

# Junior High Basketball

Our JH ball players just wrapped up the end of their season. Their last game was played on Monday, January 30th at 1PM. It was a great way to end the season because students from Pre-K through high school got to come and watch. The gym was packed with Chieftain fans and the JH teams both ended with a win! They have had a great season of growing and learning the game. We would like to congratulate the JH boys for going undefeated this season! The future of Calumet Basketball is looking bright!

## THANK YOU, SENIORS!

The senior athletes of Calumet High School were honored at the last home basketball game. Seniors from baseball, softball, cheer, and basketball were recognized for all the time, effort, and hard work they have put in. We appreciate their leadership and will miss them!

**The Calumet Chieftains placed 1st in the West Central Tournament after defeating Sentinel in OT during the championship game.**

## BOOK REVIEW

REPORTER: JAMES HAVENER

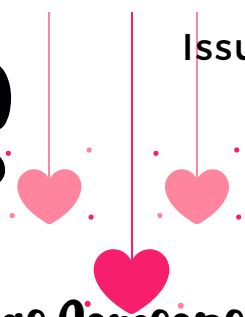

Jack is 12 born on an ark orbiting earth among 169 survivors of a global apocalypse who eagerly await the planet's restoration. Their hope is to return to the surface! With supplies dangerously low, the time for waiting is over. Humanity must return now or die among the stars. This book is called *AND THEY FOUND DRAGONS*.

## STAFF SPOTLIGHT

For this month's staff spotlight we are changing it up and writing about Mrs. Tracy. Mrs. Tracy's last day here at Calumet was Friday, January 27th. This is a very sad event for Calumet Schools. She has been with us for almost 19 years. It is devastating that she's leaving us, but we are happy for her that she got a better job. Mrs. Renbarger said and I quote, "We will miss Mrs. Tracy so much, but her heart will always be here in Calumet." Mrs. Tracy has been a wonderful secretary to Calumet for so long, we love her so much and we are proud of her for following her dreams. Thank you so much for being there for everyone. We are so grateful for your help over the years. Calumet Elementary wishes you nothing but the best, Mrs. Tracy!
