## Help spread the love of literacy!

Dear Henning School Families,

Sadly, times are changing and at times it can be financially difficult for many of our families to purchase books to have at home. How **AWESOME** would it be if **ALL** of our elementary students could receive one free book every month?!

Scholastic has books every month that are on sale for only \$1. We would LOVE for our ALL elementary students to be able to bring home one new book each month during the school year from September to May for the low price of \$9 for the entire school year.

We are hopeful that many of our families and community members will help in providing our students these affordable books, and spread the love of literacy. If you are interested in "sponsoring" a child or multiple children in our school in this campaign for literacy. All you have to do is mail a check made out to Scholastic Book Club and a child would get a new book to take home each month.

- Checks should be written out to **Scholastic Book Club**
- The amount of the check will be \$9 per child sponsored.
- Example – If I sponsored two children, my check would be written out for \$18.
- Please include the bottom portion of this form with your check.
- Checks should be mailed to:
